

Chapter 591 – 592 of A Dish Best Served Cold Novel

Chapter 591

Now, it is the lunch break.

Everyone in the company also went to eat after get off work, and the entire office building was instantly empty.

There are only a few people left, either waiting for takeaways or eating the lunch brought from home in the morning.

“Ms. Qiu, this is salmon.”

“This is ribs.”

“There is also chicken soup~” “I specially let our nanny cook it. I don’t know if it suits Mr. Qiu’s taste?” In the room, Zhang Zhengfu said The food was placed on the table for Helen Qiu, and she said with a smile.

Helen Qiu kept saying thank you: “Manager Zhang, I can do the rest by myself. You can go ahead and do your business.”

“Mr. Qiu, I’m fine. I’m almost done with work. The only thing I have now is to accompany Mr. Qiu to eat.”

Manager Zhang said with a smile.

“This...”

Helen Qiu raised her eyebrows without a trace, but they were all colleagues of the company, and the man in front of him was the son of the company’s veteran Zhang Xiaosong. Even if Helen Qiu minded, she was not embarrassed to rush him away. .

But Zhang Zhengfu was sitting on the side, quietly looking at the woman in front of him, his eyes full of obsession.

Ever since he first joined the company, he was fascinated by Helen Qiu’s breathtaking beauty.

During this period of time, Zhang Zhengfu had been observing Helen Qiu secretly, and found that Helen Qiu was alone whether he was going to work or leaving get off work.

So Zhang Zhengfu was sure that Helen Qiu must be single.

Therefore, he made up his mind and prepared to launch an offensive against Helen Qiu.

If he could catch these women, Zhang Zhengfu felt that he would have no regrets in his life.

“Mr. Qiu, this meal...

“However, just when Zhang Zhengfu was about to find something to chat with Helen Qiu, suddenly the door of the office was pushed open. Zhang Zhengfu was startled, and when he looked back, he saw only one dress. A casually dressed man came in carrying something. Zhang Zhengfu was angry when he saw it. “Where is the bastard?

“Didn’t you see me and Mr. Qiu having dinner?”

“Do you dare to break in without knocking?”

“What about the security?”

What kind of people do they eat, and put them in the company?

Zhang Zhengfu reprimanded angrily. Mark frowned when he saw the man in front of him. But he ignored him, but looked at Helen Qiu on the side: “Helen, I...”

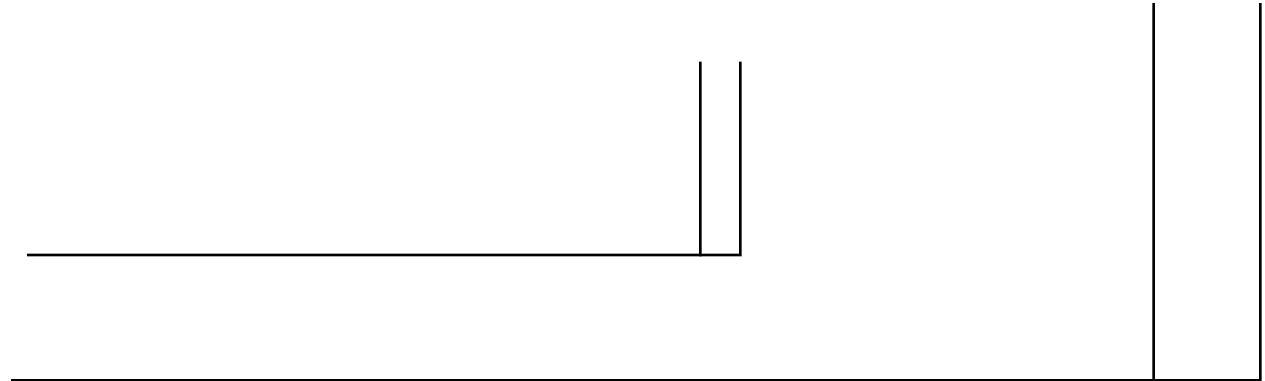

“Audacious!”

“Ms. Qiu’s boudoir name, you can call it directly?”

“Zhang Zhengfu angered again, but he interrupted Mark’s words directly, and then Zhang Zhengfu calmed Xiang Helen Qiu with concern, “Mr. Qiu, don’t worry, no one can hurt you with me.”

