## Chapter 513

However, Mark's pace did not stop.

Han Hai finally frowned, raised his face, looked at Mark ahead, and said in a deep voice: "One million!" "This is my last limit."

"Mark, I advise you, don't be a human being. Be greedy and good."

"If you see it well, just accept it."

"Otherwise, you won't get more, maybe you won't get this million now."

Han Hai obviously has no patience anymore, looking towards Mark's eyes were also full of disgust and anger.

He did not expect that Mark would be so greedy.

A poor man in the country, he thought that at most 500,000, he would have to agree.

Unexpectedly, he has now been driven to a million.

“This guy has a lot of insight into people’s hearts. He has eaten up my eagerness to let him leave Helen.”

Han Hai’s face was gloomy, and he thought to himself.

But Mark’s greed has made him extremely unhappy.

He has already decided that if this guy is too small for a million, then there is no need to talk.

If Mark entangled Helen Qiu again in the future, he would hire a few people to beat him up. Knowing that it hurts, he would naturally retreat.

Just after Han Hai gave Mark an ultimatum, Mark’s forward footsteps finally stopped.

Upon seeing this, Han Hai sneered and laughed.

This country dick, the righteous words just said, are not tempted now?

“Mark, that’s right.”

“You are a poor boy in the country, I’m afraid you won’t make a million in your life.”

“Take the money, go back to your country, and just find a village woman to marry you. Okay.”

“Helen isn’t something you can covet for a silly waste?” “You are not worthy of him.”

“She deserves better care.”

Han Hai smiled faintly, and the words were full of Mark’s. Disdain and contempt.

“The one million, I will hit your card in two days.”

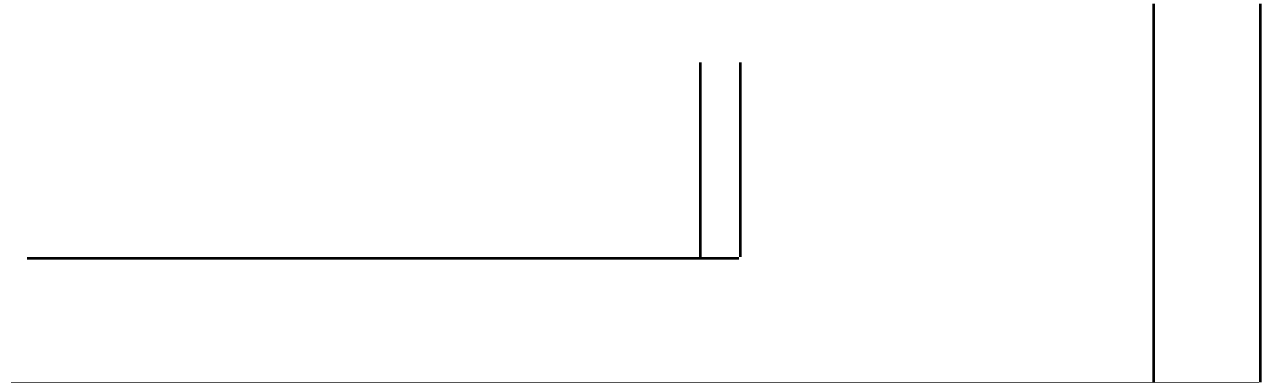

“After you get the money, just get out.”

“The countryman, you should go back to the country. The city is not where you can stay.”

“However, I have to remind you in advance. After you get the money, if you dare to pester Helen for the slightest bit, by 8c28288f, it will be more than just a loss of money.”

“Do you understand?” The high-pitched tone seemed like Contempt an ant.

Mark turned his back to him, listening to Han Hai's words at this time, Mark shook his head and smiled.

"Boy, what are you laughing at?" "What qualifications do you have to laugh?" "A poor and incompetent son-in-law in the country, you still have a face to laugh?" Mark's laughter made Han Hai very unhappy. That kind of feeling is like being mocked by Mark.

It's just that, if he is useless, what right does he have to laugh at him Han Hai?

"What am I laughing at?" "I laugh at you with no eyes, laugh at you but don't know a real person!" "To me, what is a million and ten million?" "Even Jerom Sun, who has a wealth of wealth, never My eyes of Mark!" "As for you, I respected you before because of Helen's face. If it weren't for Helen, what kind of thing is your Han Hai in my eyes?" Mark said. Haughty, full of ice cold.

Every time he said something, Mark stepped forward, trembling with his body.

The thin body is like a spear standing upright, and the words of anger are like thunder.

