

# The Best Son in Law Chapter 21 – 25

## Chapter 21

“Whether he’s my girlfriend or not is none of your business!” Haoden Ye retorted righteously.

“Since it’s not your girlfriend, get out of my way, don’t delay me from picking up girls!” The fat man sneered disdainfully.

When Haoden Ye saw how unreasonable he was, he was also open to anger and said, “What’s wrong with her being my girlfriend?”

Liu Fei Leng looked slightly moved, no man had ever dared to say that he was her girlfriend in his entire life, causing this beautiful woman to have a small movement in her heart.

If there was someone who knew Liu Fei Leng, they would have to sweat for Haoden Ye.

Saying that he was this demoness’ boyfriend was tantamount to suicide!

“Hey, a pretty girl has bad taste, but she found such a useless boyfriend!” What the fatty was waiting for was Haoden Ye’s words, raising his fist to punch Haoden Ye in the chest.

This fist was heavy as if it was light, seemingly just a casual punch, but it used full force.

According to his estimation, this punch was enough to make Haoden Ye unable to get up for half a day, just to show how powerful he was.

“Hit... hit someone!” The customers eating in the restaurant saw the fight on this side and immediately shouted out in fear.

The bold ones put on a good show, waiting for Haoden Ye to be beaten out by the fat man.

“Incompetent and still daring to chase such a pretty girlfriend, you deserve it!”

“Hey, redhead, I wonder how these two punks will bully this girl!”

However, something unbelievable soon happened, but the fat man’s hand landed on Haoden Ye’s chest, and Haoden Ye didn’t even move!

Instead, the fat man’s punch looked like it hit a rock, sending severe pain through his hand!

“Ah!” The fat man screamed and retreated, looking at Haoden Ye with a startled face.

“Big brother, what’s wrong with you!” The thin man was shocked and rushed forward to help the fat man.

Liu Fei Leng was also stunned, and a strange light flashed inside that pair of cold eyes.

“This kid has a steel plate hidden in his chest!” The fat man gripped his wrist in anger, and it did feel like he had just punched a steel plate.

“I...I didn’t!” Haoden Ye took a punch but didn’t feel any pain, naturally he knew clearly that this was the result of Koi strengthening his body for him, but he couldn’t explain to these two people, so he could only argue with a red face.

At the same time, Haoden Ye stripped off the clothes on his chest to prove it to everyone.

The strong and hard muscles of the chest were exposed, causing many people to reveal surprised looks, not expecting this kid to have such a strong body.

Liu Fei Leng’s eyes also flashed a touch of apprehension, she was no stranger to exercise, with muscles like Haoden Ye’s, I’m afraid that exercise alone didn’t have such an effect, but also needed to be soaked with the help of medicine.

“Stinky brat, you have guts, let’s go together!” The fat man suffered a loss and felt very ashamed, copying a chair and smashing it at Haoden Ye.

The chair cut through the air and made a whooshing sound, the force of which could be seen.

The people in the hotel made surprised sounds, many of them couldn't help but picture in their minds how Haoden Ye's head was bleeding after taking this blow.

Liu Fei Leng got the order to protect Haoden Ye, so she subconsciously had to take action, but she couldn't help but be curious in her heart, wanting to see Haoden Ye's real strength.

Just this moment of hesitation, the stool had already reached the top of Haoden Ye's head!

Right at this time, Haoden Ye's figure moved, his body was like the wind as he took a step forward and stretched out his hand to grasp the fat man's wrist.

When the stool wheeled over, Haoden Ye was also very scared in his heart, but the more this crisis, his reaction was instead much faster, and in a moment he stabilized his mind and reacted quickly.

"So fast!" Seeing Haoden Ye's astonishing speed, everyone turned pale, and even Liu Fei Leng's cold, pretty face couldn't help but reveal surprise.

It was actually too fast, and I'm afraid that she couldn't do this speed!

"Who the hell is this man!" Liu Fei Leng's heart was confused, "Isn't he the Shen family's wasteful son-in-law? How do you have such a body?"

When she was confused, Haoden Ye had already tightened his grip on the fat man's wrist.

"Quick! Get loose!" The fat man's face instantly turned white, revealing a painful look.