When Mark heard this, he seemed to have understood some things, and suddenly smiled: “This brother, I’m afraid I will disappoint you.

As for me, not only can I directly call your boss Qiu’s boudoir names, and even go home at night, I can also eat the food your boss Qiu cooks.

Even the clothes on my body were bought for me by Mr. Qiu, and they were washed by Mr. Qiu if they were dirty.

“Furthermore, at night we will share the bed and rest in the same room.

“In addition, you, Mr. Qiu, are still planning to give birth to a son for me, to inherit my family from the Ye Family?

Mark seemed to be deliberately mad at Zhang Zhengfu, and he smiled meanly while talking. Looking at Zhang Zhengfu, he was full of contempt and joking.

“Presumptuous!”

“Ms. Qiu’s boudoir name, you can call it directly?”

“Zhang Zhengfu angered again, but he interrupted Mark’s words directly, and then Zhang Zhengfu calmed Xiang Helen Qiu with concern, “Mr. Qiu, don’t worry, no one can hurt you with me.”

When Mark heard this, he seemed to have understood some things, and suddenly smiled: “This brother, I’m afraid I will disappoint you.

As for me, not only can I directly call your boss Qiu’s boudoir names, and even go home at night, I can also eat the food your boss Qiu cooks.

Even the clothes on my body were bought for me by Mr. Qiu, and they were washed by Mr. Qiu if they were dirty.

“Furthermore, at night we will share the bed and rest in the same room.

“In addition, you, Mr. Qiu, are still planning to give birth to a son for me, to inherit my family from the Ye Family?

Mark seemed to be deliberately mad at Zhang Zhengfu, and he smiled meanly while talking. Looking at Zhang Zhengfu, he was full of contempt and joking.

Chapter 592

“Nyma shit!” Zhang Zhengfu’s eyes were red when he heard this.

He stood up with a squeeze, his whole person was almost mad.

There is only one in my heart, the anger of my goddess being desecrated!

“Where’s the idiot?” “Foul talk, nonsense!” “Same bed? Still having children?” “Who do you think you are? Mr. Qiu’s man?” Seeing his own virtues, Mr. Qiu looks like an immortal, he will marry you only if he is blind?” Zhang Zhengfu rebuked.

When Mark heard this, his face smiled even more: “Hey, you are really right, I am really your Qiu President’s man.”

“Nonsense!” “Just like you, still coveting our Qiu President?” “If you are Mr. Qiu’s husband, I Zhang Zhengfu will jump off the fifth floor without saying anything!” Zhang Zhengfu smiled coldly, full of disdain.

However, as soon as his words fell, Lu Wenjing, Sherry Han and others walked in immediately outside the room.

“Sister Qiu, I finally found you.”

“Brother Mark is afraid that you won’t eat well, so I made a special meal for you.”

“Look how good Brother Mark treats you.”

“Sister Qiu, can you have Do I envy a husband like Mark?” Lu Wenjing threw into Helen Qiu’s arms and smiled.

Boom~ And when Zhang Zhengfu heard this, he was dumbfounded, as if someone slapped his face with a slap, he stayed in place for an instant, his eyes widened immediately.

“Mr. Qiu, he...he...”

He really is, your husband?

Zhang Zhengfu's face was pale, he looked at Helen Qiu in disbelief, and his words trembled, and he asked aloud. The face was slapped so fast that Zhang Zhengfu was caught off guard! But Helen Qiu's pretty face was a bit sullen and ashamed at this time. Red. Obviously because of the nonsense that Mark just said! This bastard is really shameless. In the face of the mess of his own staff, his mouth is open and nonsense. Fortunately, there is only Zhang Zhengfu here, otherwise, if it is in front of everyone In the face of the employees, her glorious and stalwart image of Helen Qiu, I am afraid that all will be in the hands of a bastard like Mark. Helen Qiu, who was ashamed, gave Mark a stern look. It seemed like that. I was warning Mark to talk nonsense, and you will feel better at night! Then, Helen Qiu looked at Zhang Zhengfu: “Manager Zhang, my family is here, please avoid it.

“Although Helen Qiu didn't answer directly, she undoubtedly admitted what she said indirectly. Mark, that's her husband! Boom~ At that moment, Zhang Zhengfu only felt the thunder split, half of her body was cold, and her heart Broken. A secret love has not yet begun, so it ends like this? How did Zhang Zhengfu never imagine that the beautiful president, who is usually majestic and cold, would be a wife? However, when Zhang Zhengfu was about to leave, Sherry Han It's a human being. He obviously saw something, but he stopped Zhang Zhengfu and quickly explained: “Manager Zhang, don't listen to the bullshit.

