

he Best Son in Law Chapter 57 – 59

Chapter 57

Putting down the phone, Haoden Ye carefully thought about it.

He had offended quite a few people himself, and he couldn't figure out whether it was Sun Yuxuan's people or Master Aggie, or Lawyer Liu's people.

But there were people watching over at the restaurant, so he didn't have to worry, while Robert Shen was at school, it would be hard to find trouble with him, and the rest was Maya Shen.

She was the director of the business department, and she was usually running around outside the company.

Haoden Ye quickly gave Maya Shen a call, and after the call was answered, Maya Shen's angry voice came out, "If you want to apologize, you'd better go apologize to my parents!"

Haoden Ye couldn't be bothered with this single matter with her at this point, and quickly said, "Maya, you're in danger now, can you not go to the company these days!"

When Maya Shen heard Haoden Ye say this, she was immediately furious, "Haoden Ye, you're getting too much, can't you honestly apologize? How dare you tell such a lie!"

Once Haoden Ye heard that she had misunderstood herself, he became anxious and quickly said, "What I said is true, someone just sent me a letter saying that you are in danger!"

“It’s ridiculous, there are people who send you letters, who do you think you are?”

Maya Shen got angrier and angrier, and finally her tone was final: “Haoden Ye, I didn’t think you were this kind of person, I don’t want to talk to you now!” After saying that, he hung up the phone.

Haoden Ye laughed bitterly for a while, thinking in his heart to secretly follow Maya Shen tomorrow.

There are only a thousand days to be a thief, not a thousand days to guard against a thief, how long can you guard against yourself every day?

Making up his mind, Haoden Ye dropped this matter.

And hung up the phone, Maya Shen’s pretty face was still full of anger, humming, “It’s really getting too much, actually making up such things to scare me, I just negotiated a project with that big company, and I’m going to sign a contract tomorrow, and I’m not even allowed to go out!”

He didn’t go home to rest at night, but just rested in the shop.

The next morning, Haoden Ye heartily spent money to buy a cheap suit of clothes and took a taxi to Maya Shen’s company.

When he arrived at the entrance of the company, Haoden Ye sat down at a nearby stall, secretly observing the surroundings to see if there were any suspicious people.

In a short while, he saw Maya Shen’s figure come out of it, straight into the car and go far away.

Haoden Ye hurriedly took a taxi and asked the driver to follow Maya Shen’s car, but helplessly he took too long to stop the car, Maya Shen’s car had already gone far away,

the driver chased very hard, but in a short while there was no trace, Haoden Ye had to call Li Mingsheng to inquire about Maya Shen's whereabouts.

The other company opened its mouth for a project of more than 20 million, making Maya Shen very happy.

And the contract negotiation was also very smooth, the other party directly agreed on the address to sign the contract.

The New Century Hotel is a famous five-star hotel in the city, but also the location chosen by the other party, Maya Shen arrived early, waiting for the other party to come.

"Mr. Shen is here so early!" Soon, a voice sounded from behind, Maya Shen turned her head, and saw a tall young man walking over.

The young man was average looking, dark skinned, and didn't look like he was in business, but Maya Shen had already inquired that his family used to dig mines and only later ran a company.

"Hello, Mr. Zheng!" The company has been in the process of developing the new product for a long time.

The company's main goal is to provide the best service to its customers, and it's also the best way to get the best results.

"Mr. Zheng is over-praised, I've already drafted the contract, let's sign it!" Maya Shen invited General Manager Zhang to sit down and pulled out the contract.

However, Mr. Zheng did not have the intention to sign the contract immediately, instead, he smiled slightly and said, "Oh, there's no need to rush this first, I still want to discuss the details of the cooperation with you, let's order twice as many drinks first."

Usually this kind of time, the opposite side has to take a hold, not the price or contract details to be renegotiated, but the other side deliberately end up on the shelf, Maya Shen is no stranger to this kind of trick, so she had to be patient and order a cup of coffee.

As soon as the coffee was served, a waiter came over and said: "This lady, is that Audi car outside your own? The car may be parked in the wrong place!"

Maya Shen got up quickly after hearing this, thought Zheng said sorry and followed the waiter out.

The company's CEO Zheng smilingly watched her walk away, before he took out a small bag from his pocket and put the blue powder inside the coffee.

This is a very strong drug called Smurf, and after taking it, a person will lose consciousness, but still have the ability to move, like a vegetable at the mercy of others.

Putting things in place, Zheng dialed a number, smiling slightly: "lawyer Liu, things have been done, you find someone to be sent to your room is, things are done for you, my case you can be more bothered ah!"

On the other end of the phone, Lawyer Liu's surprised voice rang out, "Hehe, don't worry Zheng, as long as this woman is in your hands, I'll help you get things done!"