Haoden Ye didn't intentionally hurt him, but because he didn't often fight with others, he couldn't control the power of his transformed body for a while.

He quickly loosened his hand and took a step back, "I'm loosening my grip, you guys stop bullying people!"

“Kid, you’re tough, just wait!” The fat man held his wrist, which already had bruises in the shape of striking handprints.

The two people left in ashes, while a shout rang out in the restaurant at this time.

Many people were jealous that Haoden Ye could have a girlfriend like Liu Fei Leng, but they hated a punk like Fatty even more.

“Sorry!” After chasing away the two people, Haoden Ye scratched his head and apologized to Liu Fei Leng, “I didn’t choose the right place, I made you scared, you must have been very scared just now.”

A smile suddenly blossomed from this cold beauty’s face, like the blooming of an iceberg snow lotus, beautiful and palpable!

“Sorry for what? Did you tell them I’m your girlfriend? Or did you risk your life to come out and protect me?” Willow’s cold smile flickered and slowed.

“Girlfriend? Haoden Ye, explain to me!” Liu Fei Leng had just finished speaking when an angry voice sounded from behind Haoden Ye.

Haoden Ye turned around, but he saw Maya looking at him with an angry face.

“Mu Ya... you... what are you doing here!” Haoden Ye was frightened and panicked.

Maya Shen revealed a sneering sneer, her gaze falling on Liu Fei Leng.

Frankly speaking, compared to her looks, she was as good as Liu Fei Leng, while in terms of body, Liu Fei Leng’s hot and sexy body was more coveted by men, compared to her temperament and status, she seemed to be inferior to Liu Fei Leng.

She was there the last time Liu Fei Leng gave a gift to Robert Shen and knew that Liu Fei Leng was Simen Holander’s assistant!

It was obvious that her heart was already dead to Haoden Ye, but when she saw Liu Fei Leng, Maya Shen’s heart still couldn’t help but burn with anger.

“I shouldn’t have come, right! Delay you!” Maya Shen coldly laughed: “No hustle is no hustle, even if you cheat, you don’t know how to pick a good place, but people but the hall Holander’s Group is the chairman’s assistant, and you bring her to eat ramen noodles?” Maya Shen’s voice was full of sarcasm.

“Miss Shen’s words are a bit too much!” Liu Fei Leng smiled, slowly stood up, elegant demeanor: “How your Shen family treats Mr. Ye, I don’t need to tell you you know, with Mr. Ye’s skills, he may not necessarily have to hang himself on a tree in your Maya, what’s wrong with eating ramen noodles? As long as Mr. Ye brings me here, I like it!”

“There’s no justice, there’s no justice!” Hearing the two girls tit-for-tat, the guy in the restaurant had the urge to cry!

## Chapter 22

Haoden Ye was such an ordinary young man, but there were two such beautiful girls fighting over it, this matter gave these people too much of a shock.

“Mu Ya, you’ve misunderstood! I have nothing at all to do with this Miss Willow!” Haoden Ye quickly explained.

“Why did Mr. Ye have to explain to her? I don’t think this Miss Shen has taken you for her husband either!” Liu Fei Leng fought injustice for Haoden Ye.

“You... you... good! Haoden Ye, we’ll go through the divorce procedure tomorrow!” Maya Shen couldn’t help but have her eyes redden as tears sprang up and were forced back by her.

After saying that, Maya Shen turned around and walked to her sedan.

“I’m sorry Mr. Ye, I shouldn’t have interfered in the matter between you!” When Liu Fei Leng saw Maya leave, she actually regretted it in her heart.

Even if she wasn’t used to the way the Shen family treated Haoden Ye, she couldn’t force the couple to divorce.

“It’s nothing, we actually decided to divorce long ago!” Haoden Ye wanted Milda Hao to be intimidating to himself and shook his head in loss.

“Don’t worry, Mr. Ye, a talent like you will find a girl worthy of you!” Liu Fei Leng looked at Haoden Ye very seriously, “This Miss Shen... is not worthy of you!”

Haoden Ye laughed to himself, it was because he wasn’t good enough for Maya Shen!

At this time, Liu Fei Leng’s phone rang, and after answering the phone and saying a few words, she said goodbye to Haoden Ye and left.