He and Mu Cheng were just fake marriage, as long as Mu Cheng met better, they could leave at any time.

I am your mother, Mr. Qiu. I asked her to divorce. She dare not leave.

“By the way, I haven’t asked you yet, what’s your name?”

What is your background?

What do parents do?

How many houses are in the city?

How much gift can I accept at most?

“Mom, what are you mixing with, aren’t you playing the piano indiscriminately?”

When Helen Qiu saw this, she was speechless. Here comes again! When she sees an individual, she asks what family background and how many houses are there. Isn’t it shameful? “Auntie, what you said is true?”

“Mr. Qiu really married him?”

“Zhang Zhengfu was taken aback at the time. He was frustrated and immediately saw hope again.

“Of course. They have been married for three years and have been sleeping separately. Mark is a poor son in the country and a poor son-in-law. If it weren’t for the troubles in the first place, how could my daughter look at him, let alone marry. Is he?” Sherry Han said with disdain.

Zhang Zhengfu immediately became more happy, and quickly introduced himself: “Auntie, my name is Zhang Zhengfu. I am the sales manager of this company.”

“Oh, it turned out to be a sales manager.”

The smile on Sherry Han’s face suddenly faded. With his dress up and the Mercedes-Benz key he put on the table, Sherry Han thought he was a rich man like Jerom Sun.

However, the next moment, when he heard Zhang Zhengfu say the name of his father Zhang Xiaosong, Sherry Han suddenly became calm.

“Zhang Xiaosong?” “Just the famous entrepreneur Zhang Xiaosong?” “The head of a tens of billions of state-owned enterprises?” “The chairman Zhang Xiaosong who invited my family Helen to be the president?”

Chapter 593 – 594 of A Dish Best Served Cold Novel

Chapter 593

For Zhang Xiaosong, Sherry Han had never heard of it before.

But since Zhang Xiaosong and others went to the old house of Qiu's family to invite Helen Qiu to come to serve as the president of Mufan Real Estate that night, Sherry Han only learned about Zhang Xiaosong's greatness from Simon Qiu and others.

It is said that he is still the economic figure of the year in Wrifill City. Although he is only working for the country, the annual salary of the head of a state-owned enterprise must be 10 million Dollar, right?

Although not as good as Jerom Sun, compared with Mark, it is undoubtedly better. I don't know how many times.

Therefore, after learning that the person in front of him was Zhang Xiaosong's son, Sherry Han suddenly smiled.

"Come on, Masao, sit down and sit down."

“Talk to auntie.”

“I heard that your dad was the boss of a state-owned enterprise before. Did your family get shares in that state-owned enterprise?” Sherry Han is also a self. Come familiar with it, not long after I met Zhang Zhengfu, he had already enthusiastically held Zhang Zhengfu’s hand and chatted there.

Upon seeing this, Helen Qiu on the side was speechless.

She didn’t bother to care about her mother, anyway, she wouldn’t listen to it, let her go.

“Sister Qiu, eat while it’s hot.”

“Otherwise it will be cold in a while.”

Lu Wenjing took out the lunch box at this time and put it in front of Helen Qiu.

“Thank you Jingjing.”

Helen Qiu smiled.

“Sister Qiu, don’t thank me. Brother Mark made it for you.”

Lu Wenjing smiled.

Helen Qiu glanced at Mark. Even though she couldn't say anything, she finally thanked Mark.

Mark snorted, looked at Helen Qiu, and then asked: "This Zhang Zhengfu, do you often come to your office to eat with you?" Helen Qiu didn't speak, but just looked at Mark's appearance and snorted. Then he laughed.

That smile is like a flower, bright and moving.

This stinky guy is still jealous?

"Laugh?" "Do you dare to laugh?" "Quickly explain to me!" "This is a very serious question."

Mark said sharply.

Helen Qiu shook her head and chuckled softly: "No. Today is the first time."