The sonorous words, the majestic words, wreak havoc on the world.

Under Mark's anger, there was a violent wind rolling by Trivan Lake.

The water of the vast lake was rustling with three thousand fallen leaves.

Mark's momentum is too strong.

At this time, Han Hai, with his old face pale as paper, facing Mark's surging power, the whole person was so scared that he subconsciously took three steps back.

Because of the horror, Han Hai's eyes widened.

He couldn't believe that this aura was released from the son-in-law Mark.

That feeling, as if standing in front of him, not an incompetent son-in-law, but a majestic mountain!

"As for you, I used to respect and respect you because of Helen's face. If it weren't for Helen, what kind of thing is your Han Hai in my eyes?" Mark spoke proudly and his eyes were cold.

Every time he said something, Mark stepped forward, trembling with his body.

The thin body is like a spear standing upright, and the words of anger are like thunder.

The sonorous words, the majestic words, wreak havoc on the world.

Under Mark's anger, there was a violent wind rolling by Trivan Lake.

"As for you, I used to respect and respect you because of Helen's face. If it weren't for Helen, what kind of thing is your Han Hai in my eyes?" Mark said with pride and icy eyes.

Every time he said something, Mark stepped forward, trembling with his body.

## **Chapter 514: Idiot**

The cold wind is bitter and the water waves are rippling.

Mark's sorrowful voice still echoed.

He stood proudly and sneered.

A pair of cold eyes, like a king looking down on the world, the domineering and majestic voice continued to explode.

“Well frog can’t talk to the sea, how can Xia Chong talk to ice?”

“However, you will soon know what kind of existence is standing in front of you at this time?” Markzhi’s voice, only if the golden stone fell on the ground, Here the world is clanging.

After speaking, Mark no longer stayed 15239739, Dang Even turned and left.

Only behind him, there was a silent depression and a panic-stricken Han Hai.

Han Hai’s heart began to shake at the sight of the thin back.

Could it be that they really underestimated Mark?

After a long time, Han Hai’s trembling heart slowly calmed down.

At this moment, recalling the previous scene, he suddenly cursed.

“What can a stinky kid in the country have?” “If he is really good, he will join the Zuoqiu family and become a son-in-law?” It’s really a big tone!” “It’s like an idiot!” Han Hai cursed in a low voice, obviously thinking that Mark was talking nonsense just now.

After all, the fact lies here. If Mark really has the ability, he wouldn't have been a tedious son-in-law in the Qiu Family for three years.

"What kind of existence is there?" "I think it's a silly existence!" Old Han Hai returned to The Twinfill with a gloomy face and a stomach of anger.

"Dad, what's wrong with you?" Alina and the others who had been waiting at the door saw their father's face so ugly, and asked immediately.

"Why, it's not because of that wasteful waste! I don't have the ability to fart, and the bones are quite strong, and the tone is not small!" In anger, Han Hai simply told Alina and Jerom Sun what had just happened.

When Alina heard this, she was immediately anxious: "What?" "Dad, are you going to give that poor dick a million?" "Are you crazy?" "He is poor in the country, how can he be worthy of giving so much money? "I'm not afraid of him pestering your sister."

Han Hai shook his head and said.

"He dare? At that time, if he dares to entangle, we will ask someone to interrupt his dog legs!" Alina said viciously.

Jerom Sun also smiled and said at this time: "Uncle Hai, it makes you bother. But a small character is really not worthy of your treatment."

"It won't take a minute for him to divorce Helen and pinch him to death. "Okay, let's not mention him. Let's go in."

“The dinner is about to begin.”

Jerom Sun didn't want to talk about Mark anymore. From the beginning to the end, Jerom Sun didn't take Mark seriously. .

In his eyes, Mark is at best a clown. If it weren't for Helen Qiu, Jerom Sun was afraid that he would have taught Mark privately.

“Well, let's go in.”

“This time I will take the light of Jerom and go in to meet the world.”

When I thought of seeing Mr. Chu up close, Han Hai and others were also very excited, and Alina even took out makeup. Cotton patched up her makeup, thinking in her heart that if she was favored by Mr. Chu, she would become Mr. Chu's woman?

At that time, Alina, isn't she the queen of Noirfork?

Under one person, above tens of thousands!

## Chapter 515

This dinner with Mr. Chu, although Jerom Sun himself bought it for more than 200 million Dollar.

However, after getting the permission of Li's second child, Jerom Sun can also bring two people to the banquet.