Haoden Ye went back to the shop, thinking that he definitely couldn’t go back to Shen’s house after today’s fight with Maya Shen, so he had to rest in the shop at night.

But he didn’t know that just at this time, inside an upscale restaurant, the business director of Holander’s Group, Chang Wei, and Master Ajie were sitting across from each other.

“Master grieves, our president was momentarily confused and believed that kid Haoden Ye, saying that you want to harm our Holander Group!” Chang Wei was in his early thirties, the son of Simen Holander’s former right-hand man, Chang Yuan, and now looked indignant and addressed Master Ajie.

“Haha, there are too many villains in this world, and instead of being trusted by others, we who witness the Great Dao!” Master Aggie laughed as if he was morally profound.

“Mr. Chang has fought for many years for the Holander Clan, and it can be said that the Holander Clan’s success today is inseparable from you and your father, you were originally the fate of the Heavenly Dragon, but unfortunately a villain has seized the palace and damaged your future ah!” Master Ah Ji sighed and his face became worried.

While Chang Yuan was loyal and devoted to Holander, Chang Wei had been greedy for Holander’s assets, believing that Holander’s group was entirely dependent on his old man’s hard work, so why should it be Holander’s?

At the same time he harbored resentment towards Zyden, Holander’s group should be his own, what ability did Zyden have to inherit such a huge asset?

It was only because Master Ah Ji had seen through his mind that he used his power to break into the Holander family and gain the trust of Simen Holander, and Chang Yuan was also involved in this matter of trapping the Holander family.

Of course, Chang Wei himself was convinced of Master Ah Ji's spells.

"What! Is the Master saying that the Hong's' property was originally mine?" Chang Wei looked surprised.

"Hehe, the Holander family's money should be mine!" Master Ah Ji smirked in his heart, but nodded with great certainty on the surface.

Chang Wei immediately got excited and quickly said, "Then Master, how should I get rid of this villain!"

"This villain is Zyden, he has Sirius' help now, it's hard to get rid of him!" Master Ah Ji smiled piteously in his heart, but his face was filled with sadness.

Chang Wei's face turned resentful as he heard, clenching his fist, "Master is talking about that kid called Haoden Ye, right! It's an outrageous world, why do villains have so much help around them, but good people like us are alone!" He remembered that his old man wasn't even willing to help him, and he felt aggrieved.

"Oh, don't worry Mr. Chang, I can help you get rid of this Sirius!" Master Aggie smiled slightly.

Ever Great was delighted and hurriedly said, "Please also instruct me, Master!"

Master Aggie smiled, "That Haoden Ye's wife is called Maya Shen, and she's trying to work with the Hong's!"

As soon as he heard it, Chang Wei understood and with a grim smile on his face, he pulled out his phone and dialed a number.

In the morning, Haoden Ye was awakened by the sound of knocking on the door.

Getting up from the crude floor, Haoden Ye opened the shop door.

"Haha, why do you look like this, is this a punk game?" Zyden, dressed in an expensive casual suit, couldn't help but smile when he saw Haoden Ye's appearance.

Behind him, he listened to a bright Rolls Royce Phantom, causing many passersby to pay attention.

“Holander!” Haoden Ye was surprised to see that it was him, and looking at Zyden’s physical condition, his body should be almost recovered, he scratched his head, “I... I had a fight with my girlfriend, so I had to be refined in the shop!”

“Women, it’s just a matter of coaxing!” Zyden left his mouth unconcerned.

Haoden Ye laughed bitterly in his heart, Zyden’s family was so rich, that girl dared to be really mad at him?

“What did Holander want with me today?” Haoden Ye pulled away from the topic.

“Of course, I want to thank you properly for saving me, and I’ll treat you to dinner today!” Zyden smiled and patted Haoden Ye’s shoulder, his demeanor was very intimate, and he didn’t act like the heir to the Holander Clan in the slightest.

Haoden Ye also liked his personality very much and smiled, “Well then, I’ll wash my face!”

Fifteen minutes later, Haoden Ye got into that Rolls-Royce to welcome him.

The inside of the car was spacious, and there was also a wide table with expensive red wine on it.

“Simen, your current physical condition isn’t suitable for drinking!” Haoden Ye saw Zyden drinking as soon as he got into the car and was busy trying to persuade him.