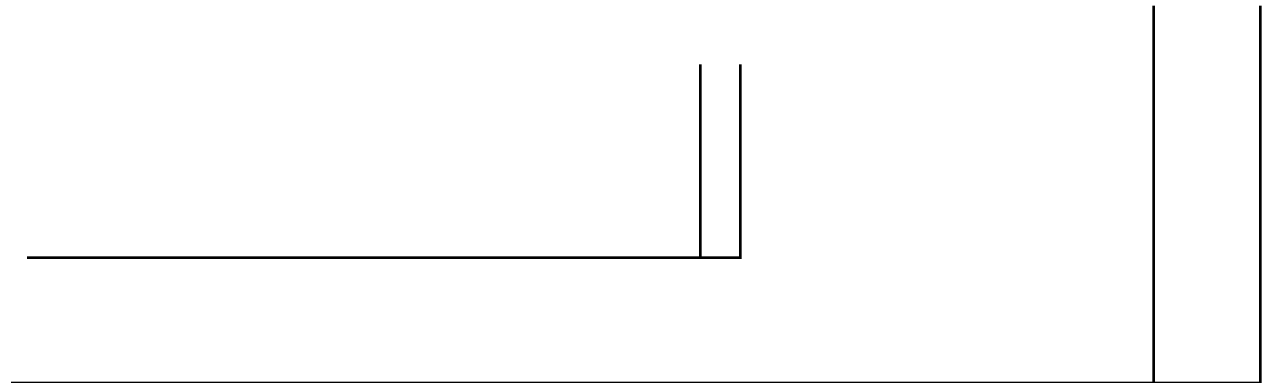

"He gave me a month's meal, but I refused. I am so embarrassed to refuse today, just..."

Helen Qiu didn't conceal it, but explained the matter to Mark one to five to ten. Mark nodded in relief. "Helen, come here quickly, what's the point to talk to that wimp."

Come and chat with Zheng Fu.

“You Nizi, it’s so shameless, if it wasn’t for Zhengfu to tell me, I don’t know that Zhengfu has given you meals for a month in a row.”

Sherry Han’s call came from ahead, but Helen Qiu pretended not to hear it and ignored it. Sherry Han was immediately displeased: “Helen, what’s the matter with you?”

Didn’t you hear what I said, come over to me!

However, when Sherry Han was unhappy, the door of the office was pushed open again. I saw a small employee who rushed in in a panic. “Mr. Qiu, it’s not good, the person from the Industrial and Commercial Bureau coming.

“And he looks aggressive, I’m afraid it’s the bad guys~” What? “That’s good, what are they doing?”

Helen Qiu frowned suddenly, and finally there was no time to eat, so she immediately went downstairs and went to the lobby at the entrance of the company. Downstairs from the company, several industrial and commercial bureau cars parked there. In the lobby, I saw Wang Xingduo

leading it. Seven or eight people, wearing uniforms, were waiting at the door of the company. “Well, it’s him?”

“Seeing Wang Xingduo, Helen Qiu’s brows were undoubtedly furrowed deeper. The reason why their Mufan real estate was not officially opened is because Wang Xingduo got their approval and the qualification certificate was delayed, which affected them. The entire company is running. Before, Helen Qiu had been trying to find him, but he refused to see him. Now what is happening, but he has come to the door? “Director Wang, why didn’t you tell me in advance.

“Look at me, I don’t have much preparation. Please bear with me if you don’t entertain me well.”

“

Chapter 594

Helen Qiu said politely.

“You are Helen Qiu?” “The boss of this company? The wife of that hillbilly?” Wang Xingduo asked with gloomy eyes when he saw Helen Qiu.

Helen Qiu was slightly stunned.

He asked if he was the boss of the company, which was understandable.

But why did he ask himself if he was Mark's wife?

Almost instantly, Helen Qiu had a bad feeling in her heart.

"Yes, I am the president of this company. I don't know what Director Wang is..."

"Huh, do you still have the face to ask?"

"The chaos in the real estate industry in Wrilfill City is because of illegal businessmen like you."

Before Helen Qiu's words were finished, Wang Xingduo shouted angrily. Helen Qiu's pretty face was panicked, and she was immediately puzzled: "Director Wang, I don't understand, what did we do to make you so angry?"

"Hehe, you can pretend, right?"

"Wang Xingduo sneered, and then sternly said, "We have received reports from the masses that your Mufan real estate is suspected of illegal operation.

I now decide to seal Mufan Real Estate immediately, and all the company's senior leaders cooperate with the investigation.

