

My Wife Is a Superstar Chapter 123

The night went by peacefully.

The next day, Zheng Lunlun's condition has improved slightly. The green on his face had faded as his feminine face looked pale and translucent.

Ning Ran and the others were getting ready to have breakfast when they heard Erbao shouting in the cabin, "He's awake! Blondie is awake!"

Everyone rushed into the cabin. Zheng Lunlun stared at them, then shifted his gaze to the corner of the wall, "Don't hit me!"

Everyone was bewildered. What was he talking about? Was this actor putting up a performance right after waking up?

"Mr. Blondie, is your body hurting? Are you feeling dizzy?" Dabao asked.

"Who are you calling Mr. Blondie? You're older than me!" Zheng Lunlun got mad.

Everyone was dumbfounded once again. He's younger than Dabao?

"Stop messing around, Lunlun. Are you feeling any unwell anywhere?" Nan Chen asked seriously.

"I'm not feeling unwell, you are!" Zheng Lunlun said.

Nan Chen was completely stunned.

“Mr. Blondie’s gone crazy!” Erbao was the first to conclude.

Ning Ran had actually thought of saying the same thing too, but she didn’t dare to.

Anyone who dared speak their mind must be a child.

“Erbao, don’t say nonsense like that!” Ning Ran quickly stopped Erbao.

“I’m not! Look, he’s turned into a kid! He’s even younger than me!” Erbao argued.

Luo Fei who was hiding in the back was sweating in fear when she heard that Zheng Lunlun had woken up.

She had decided that if Zheng Lunlun identified her, she would not admit to it no matter what and would cause a huge ruckus in her protest to gain Nan Chen’s support.

Then, she would find another chance to finish off Zheng Lunlun, to tie up all loose ends.

But she didn’t expect that Zheng Lunlun would have lost his mind instead when he woke up. Luo Fei was delighted; this is really great!

“Lunlun, I’m Luo Fei, from the same crew. Do you recognize me?” Luo Fei squeezed her way through and asked.

“Who are you? You’re so ugly!” Zheng Lunlun rolled his eyes at Luo Fei.

Luo Fei got angry. This guy’s already lost his mind but still has it in him to insult me?!

Erbao laughed when she heard that, “Hahaha, Mr. Blondie’s still telling the truth even though he’s gone crazy! That’s so cute!”

“Erbaos, stop saying that, do you hear me?” Ning Ran scolded her again.

“Leave us, all of you.” Nan Chen waved his hand.

Everyone stepped outside. Nan Chen, Dabao and Zheng Lunlun who was curled up in a corner were the only ones remaining in the cabin.

“Come here.” Nan Chen waved at Zheng Lunlun.

“Papa.” Zheng Lunlun called out sweetly.

Nan Chen frowned and looked at Dabao, who shrugged helplessly in response.

“What’s gotten into him?”

“His cranial nerves must have been damaged from being badly poisoned.” Dabao analyzed.

“Is this amnesia? Or psychosis?” Nan Chen’s frown deepened.

“It’s hard to say. The toxin has damaged his cranial nerves, resulting in this abnormal behavior. We can only get a detailed diagnosis at a hospital. There is nothing we can do right now.” Dabao said.

Nan Chen let out a deep sigh. He did not expect things to turn out like this.

“Don’t worry, Uncle Nan Chen. I believe Mr. Blondie will recover once the toxins are excreted gradually. He should be able return to normal with the aid of medicine.” Dabao comforted him.

“So, we can only leave him like this for now?”

“That’s all we can do for now. We have no other choice but to return to the city quickly to get him checked and treated.”

Nan Chen nodded. It was all they could do for the time being.

“Papa, I want candies.”

Zheng Lunlun walked over and cuddled beside Nan Chen’s leg like a child.

“Someone make him a bowl of fish soup!” Nan Chen ordered.

Soon, someone had brought over a bowl of fish soup.

But Zheng Lunlun wouldn’t drink it, “I don’t want it! I don’t want it! It stinks!”

With the limited resources and conditions available, it was only natural that the fish soup prepared in such an environment would not taste well.

Nan Chen looked at Zheng Lunlun helplessly.

“Let me try.” Luo Fei volunteered.

She walked up to Zheng Lunlun, “Lunlun, have some fish soup. Your body is weak now, so you need it for energy!”

But Zheng Lunlun was not buying it either, “Get lost, you ugly woman!”

Luo Fei wished the ground would open up and swallow her whole at that moment. She was a famous star and yet she was being called an ugly woman!

She thought to herself, Why wasn’t this bastard dead from the poison?! He should’ve died long ago!

Then, Ning Ran came in as well. Zheng Lunlun tilted his head as he looked at Ning Ran.

Ning Ran felt a bit creeped out and was about to leave when Zheng Lunlun suddenly walked over and grabbed her hand while swinging it around, "Mama!"

There was silence.

What was going on? First he's gone crazy, now he's calling random people his mother?

"Don't call me that, I don't like taking advantage of others." Ning Ran was feeling extremely awkward as well.

"Mama, I want candies!" Zheng Lunlun didn't care, and continued to speak cutely.

Erbao stared wide-eyed, "Mommy, is he trying to act cute?"

Ning Ran burst out in laughter, "I'm Ding Mi, stop calling me mama!"

She tried to leave as soon as she finished saying that as it was getting too awkward for her to stay any longer.

But Zheng Lunlun wouldn't let go, "Mama, don't go."

Then with his other hand, he tugged on Nan Chen's arm, "Papa, mama, buy candies!"

Erbao was amused again, "Mommy, Mr. Blondie wants you two together!"

Dabao glared at Erbao. She quickly shut her mouth and stuck her tongue out.

"Ahem....." Ning Ran awkwardly coughed, "Don't take this kid seriously, guys. He's a little..."

Ning Ran pointed at her head.

“Mama, I want candies” Zheng Lunlun was still going at it.

“Lunlun, listen to me and drink the soup first, alright? Once you get better, we’ll go back to the city, and then we can buy your candy!” Ning Ran said softly.

Zheng Lunlun listened and rolled his eyes twice. She seems to have gotten through to him.

He then took the bowl of fish soup and gulped it all down.

Nan Chen’s frown loosened a little.

He had not expected to see such a scene.

Regardless, it was fortunate enough that Zheng Lunlun survived.

Although Zheng Lunlun had woken up, his body was still weak. He got tired after playing for a bit, so Ning Ran had him rest a little, and he fell asleep soon after.

Ning Ran let out a long sigh of relief. Having to take care of Dabao and Erbao was exhausting enough as it is, and now she has an additional man-child to look after.

The crew outside were also discussing this incident quietly.

“It looks like the young master has lost it. He actually called Mr. Nan Chen papa and Ms. Ding mama!”

“Don’t say that, they look pretty good together, like a perfect match.”

“Don’t talk nonsense! Didn’t you hear the kids call Mr. Nan Chen their uncle? I heard that the kids belong to Mr. Nan Xing, not Mr. Nan Chen.”

“But I think the boy looks more like Mr. Nan Chen instead. He’s just as serious and smart, even terrifyingly so.”

Luo Fei felt uncomfortable when she heard that as she passed by.

“What are you all talking about? Go fishing if you’ve got nothing else to do! Don’t you men feel bored gossiping like that?”

The crew dared not talk back but were cursing in their hearts, Even the crazy one called you ugly. How can you still act so high and mighty like that?