“Haha! I’m so sorry, I’m used to it!” Zyden took it easy and smiled apologetically at Haoden Ye, then said, “It’s really strange, after Dean Li gave me acupuncture using the needles you taught me, my body recovered very quickly!”

Haoden Ye listened with a smile in his heart, although Dean Li had learned his own acupuncture technique, it was still not enough without decades of practice to fully bring out the effects of this kind of acupuncture.

The reason why Zyden recovered so quickly was entirely because of his own acupuncture yesterday.

## Chapter 23

The car was parked at the Empire Mansion Clubhouse, and Zyden got off with Haoden Ye.

The Emperor Mansion Clubhouse was the city's premier luxury clubhouse, and everyone who could enter and exit here was worth at least a hundred million.

"Oh my god, isn't this Zyden Holander? I heard he was in a car accident yesterday and almost died." Entering the door of the clubhouse, someone immediately looked at Zyden in surprise.

The luxuriously decorated hotel was splendid, giving the impression of an ancient European palace, and the guests here were naturally prominent figures in the city.

Naturally, they were very clear about the fact that Zyden had been in a car accident.

"I heard that Dean Li of the Downtown Hospital saved him with his medical skills!" Whispering voices continued to ring out, and Zyden seemed to have gotten used to the attention and simply ignored it.

"Nonsense, I heard that it was an unknown little doctor who saved Holander!"

"It's amazing, I can't even tell if I've been in a car accident!" Someone couldn't help but let out an exclamation.

"Great, I have another chance to be the Holander family's young grandmother!" A few beautiful girls in princess dresses got excited.

"Who's that guy next to Simen? His assistant? So shabbily dressed!"

"Bah! It's just someone who's sucking up to Holander, maybe just a working member of the Holander Group!" To Haoden Ye, the others didn't have much goodwill.

“How can such a stinking pauper be able to enter the Emperor’s Clubhouse, it seems like this clubhouse’s class is getting worse and worse!”

Haoden Ye followed Zyden, no one paid any attention to him at all, but he still felt a little embarrassed to be looked at, especially since many people were looking at him with despicable eyes, as if he had let Zyden fall from grace by following behind him.

“Brother Ye, this way!” As he headed to the top of the stairs, Simen Holander suddenly took half a step behind and made a respectful gesture of please to Haoden Ye.

This gesture made everyone’s face change.

The heir to the Holander Clan, who was worth trillions, was actually bending over for a poorly dressed young man.

For a moment, everyone looked at Haoden Ye in surprise.

Haoden Ye was uncomfortable being looked at all over and fled up the stairs.

“Zyden, is it still the same private room?” Just up the stairs, a slim, beautiful looking girl walked over.

Although it wasn’t a stunningly beautiful girl like Maya Shen and Liu Fei Leng, it was nevertheless a rare beauty.

However, in the face of this kind of beauty, Zyden didn’t even glance at it.

The two people entered a spacious and luxurious room, Zyden ordered a few dishes that Haoden Ye’s name had never heard of, and when it was Haoden Ye’s turn to order food, Haoden Ye blushed.

When it was Haoden Ye’s turn to order, Haoden Ye blushed. The pretty girl seemed to see Haoden Ye’s embarrassment, and recommended two dishes in a row, which spared Haoden Ye’s embarrassment.

When the two of them were eating, Maya Shen’s car was parked at the entrance of the Emperor’s Clubhouse.

“I’ve already arrived, wait a moment!” Maya Shen was on the phone, her face filled with excitement.

I never thought that the Holander’s Group, which had been neither cold nor hot to their company, would suddenly decide to cooperate with them today, Maya Shen was very happy.

To be able to cooperate with the Holander’s Group, their company’s future future can be imagined, and her efforts will also be recognized by others.

After days of hard work, she finally saw sunshine, Maya Shen was very happy, but she didn’t dare to relax her guard.

Entering inside the clubhouse, Maya Shen gave Chang Wei’s name, and the attendant immediately took him upstairs.

“Mr. Chang!” Seeing Chang Wei, Maya Shen was surprised, she hadn’t expected that the person sent by the Holander Group to discuss business would be Chang Wei, the business director! This made Maya Shen’s heart a little nervous.