"What? Seal the company? All the leaders cooperate with the investigation? Helen Qiu's pretty face turned white when she heard this. The other employees of the company were also immediately shocked.

“Director Wang, just because a crowd reported, you didn’t go through investigation. Just seize our company?”

Isn’t it a bit too late?

What if we are framed?

Helen Qiu asked immediately. Wang Xingduo hummed, “Seal your company to facilitate investigation!”

“As for whether it is framed or not, after we investigate it clearly, we will naturally give you a conclusion.

“Now, everyone immediately leaves the company.

“The company building, immediately seal it up!”

“Wang Xingduo gave an order, and the men behind him have already taken out the white seal. It seems that there is no room for negotiation. “Then Director Wang, how long will it take to give us a conclusion?”

Helen Qiu suppressed the anger in her heart, and continued to ask. Wang Xingduo replied lightly, “This is hard to say.

As short as one or two days, as long as half a year.

After all, the masses not only report your company's illegal business operations, but also the fire-fighting facilities are not up to standard, suspected of forging official seals and many other crimes.

It is naturally troublesome to find out.

“Wang Xingduo said lightly. When Helen Qiu heard this, her eyes became red with anger: “If you want to commit a crime, why don't you worry?”

“You got our company's approval before, I have nothing to say, we are controlled by others, that is your right!

“But now, just because of an inexplicable crowd, you do not investigate, do not distinguish between right and wrong, you will directly seal up our company as soon as you come up, and you will have to investigate for half a year?

“Dr. Wang, do you know what does the little half a year in your mouth represent for our company?”

“

“For those of us who work hard for our families and lives, what does it mean?” “That is not only the life and death of a private enterprise, but also the livelihood of dozens of people in the company?” “But now, just because Your such a random decision ruined the future of a company, and also ruined the livelihood of dozens of employees to feed their families?” Helen Qiu's brows were flushed, she looked at Wang Xingduo, said angrily, and repeatedly questioned.

Sealing up for half a year is enough to destroy a small company like Mufan Real Estate that has just started.

However, before Wang Xingduo could answer, Helen Qiu smiled suddenly, and continued to talk as if talking to herself.

“Oh, I almost forgot. You are a leader, and you are a great person above all. You can determine the life and death of an enterprise and the livelihood of countless people with a single word.”

“A big person like you doesn’t understand this, and doesn’t want to understand~ Helen Qiu shook her head and smiled, but that smile was so sad and full of self-deprecating eyes.

The grievances for so long, at this moment, undoubtedly broke out.

At this moment, Helen Qiu had said all the grievances and helplessness in her heart during this period of time.

Hearing Helen Qiu’s words, Wang Xingduo immediately laughed, his face full of sorrow and coldness, and he said in a grimace.

“You are really right!” “I just don’t understand, and I don’t want to understand.”

“For you, I am superior, I can decide the life and death of your company.”

“Today, you Mufan Real Estate, I It’s sealed up!” Wang Xingduo smiled grimly, and looked at Helen Qiu with unbridled eyes.

“Helen Qiu, you must be very puzzled, why should I do you?” “To blame, blame your poor husband!” “He makes me feel bad, and I make your family feel bad!”

Chapter 595 – 596 of A Dish Best Served Cold Novel

Chapter 595

To Mark, Wang Xingduo hated him.

In the last painting exhibition, if it wasn't for that Ye 4c13c23a who had targeted him and revealed that the painting was fake, how could Wang Xingduo's face be discredited?

How could it become the laughing stock of the entire painting and calligraphy circles, and now it has been blocked by the entire Wrilfill painting and calligraphy circles.

Now those friends in the calligraphy and painting circles before Wang Xingduo see him like a joke.

After all, holding an inferior fake and claiming to be Tang Bohu's painting is an idiot.

Therefore, today's Wang Xingduo, in front of his former friends, can't afford to raise his head at all.

And it was Mark that directly caused all this!

This incident made Wang Xingduo worry, the more he thought about it, the more angry he became.

Wang Xingduo was originally the one who must repay him. Now that Mark engages him like this, Wang Xingduo will naturally not give up.

Therefore, after learning about Mark's relationship with Helen Qiu, Wang Xingduo wanted to avenge Mark by attacking Helen Qiu.

Therefore, early this morning, after finding the address of Mu Fan's real estate, Wang Xingduo brought people directly over.