Hanging up the phone, Zheng's face showed a flash of lustful light.

When Maya Shen arrived at the underground parking lot, she realized that the attendant had called the wrong person, and the car wasn't even hers, so she hurried back to the hotel.

"I'm really sorry, the waiter got it wrong!" Maya Shen smiled apologetically and took a sip of her coffee before saying, "What does Mr. Zheng want to talk about?"

“Oh, just talk about what position Shen likes in bed!” Zheng revealed a lecherous smile.

Maya Shen was dumbfounded, thinking that she had misheard, and whirled around feeling as if her body was gradually burning up, and her consciousness began to blur.

“Zheng... Zheng, what did you put in my coffee!”

A huge wave of fear surged through her heart, and Maya Shen looked angrily at Mr. Zheng.

“Oh, just a little Smurf, don’t worry, you won’t remember everything that’s happening now after you wake up!” Mr. Zheng laughed and watched as a drunken look gradually appeared on Maya Shen’s face.

At this time, on the seat next to them, two men stood up and walked over.

“Send it to Lawyer Liu’s room, and don’t forget to videotape him!” Zheng always smiled, glancing at Maya Shen’s seductive body: “Such a beautiful beauty, can’t be cheap, have to let him work for us, but also willing to bar women for us to play, haha!”

The two men also had lustful smiles on their faces as one of them racked Maya Shen up.

Zheng watched them leave and pulled out the Smurf to take a closer look at it for a while before saying, “This stuff is really good, much better than a rape drug.”

Chapter 58

“Brother, this little bitch has a great body!” Inside the elevator, a bald man who was racking Maya Shen laughed hehehe.

“Of course, this bitch is not only pretty, she’s also the director of a big company!” Hehehe, the other short-haired man smiled.

“I’ve heard she’s been married for years and the man is a loser, I wonder if she’s a loser in that area too!” The bald man swallowed his saliva.

“His man must not be able to, or else he’s been married for so many years, why doesn’t he even have children, maybe her man is impotent and this woman is still a virgin!” The short-haired man’s eyes flashed with a greedy light.

“I heard that her man’s name is Haoden Ye, right, and he’s familiar with Sixth Brother of the Road!” The bald man said.

“Cut, mind what Sixth Brother, our Zheng has many connections in the city, are you afraid of them? Besides, if we can’t make it here, we’ll just go back home and dig coal, and it’s worth it to fuck this kind of beauty for once!” The short-haired man smiled heedlessly.

At this time, Maya Shen, who was already unconscious, suddenly said in a daze, “You guys said Haoden Ye, did you guys call here? Why is he doing this to me!”

The two men looked at each other and laughed out loud.

The short-haired man raised his hand and patted Maya Shen’s cheek with a lecherous smile, “Yes, we are the ones your husband found, this will take you to see your husband, married for so long without children, your husband is anxious!”

With this shot of his, Maya Shen sobered up a bit, suddenly realizing what was happening.

Not knowing where to get the strength, Maya Shen violently pushed the bald man away.

The bald man hadn't used too much strength and staggered back a step by her push.

"Haha, you piece of trash, you can't even stand up to a little pussy!" The short-haired man didn't think that Maya Shen could escape and laughed making fun of the bald man.

The bald man had a look of shame and anger on his face and grabbed Maya Shen's hair.

The pain in her head made Maya Shen wake up a little bit again, she usually had studied women's fighting arts, especially how to fight back when she was grabbed by the hair.

Maya Shen slammed an elbow backwards, hitting the bald man right in the crotch, the bald man's crotch was in severe pain, and he was crying out in pain.

At this time the short-haired man also sensed that something was wrong, and hurried forward to try to hold Maya Shen, Maya Shen reacted very quickly, and another heavy punch to the short-haired man's jaw big.

In fact, if it is a normal situation, Maya Shen is no opponent of the two men, but because she is not taking the drug, but the drug of mental stimulation, once she regains consciousness, her strength is also a little bit more than usual.

Plus, the two men didn't take her as a girl seriously, so the punch was also very strong.

But the short-haired man was already strong, and the punch didn't hurt him when he took a step back.

However, just at this time, the elevator door opened and Maya Shen rushed out in a hurry.

She only knew how to run forward, shouting for help as she ran.

This was the hotel's accommodation floor, and the guests who heard the noise opened the door to look, and those who wanted to help were stared back by the threatening looks of the bald man and the short-haired man.

Maya Shen ran to the window ledge and watched the two men approach with a sneer, thinking of what was about to happen, she bit her teeth and flipped over and jumped from the window.

This was the fourth floor, there was no way to live by jumping down.

The two men were shocked, and it was already too late to grab her again.

"This is bad, big brother, how are we going to explain this to Mr. Zheng!" The bald man looked panicked.