Chang Wei’s eyes also flashed with surprise when he saw Maya Shen, he didn’t expect Maya Shen to be so beautiful.

“Master Aggie is really well thought out, letting me place love parasites on this woman,” a cold smile spread in Chang Wei’s heart as his gaze hurriedly swept over Maya Shen’s charming and delicate body.

“Oh, you’re Maya Shen, aren’t you! I’ve seen your company’s proposal, and it really is a talent!” Chang Wei was handsome and graceful, making Maya Shen’s eyes shine as well.

However, she also noticed that Chang Wei’s eyes were a bit lustful when he looked at himself, which made her feel very uncomfortable.

“Mr. Chang is polite, our company’s business level is very strong, and there are quite a few people like me!” Maya Shen smiled modestly, “For example, our project this time...”

Chang Wei smiled slightly and snapped his fingers in a dashing manner and a waiter came over.

“Open my bottle of Remy Martin!” Chang Wei smiled at the waiter and then said to Maya Shen, “Miss Shen, don’t be in a hurry to talk business, let’s get to know each other first, after all, we’ll be working together for a long time!”

Maya Shen also had a good impression of Chang Wei, a graceful middle-aged man, and was no longer in a hurry after getting his accurate answer.

The two people chatted enthusiastically, and suddenly Maya Shen’s face changed slightly, and she saw a familiar figure hurrying past from the entrance.

It was Haoden Ye, Maya Shen couldn’t believe it, how could Haoden Ye appear in such an upscale place.

She thought she was mistaken, yet she couldn’t help but be curious.

“Mr. Chang, if you’ll excuse me, I’m going to use the bathroom!” Maya Shen confessed to Chang Wei.

Chang Wei was looking for the right time to place the parasite, once he heard this in his heart, he smiled and nodded very elegantly, only then did Maya Shen get up and chase after him.

Just at this time, Haoden Ye’s figure had just turned a corner, Maya Shen sped up, but when she arrived at the corner, she suddenly discovered that this was the entrance to the toilet.

“It must be my misreading!” Maya Shen said that she didn’t believe that Haoden Ye would appear here and shook her head vigorously.

She was already dead to Haoden Ye, but seeing Haoden Ye and Liu Fei Leng together yesterday, and Haoden Ye also said verbally that Liu Fei Leng was his girlfriend, made Maya Shen very angry in her heart.

After getting angry, she vowed to become a passerby with Haoden Ye in the future.

“Could it be that I can’t forget him and subconsciously want him to appear here?” With doubts, Maya Shen walked over to the women’s restroom.

And at this time, Haoden Ye just happened to come out of the men’s room, just in time to see Maya Shen’s back.

“That girl is Mu Ya?” Haoden Ye was very surprised in his heart, “Why is she here? Is it a date with someone else?”

No wonder Haoden Ye thought too much, although Maya Shen had an outstanding job, she was far from qualified to spend money here, and it was easy to think that she came with other men.

Thinking of this, Haoden Ye couldn’t help but feel sour in his heart, and wanted to go see who Maya Shen was dating.

He retreated back inside the Dao toilet and stood in the corner listening to the sounds inside, soon Maya Shen came out and Haoden Ye poked his head out to see her, his face couldn’t help but change!

On Maya Shen’s forehead, a mass of blackness was gathering!

## **Chapter 24**

Haoden Ye was incomparably heartbroken and quickly followed Maya Shen quietly.

Maya Shen returned to the private room, and as soon as she entered the door, she noticed that there was something strange in Chang Wei’s eyes, as if there was some kind of winning smile, and Maya Shen was alert.

“I just had another discussion with the people in the company, we decided to invest 100 million to your company!” Chang Wei smiled at Maya Shen.

Maya Shen’s face turned pale, it was a hundred million, such a large investment, the company had never received it before.

Maya Shen forgot about the alertness just now and said in surprise, “Mr. Chang is really a mastermind!”

“It’s only a hundred million!” Chang Wei smiled slightly, and in his heart he sneered, “Tonight, I’m going to invest billions in you! Is \$100 million too much?”

Chang Wei lifted his wine glass and smiled at Maya Shen, “Come, here’s to our happy cooperation.”

Maya Shen also lifted the glass and was just about to drink the wine when suddenly a voice said, “Wait a minute!”