Of course, the two people Jerom Sun was carrying could only watch and listen at the dinner, but could not speak.

Before, Jerom Sun had planned to invite Helen Qiu to a banquet, but unfortunately, Helen Qiu refused to come, and these two chances of accompany naturally fell on Han Hai and his daughter.

At this time, outside the The Twinfill, various furnishings have been renovated.

The brand new red carpet spreads from the entrance of the restaurant to the lobby, with flowers on both sides and colorful balls fluttering.

More than a dozen courtesy ladies with outstanding looks in cheongsam are already standing on both sides of the road, with red lips and teeth, and their faces respectful.

With such a grand posture, Han Hai and others couldn't help being flattered.

But whether it is Han Hai or Jerom Sun, they are actually very clear.

In fact, most of today's battles were directed at Mr. Chu.

After all, no matter how strong his Jerom Sun's background is, he can't compare to the leader Li second of Wrilfill.

If only to greet him, Ericson Li certainly wouldn't spend so much time and effort.

"It's Mr. Chu~" "Just one dinner, Wrilfill Ericson Li treated it so solemnly and greeted me grandly."

"The whole Noirfork, I'm afraid it's only Mr. Chu alone, right?" Han Hai sighed again and again. , Alina's eyebrows were even more envious, and even Jerom Sun respected the famous Mr. Chu Noirfork.

Between the three trembling, the two brothers Jinbao Yinbao came over and greeted respectfully: "Mr. Sun, are you here?" "Mr. Chu, Second Master, they will be there soon, please wait a moment. "The dinner party is already ready."

“Now wait for Mr. Chu to arrive, and the banquet will start immediately!”  
“Why don’t you go upstairs and wait during this time?” “No need to trouble.”

Jerom Sun He shook his head, and then replied with a smile, “I am here with everyone, waiting for Mr. Chu to come.”

“Here, you can see Mr. Chu’s true face as soon as possible, why not do it?” “Yeah. Then follow Mr. Sun.”

Seeing that Jerom Sun insisted, Jin Bao and Yin Bao did not reluctantly, and did what he wanted.

At this time, many people gathered at the entrance of the restaurant.

Most of them were the high-level leaders of The Twinfill, as well as Shen Jiuyi, the head of the Shen family. Almost everyone who could stand here to greet Mr. Chu together at this time was a person of extremely high status under Li’s second hand.

At this time, Shen Jiuyi and others were all in formal wear, standing in front of the restaurant, waiting patiently.

“Brother Jerom, why isn’t Mr. Chu coming?” “He won’t have anything to stop, right?” Alina, perhaps because of nervousness, looked around from time to time to see if the legendary Mr. Chu came.

But after waiting for more than ten minutes, neither Ericson Li nor Mr. Chu arrived late.

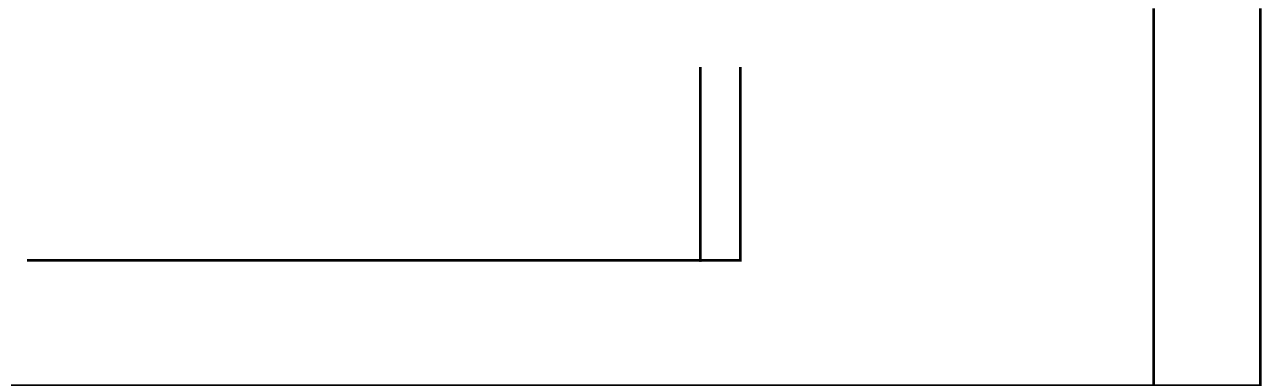

“Impossible.”

“Even if Mr. Chu is 4f0c2cb2 Mr. Chu, it is impossible not to come to a dinner that was bought for two hundred million.”