"I can't believe this bitch is so stubborn, it's just playing with her, is it a crime to risk your life?" The short-haired man also clenched his teeth and said viciously, "But don't worry, Zheng will help us settle it, this woman's father is a classroom, her mother runs a restaurant, her husband is a loser, and there are no powerful relatives in the family."

Hearing his words, the bald man only calmed down and said with a pity face, "What a pity to die, I still want to have fun with this woman."

The two men turned around with a regretful face, but they saw that at some point, there was a man standing behind them.

"Get out of the way, in the way to make you look good!" The bald man glared viciously at the men, but the men didn't flinch in the slightest, instead they looked cold.

"You killed her!" The icy voice came from the man's mouth.

“Hey, here to fight injustice!” The short haired man raised his fist and shook it in front of the man’s face, he smiled, “You know who I hang out with? Taiyo Group’s Wei Zheng!”

“We were just trying to play with this woman, what does it matter to us if she jumps down on her own without a life, you don’t see how you can sue us!” The bald man smirked proudly.

“You kill them, I want you dead!” As soon as the bald man’s voice fell, the man suddenly moved.

Like lightning, his fist struck the bald man’s abdomen hard.

The bald man had a feeling of a broken liver and crouched down with his stomach covered, falling to the ground and screaming.

“You... what are you doing!” When the short-haired man looked at the situation, he was instantly afraid and pointed at Haoden Ye, “Do you know how powerful the Ocean Group is? That’s a private enterprise supported by the state, if you dare to attack me, Mr. Zheng will definitely want you dead!”

The man, as if he hadn’t even heard him, slammed a left hook into the short-haired man’s cheek with one hand, and the short-haired man threw his body far away with a cry of pain.

“I’m going to kill you!” The man didn’t care that the two people on the ground had been seriously injured, and kicked them hard.

Fists and footprints fell on the two people like rain, screams continued, and finally the two people directly fainted from the pain.

Only then did the man slowly head downstairs....

Outside the building, Maya fell on the ground, a big puddle of blood under her delicate body, Haoden Ye walked to Maya, tears slowly flowed out.

He managed to find out from Li Mingsheng where Maya was, and rushed over, and saw Maya jump down from the building.

Haoden Ye hurriedly ran to Maya, wanting to grab her floating out soul, but it was too late, Haoden Ye saw Maya being taken away by two strange figures.

At that moment, he completely lost his mind and ran upstairs....

At this time, Maya Shen was completely lifeless, even her soul was gone.

“Quickly call the police, save the people!” A few people poured out from inside the hotel, surrounding Haoden Ye and Maya, in a mess.

Haoden Ye squatted down and just hugged Maya Shen.

Married for a few years, this was the first time he was hugging his wife, she wouldn't be angry now, because she couldn't feel it at all.

“I want to save her!” Haoden Ye cried like rain, while looking inside his dantian, he said to the koi.

Inside the dantian, the red bubble jumped slightly, then a sentence surfaced in Haoden Ye's mind.

Chapter 59

“Against all odds, fifty years of life is lost!”

Haoden Ye was shaken and understood that this was the price of using a red bubble.

From white to orange, there was no cost, but this red bubble was the only one that required him to pay the price of his life.

“Save her!” Haoden Ye didn’t hesitate in his heart.

“After using it, the lifespan is only three years left!” In the back of my mind, a voice once again floated.

“Save her!” Haoden Ye suddenly raised his head and roared to the heavens!

When the people around saw this scene, they couldn’t help but reveal astonishment on their faces, and some young girls couldn’t help but shed tears already.

The sad look on Haoden Ye’s face touched everyone.

Let just at this time, the red bubble inside Haoden Ye’s dantian disappeared, and the surrounding gale was strong!

The icy coldness permeated everyone’s body, making everyone unable to help but feel a stir.

“What’s going on, why does it feel so cold even though the temperature hasn’t changed?” Someone couldn’t help but let out a surprised sound.

But they couldn’t see it, at this moment, a blue mist floated on the ground, three silhouettes slowly floated up, one of them was Maya Shen, while the silhouettes on either side of her were hidden in the blue mist, looking at the outline, they should be bull heads and horse faces.

“Haoden Ye!” Maya Shen was being held by two terrifying figures, full of fear: “Help me! Help me!”

“Hehe, little girl, don’t you worry, this kid is trading fifty years of life for your life!” In the mist, an icy voice.

“What!” Maya Shen was shaken, her eyes gradually gathering tears, “You... you traded your own life for mine?”

“I’ve been on duty for so long and I’ve never heard of anyone being able to ask for someone from the King of Hell, hehe, today is an eye opener!” Another icy voice sounded.

“Why are you talking so much nonsense, hurry up and save her!” Haoden Ye was thrilled to see Maya Shen again, and hurriedly addressed the two silhouettes.