When the two of them turned their heads, they saw Haoden Ye standing at the door with an angry face.

Haoden Ye had been following Maya Shen since just now, and he didn’t see Chang Wei laying down the parasites, but he noticed whether Chang Wei was taking an unkind glance at the wine glass in Maya Shen’s hand.

By all rights, a girl as smart as Maya Shen should have noticed, but she was overwhelmed by the 100 million investment.

“Haoden Ye! It really is you!” As soon as Maya Shen saw Haoden Ye, her face went cold: “Why are you here!”

Haoden Ye didn’t say anything, he quickly walked to Maya Shen’s side and snatched the glass of wine from her hand.

“What are you doing!” Maya Shen was shocked by Haoden Ye, unprepared under the wine glass was taken away, Haoden Ye slammed the wine glass on the ground.

Haoden Ye slammed the wine glass on the ground. The glass fell to the ground, and there was an imperceptible white smoke, but unfortunately Maya Shen didn’t see it.

At the same time, inside the next compartment, Master Ah Ji was shaken and spat out a mouthful of blood!

His face was waxy and yellow and his lips were blue, like a dead man’s.

“Senior Brother!” The monk was shocked and stared at Master Aggie, “What happened, how did it... backfire again?”

For two days in a row, this was the third time that Master Aggie had been turned back by a parasite, the first time was already dangerous enough, the remaining two times though were not as dangerous as the first, and the level of danger should not be underestimated.

All in all, it was already a miracle that Master Ajie was now alive.

“Senior Brother!” The monk shouted again, and Master Aggie didn’t even have time to say a word, having passed out.

Inside Chang Wei’s private room, Chang Wei stood up in anger, slapping the table and yelling at him, “Who are you!”

He was this annoyed, Master Aggie had told him that the process of placing the parasites must not be wrong, otherwise it was very dangerous.

“Mr. Chang, don’t be angry, this is coming for me!” Maya Shen saw that he was angry and quickly compensated with a smile.

“How dare you!” Chang Wei snorted heavily and looked at Maya Shen, “Shen, is this your attitude towards working with our Shen Group?”

Maya Shen’s face turned pale, if this 100 million cooperation went down the drain, her many days of hard work would go down the drain.

“It’s fine if you don’t cooperate, you’re not a good person anyway!” And just as Maya Shen was thinking about how to make Chang Wei go away, Haoden Ye suddenly pointed at Chang Wei and said, “You put drugs in her cup!”

As soon as the words were spoken, both Maya Shen and Chang Wei turned pale.

Maya Shen turned her head to look at Chang Wei in dismay, but Chang Wei couldn’t help but be shocked.

Master Ah Ji had said that this kind of compulsion was colorless and tasteless, it was impossible for anyone to detect it, how did Haoden Ye know about it.

“Bloody mouth, what evidence do you have!” Chang Wei was panicking, but his face was artificially angry.

“I...I have no proof, but you must have drugged it!” Saying that he drugged it, Haoden Ye was also guessing, he saw that there was black gas on Maya Shen’s forehead and it showed that it was tomorrow morning.

In other words, her life was in danger tomorrow morning, and the way Chang Wei looked at the wine glass just now made him associate it with the fact that there must be something wrong with the wine inside the glass.

Imagine, if Maya Shen drank the wine inside, what Chang Wei wants to do to her Maya Shen can’t resist at all, and when Maya Shen wakes up tomorrow morning, with her character, I’m afraid there’s no second result.

Upon hearing that Haoden Ye didn’t have any evidence, Chang Wei was relieved, and at this time Maya Shen’s heart was extremely angry.

“Haoden Ye! You’re enough, I’m done with you, please stop harassing me!” Maya Shen’s face was cold and looked at Haoden Ye.

As soon as Chang Wei heard this, he immediately guessed Haoden Ye’s identity, this was the person who defended Zyden Holander!

A chill flashed across his gaze as Chang Wei stepped out, “Go get your manager over here!”

“Muah, you have to believe me!” Haoden Ye ignored Chang Wei and tried to explain to Maya Shen, “Miss Liu and I have nothing at all, it’s all because you misunderstood, and that person really drugged you!”

“You’ve had enough!” Maya Shen chilled her face and said coldly, “Haoden Ye, I originally thought you were just cowardly, but I never thought you would be such a sinister person that you would actually frame others!”