“Otherwise, it will hurt, but his reputation and credibility.”

Jerom Sun shook his head, sinking. Echoed.

And just as they were talking, a car suddenly rang outside.

Immediately afterwards, the car door opened, and an old man with a bloated and rich posture got out of the car.

The eyebrows are full of prestige, even when surrounded by the crowd, they move forward.

“Er Ye, you are here.”

Seeing Ericson Ye's arrival, Shen Jiuyi, Chairman of the Shen Group, Peng Zhenying, Chief Executive of The Twinfill, and others stepped forward to respectfully greet Ericson.

## Chapter 516

Ericson waved his hand, indicating that there was no need to say more, and he was ready to meet Mr. Chu.

Afterwards, Ericson said solemnly facing everyone.

“Sorry for keeping everyone waiting.”

“First of all, let us welcome Mr. Sun. We got this once-in-a-lifetime opportunity and got the chance to have dinner with Mr. Chu.”

“After tonight, when the people in Noifork mentioned it. When Mr. Chu was born, Mr. Sun's name would surely be remembered.” “In the future, when we write about Mr. Chu's life and deeds, I believe that Mr. Jerom Sun's name will also leave a strong mark in it.” Li Two majestic voices echoed in this world.

For a while, everyone present applauded.

Amidst the warm applause, Jerom Sun smiled proudly and waved to everyone.

Soon, the applause stopped, and Ericson continued to talk.

“Well, not much to say, it’s already seven o’clock in the evening.”

“Now, let us welcome Mr. Chu’s arrival with warm applause!” Wow~ For a time, there was thunderous applause.

The atmosphere of the entire restaurant exploded almost instantly.

Everyone looked up one after another, especially those who had never seen Mr. Chu’s true face, were even more excited.

Delusional to find the figure of Mr. Chu from the crowd.

Jerom Sun’s heart was beating violently because of tension.

Alina’s pretty face flushed with excitement, even Han Hai’s old face was trembling slightly.

They all want to see, what kind of person is Mr. Chu, who is famous in Noirfork?

However ~ one second ~ two seconds ~ a full minute has passed, and there is still no response.

When everyone saw this, their hearts sank.

Could it be that Mr. Chu really didn’t come?

Finally, at this moment, in an unobtrusive corner, a thin figure stood up.

Then, heading in the direction of Ericson et al.

“Huh?” “That’s...”

As this figure stood up, for a moment, everyone in the restaurant looked over.

Jerom Sun and Alina are naturally no exception.

However, when they saw the figure, their eyes widened!

“Yes... Ye...

Mark?

“Damn, this f0f2dd54 is useless!”

“He’s crazy, what is he doing?”

“Does he really think he is Mr. Chu?”

“Idiot?”

“You are a country dick, a door-to-door son-in-law, and you have the courage to pretend to be Mr. Chu, and you can’t die?”

“Alina was almost frightened. She never thought that Mark would have such courage to pretend to be Mr. Chu in front of so many powerful and powerful men?”

“Aren’t you going back soon?”

“You want to kill the Qiu family?”

“You’re looking for death, don’t hurt Helen?”

“Han Hai also cursed, his old face trembling, and his old eyes were almost bloody red by Mark. Mark’s life and death has nothing to do with him. But the point is that he and Helen Qiu have not yet divorced. Han Hai is really worried, Ye Anyone who makes trouble like this and does not know how to provoke Ericson Li will be implicated in Helen Qiu, and in the end even the Han family! How can Han Hai not be angry when he thinks of this, how can he not be surprised? moron!

“Sure enough, he is a countryman, a idiot who only has strength but no brain!

“I care about Helen, so I dare not attack you.”

But Ericson Li did not have so much scruples.

“This idiot is so messing up, he is looking for his own death~” Jerom Sun sneered, looking at Mark’s back, his eyes full of disdain and sarcasm. Looking at him, just look at the idiot!

Han Hai was really worried that Mark was so troubled, knowing that he did not know how to anger Ericson Li, and Helen Qiu would be implicated, and even their Han family would be implicated in the end!

Thinking of this, how could Han Hai not be angry, how could he not be surprised?

“What a brain-dead!” “Sure enough, I’m a countryman, a idiot who only has strength but no brain!” “I care about Helen, so I dare not attack you. But Ericson Li and the others don’t have so much care.”

“This An idiot is making trouble so much, he is looking for his own death~” Jerom Sun sneered, looking at Mark’s back, eyes full of disdain and sarcasm.