The two silhouettes let out a sneer, then pushed at the same time, and Maya Shen’s soul returned inside her body.

“Kid, is this worth it? When she returns to her physical body, she’ll forget what just happened and won’t believe that you saved her with fifty years of her life!” The cold voice sounded again.

Haoden Ye held Maya Shen’s cheek, a faint smile on his lips, “I don’t need her to remember, just as long as she can return to me again!”

“Haha! It’s kind of funny, Yama has a generous gift for you!” Suddenly, amidst the blue smoke, a green lightning bolt struck Haoden Ye’s body.

Haoden Ye’s body was in severe pain, as if his internal organs had been disturbed.

“Fifty years of life loss, you are a heavenly calamity against the heavens, this pain at this time is the punishment given to you by the King of Hell, these three years, you will live from the pain!” The two silhouettes slowly disappeared, along with their voices also gradually fading.

Haoden Ye covered his chest, the pain making him almost faint.

“Haoden Ye!” It was at this time that Maya Shen slowly opened her eyes.

Hearing Maya Shen’s voice, the surrounding people made incredulous noises, some of them were the ones who saw Maya Shen fall down from the building.

“It must be the heavens pitying this pair of lovers!” A girl was already crying out.

“Maya, you’re finally awake!” Haoden Ye instantly forgot about the pain and merely hugged Maya Shen.

“You bastard!” Maya Shen’s eyes were cold and fiercely raised her hand to slap him, her eyes filled with hatred, “I never thought you’d be this kind of person! How dare you try to get me in this way!”

Haoden Ye was blinded by her beating and looked at Maya Shen dumbfounded.

It turned out that although Maya Shen couldn’t remember what happened to her soul just now, she still remembered the conversation between the bald man and the short-haired man that she heard in the elevator.

She thought that it was Haoden Ye who had arranged this, after all, his relationship with Sixth Brother was clear to Maya Shen!

“Muah, you’ve misunderstood, not me!” Haoden Ye wanted to explain, but the severe pain in his body made him lose his strength to speak.

“From now on, I never want to see you again!” Maya Shen’s face was icy cold, and she clenched her fist fiercely, “I’m going to divorce you tomorrow, and if you dare to come near me again after that, I’ll let you go to jail!”

Haoden Ye’s body was shaken, and his heart was filled with thoughts.

“Just! I’m not going to live much longer anyway, and I’m only going to live out the rest of my days in pain, so why delay her?” Haoden Ye wanted to say the price he paid for saving her, but would Maya Shen believe him if he said it?

I’m already a dying man, so don’t continue to make her dislike me!

“Be careful yourself, that Zheng is not a good person!” Haoden Ye endured severe pain, slowly stood up and turned around.

He didn’t want Maya Shen to see his pain, and his pace was very fast.

This change caused the people around him to reveal a puzzled look.

“This lady, how could you do this, your life was in danger just now, you don’t know how sad he is!” Someone in the crowd couldn’t see past it and angrily addressed Maya Shen.

“Yeah! You jumped from such a high place, you were going to die, and it’s all because this man’s deep love for you touched the heavens that you lived!” Some girls also started to fight for Haoden Ye.

At this time, Maya Shen also calmed down and was surprised to see the high floor.

How did she not die when she jumped down from such a high place? And not only is it not dead, there’s not even any pain in the body!

“What’s going on here?” Maya Shen was wondering in her heart.

Just at this time, a furious shout came out, “Get out of the way, we are the police!”

The crowd got out of the way, and General Manager Zheng came over with two policemen.

When Maya Shen jumped down the stairs just now, Mr. Zheng already saw it, and he hurried over to check, just in time to see Haoden Ye let go of Maya Shen’s body and ran upstairs.

Mr. Zheng immediately thought that his men had messed up, and contacted his connections in the police station first, while going upstairs to understand the situation.

When he saw his people were beaten by Haoden Ye, he immediately complained to the wicked, saying that Haoden Ye and his people clashed, and Maya Shen was accidentally pushed down the stairs by Haoden Ye, anyway, he had money, and it’s not easy to buy a witness?

He just didn’t expect that when he brought the police over, Maya Shen would wake up again.

“This lady, may I ask what your relationship is with that man who just beat up General Manager Zheng’s men, we need to bring him back to the police station to understand the situation!” The policeman who was called by General Manager Zheng didn’t know the situation and immediately asked when he saw Maya Shen.

“You said that Haoden Ye beat up General Manager Zheng’s men?” Maya Shen was shaken and stunned.

“It was your husband who beat up my people, I saw it with my own eyes, you and my people got into a fight, and your husband injured my people and backed you down the

stairs by mistake!” Zheng’s brain reacted very quickly and immediately accused the wicked first.