“Who are you to dare to come to our Emperor’s Clubhouse and cause trouble!” At this time, a middle-aged man walked in, with a suit and a grim appearance, he was followed by seven or eight men in black.

As soon as the man entered the door, a chill of anger came over him, and one couldn't help but get goosebumps all over his body.

"I'm your guest here, I just saw him drug this lady!" Haoden Ye knew he was in charge of the club and quickly explained.

"Drugged?" The man in the suit took one look at Chang Wei and whirled around with a ridiculous look, "Do you know who this is? This is the business director of the Hongs, and he would drug this lady?"

"Manager Li, what's the nonsense with him, call the police and arrest him!" Chang Wei stood outside the door, his eyes flickering with chill inside, looking at Manager Li.

Manager Li imperceptibly nodded gently and said politely to Haoden Ye, "This gentleman, please come with me to the security room first, we can retrieve the surveillance!"

Haoden Ye noticed the eye contact between the two of them and knew that if he went to the security room, he probably wasn't watching the surveillance.

"I... I'm not going!" Haoden Ye quickly shook his head and said, "You can call the police and have them investigate this matter!"

As soon as Manager Li heard the call to the police, a cold light flashed inside his eyes.

Since Haoden Ye said drugged, most likely really drugged, Chang Wei's character Manager Li still doesn't know?

But with Chang Wei's status, the average woman could only resign herself to her fate even if she knew she had suffered a loss.

"Take him away!" Manager Li sneered at his own men, "Humph! You've offended Mr. Chang and you want to go to the police? Do you think that our Emperor's Club is a place where you can go wild at will?"

As his voice trailed off, a voice suddenly remembered, "Aigoo, I've been coming to your Emperor's Clubhouse for I don't know how many times, and I didn't know that your clubhouse was so overbearing!"

## Chapter 25

“Holander!” When he heard this voice, Manager Li’s face changed.

“Zyden!” Chang Wei’s face also changed, and his eyes flickered with a touch of coldness.

In the midst of the two people’s surprised gazes, Zyden slowly walked into the room, his face cold as he said to Manager Li, “This Mr. Ye is my friend, can Manager Li give me face!”

Manager Li had cold sweat coming down on his forehead and quickly revealed a pleasing smile: “Simen where is this coming from, you are our major shareholder here, of course you have to give this face!”

Maya Shen watched Zyden walk in step by step, and couldn’t believe her ears.

Haoden Ye was even Zyden’s friend, what was going on!

Zyden sneered and swept a glance at Manager Li, then his gaze fell on Chang Wei.

“Director Chang!” Zyden’s tone was cold.

Chang Wei’s face was very ugly, how could he have thought that Haoden Ye had come with Zyden.

“Zyden! Why are you still so polite with me? Don’t you usually call me Chang in the company?” Chang Wei gave a gentle smile and said, “Your friend is really over the top, running to my private room and nonchalantly saying that I drugged this lady, with my status, do I still need to drug a woman?”

“Please call me Director Holander!” As soon as Chang Wei finished speaking, Zyden’s very rude voice rang out, “Whether he’s really overreaching or not depends on whether he’s telling the truth or not!”

Chang Wei was dumbfounded, Zyden usually treated him politely in the company, and often said he was the mainstay of the company, why did he suddenly change his face?

“Zi... Zyden, what do you mean, can't you still trust me?” Chang Wei pretended to be angry at Zyden Holander.

“Of course I can trust Director Chang, but Mr. Ye is my friend, and I can trust him too!” Zyden's handsome face revealed a nonchalant smile, “I've called the police, the police will be here soon, whether you drugged this Shen or not, we'll be clear soon!”

“You!” Chang Wei shivered with anger, and his face turned red.

He had never dreamed that Zyden would be willing to offend him, the business director, for a Haoden Ye.

“Zyden! Are you really not going to give me any face at all?” Chang Wei was angry at Zyden Holander.

Seeing this, Maya Shen still couldn't see that Chang Wei had drugged himself, and she was frustrated.

So it was because she had misunderstood Haoden Ye, what he said was true!

“Manager Lee!” Zyden ignored Chang Wei and instead sneered at Manager Li, “You're a nasty looking person, I don't want to see you again!”