Look at him, just like an idiot!

## **Chapter 517**

However, Mark turned a deaf ear to the scolding from Han Hai and others.

He was expressionless, his expression was bitter, and he stepped forward with the domineering domineering attitude.

The low footsteps on the stone steps, the reverberation brought by it, is shaking the world!

“Crazy~” “This guy is crazy!” “A whole idiot!” “He was willing to kill Helen~” Han Hai’s eyes were red, and he roared angrily.

Alina also cursed angrily.

Jerom Sun looked at the security guard outside the door and angrily said: “What about the security guard, what can you do to eat?” “Hurry up and drive that idiot down!” Jerom Sun scolded the three angrily, while the others around did nothing. They all looked at the young man stepping up the steps in front of them.

Some people were puzzled, some sneered and shook their heads, some were silent, and some scolded.

Obviously, in the eyes of many people, the person in front of him is a messy clown.

After all, how could a figure at the pinnacle of Noifork power be so young?

How could it be possible to dress so casually, even a little shabby.

In this way, under the conquest of many people, the security guard outside the door really ran up, preparing to subdue Mark, and then drive out of The Twinfill.

However, at this time, a rich and powerful person in front of Mark stepped out, clasped his fists in both hands, and bowed to Mark: “Mr. Chu!” Huh?

At this moment, the audience stopped immediately.

Han Hai’s and others were even more startled.

This...this...what the hell is this?

## Chapter 518

Alina was stunned in place, her body trembling, her pretty face pale.

Her red lips were wide open, because of shock, Alina almost forgot to breathe.

A pair of beautiful eyes, staring fiercely, fiercely looking at the figure in front of him who is stepping up to the sky.

After a long time, only one murmured whisper.

“Ye... Mark, Chu... Mr. Chu?” “This...

how can that be?

“Alina whispered. Suddenly, Alina felt that all her strength had been taken away from her body, and then her body trembled, with full of panic and astonishment, she lay directly on the ground. Not only Alina, but aside. The whole person of Han Hai was struck by lightning. Especially when he saw Ericson, Shen Jiuyi and other countless dignitaries, all worshipping Mark and respecting him as Mr. Chu, at that moment Han Hai only felt that the whole person was He was dumbfounded, his brain was blank, and there was a stormy sea in his heart. He did not expect

that an incompetent son-in-law who came from a poor background and came to work as a son-in-law would have such a monstrous identity behind that seemingly useless? Mark, whom they looked down upon before, turned out to be, Mr. Chu? Until now, Han Hai finally understood why Mark would say those things to him before Trivan Lake? He was very curious, why Ye Where a village turtle, an incompetent son-in-law, despised the Sun family, despised Jerom Sun, despised everyone. It turned out that this is his confidence. Just as Mark said before, at this moment, Han Hai finally understands what he despised at the beginning. What kind of existence is a man? For a while, Han Hai's heart was full of loss and self-deprecation. He tried hard to get Helen Qiu to marry Jerom Sun, nothing more than to get close to a wealthy family and a big man. Now he understands that the real big man has always been by their side, and has always been his nephew and son-in-law. Irony, great irony. Han Hai has counted everything, but he didn't think that it would end up like this in the end. Lian Han This is the case with both father and daughter Hai, let alone the Jerom Sun on the sidelines. If it is said that the people present were hit hardest, not Alina, let alone Han Hai, but the young master of the Sun family, Jerom Sun! At this time, Jerom Sun, A pair of pupils, staring at Mark in front of him, his eyes are red, his canthus is cracking, and his whole body is shaking. No one can understand Jerom Sun's current state of mind. Is it tremor, frustration, or sadness? Jerom Sun dreams. Unexpectedly, Mr. Chu, who he most admires and regards as a role model and idol, would be Mark? Is he the most disdainful and abominable countryman, incompetent son-in-law? The two different identities are the same. People? He spent 200 million, just to eat with his most despised scumbag?

The greatest absurdity in life is nothing more than this!

Jerom Sun laughed, the laughter was bleak, like fallen leaves in the autumn that no one cares about, and like the remnant snow piled up in

the corner of the winter day, the laughter was full of self-deprecation and frustration.

“Mark, Mr. Chu?” “Hahaha~” “Mark, Mr. Chu?” “Haha~” ..... Jerom Sun staggered, smiled sadly, his brows were already red, and he looked so dull. At the admired man ahead.

At that moment, Jerom Sun only felt that life had made him a huge joke!