Manager Li was shaken, just that one sentence, and his future was gone!

“Holander, I know I was wrong!” Manager Li begged in pain.

“I don't care to mess around with you guys!” Chang Wei raged Heng Heng and turned to walk away.

“Stop him!” Zyden rudely sneered, the few people that Manager Li had brought with him were all workers, they certainly knew who was older and who was younger, when they immediately stopped Chang Wei.

“Zyden! What are you doing? Don't forget that I also control 10% of the company's shares! It won't do anyone any good to have a falling out!” Chang Wei's face was cold and he glared at Zyden.

“Of course I know this, that’s why I’ve just informed Uncle Chang, and Uncle Chang has given me permission to do so!” With a cold smile, Zyden spoke in an icy tone.

Chang Wei’s face changed violently, although he controlled 10% of the company’s shares, the share ownership was still his old man’s, his old man was loyal to Holander’s group, how could he destroy the company’s interests for him.

“Zyden, count you cruel!” Chang Wei’s face was white and angry.

The police soon came, and after the on-site investigation, there was indeed an abnormal substance in the drink, what exactly was the drug could not be detected, but Haoden Ye’s words were corroborated.

Chang Wei was led by the police, and Manager Li was also fired by the general manager of the Dihao Club.

“Sister-in-law! You’re going to have to apologize to big brother this time!” With the matter resolved, the cold face on Zyden’s face changed abruptly, becoming a cynical, wealthy gentleman.

“Holander...Simen, don’t be so polite!” Zyden, the heir to the Holander Group, spoke to himself like this, but Maya Shen was actually a bit overwhelmed.

“What kind of politeness is this, Haoden Ye is older than me and is considered my big brother, so you’re my sister-in-law!” Zyden’s handsome face revealed a wry smile.

“Holander, it’s really thanks to you this time, you’ve offended Chang Wei for me, it won’t be a loss to your company, will it!” Haoden Ye looked embarrassed.

Simen Holander laughed at this and shook his head, “Of course there’s no loss, there’s still help! Chang Wei is a big worm in our Holander’s Group, but his father was my father’s right-hand man who fought the world back in the day, and my father couldn’t bear to take care of him, so thanks to you, I was able to do something about him this time!”

Haoden Ye was relieved to know that Holander’s group didn’t suffer any losses due to the damage.

“By the way, is sister-in-law coming to discuss business with Chang Wei today?” Zyden thought of Maya Shen.

“Yes!” Maya Shen also remembered this matter and was slightly disappointed.

She had thought that this business with the Holander’s Group was considered a done deal, but she had never thought that Chang Wei would hit on her own idea.

“Oh?” The corner of Zyden’s mouth waved a strange smile and looked at Haoden Ye before he said, “How much does Chang Wei plan to invest in your company?”

Hearing him ask, Maya Shen’s heart rekindled hope and quickly said, “One hundred million!”

“Yes! I’ll invest a billion dollars in your company!” Almost without hesitation, Zyden spoke.

Hearing this, Haoden Ye and Maya Shen both turned pale.

“Four...billion!” Maya Shen stared, the company’s business development is very fast, but a billion is a bit too much, almost 80% of their company’s shares can be bought!

“Hon, that’s a little too much!” Although Haoden Ye also wanted Zyden to be able to invest in Maya Shen’s company, one billion was indeed a bit too much.

“Oh! A billion is not even me to our Holander’s Group, I trust Brother Ye, and of course I trust my sister-in-law!” Zyden winked at Haoden Ye.

“Thank you, Holander!” Maya Shen’s cheeks were slightly red from excitement, “I’ll immediately go back and inform the people in the company to make a set of plans for you tonight overnight!”

After saying impatiently, he stood up and walked out, reached the door and suddenly turned his head to Haoden Ye, “Haoden Ye! Tonight...go home and rest!”

After Maya Shen left, Haoden Ye said to Zyden, “Holander, it’s also true that this money is a bit too much!”

“Hehe, it’s really a bit much, so we definitely don’t take a penny of it from the Hong!”  
Zyden turned into a traitorous face again, “Of course this billion is taken from the one billion you invested in our Holander Group! Technically, you’re your wife’s boss now!”