"Your husband makes my reputation bad, I will make your company pornographic!" "Waiting to close down, you~" Wang Xingduo smiled grimly, and the cold voice echoed in the ears of Helen Qiu and others for a long time.

After Helen Qiu heard it, she was undoubtedly stunned.

She never thought that this matter would have something to do with Mark?

However, before Helen Qiu could say something, Sherry Han and the others behind her exploded in an instant.

“Okay~” “You are a waste of money, it turns out that it is because of you!” “I was wondering before. My family Helen has always been honest and abiding by the law. How could it be illegal to operate, and how could it be targeted?” “For a long time. , It turned out to be you!” “You are useless, incompetent and incompetent, you can’t make money, don’t you say it, but you still cause trouble for my family Helen?” “Fault is not enough to fail. My family has spent eight lifetimes of bad luck before spreading it on you. Is this useless?” After Sherry Han learned that this incident was caused by Mark, her whole person was mad.

An old face almost distorted because of anger, pointing at Mark and cursing.

That pungent look, as if to tear Mark to life.

“Aunt, you can’t blame Mark. They bullied us first, and they deceived everyone. My brother Mark just helped me out~” Lu Wenjing was defending Mark.

However, where Sherry Han could hear these words, she still cursed Mark with red eyes.

“Three years, three years, you came to my Qiu family for three years, what have you brought to us?” “It’s all bad luck, all disasters!” “Because of you, we were driven out of the Qiu family.”

Because of you, Helen was swept out!” “Now, because of you, Helen’s business is going to close.”

“You bastard, would you be happy if you want to ruin our family?” Sherry Han red stared at Mark crazy Yelled.

Had it not been for being pulled by Lu Wenjing, it is estimated that Sherry Han had already gone up and started to attack Mark.

Sherry Han didn’t have the slightest affection for Mark.

Now that Mark couldn’t make any money, he still caused trouble for their family, and now her daughter was even more involved. Of course Sherry Han was angry.

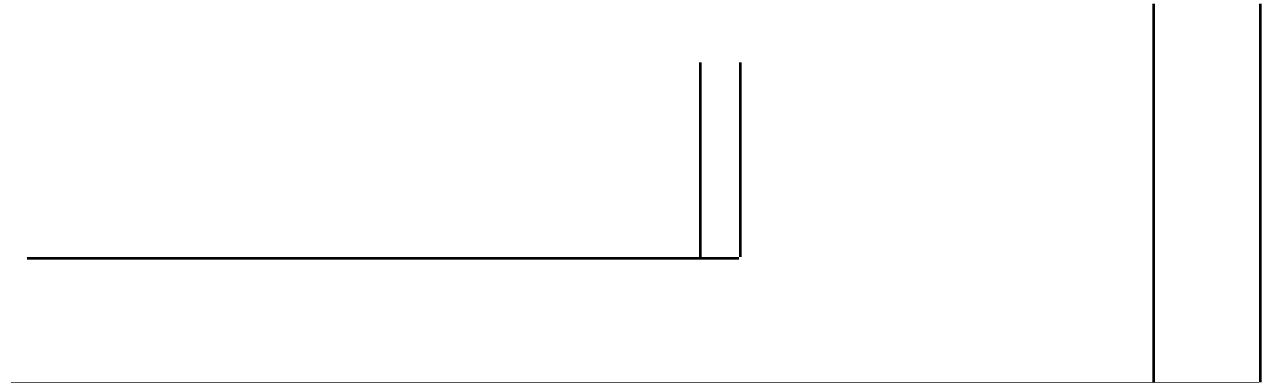

The eyes that looked at Mark almost burst out of fire, and wanted to burn Mark to death.

Melson was also full of anger. He glanced at Mark in disgust, and hummed coldly: “You are a waste of money, if my family Helen loses a job again because of you, our family will never end with you!” Not only the couple, but the company , The other staff also looked at Mark with resentment, pointed and complained: “Hey~”

Chapter 596

“It’s a pity, Mr. Qiu is so good, how come he has such a wimpy husband?” “Other husbands have sheltered his wife from the wind and rain. He is good, but he can’t help but he is still making trouble outside.

Now he is finally involved in Qiu. Manager?” “This kind of man is also a disaster to keep, and he is not worthy of Mr. Qiu.”

“It should have been kicked a long time ago~” “Mr. Qiu, let us spoil ourselves like this, marry this kind of person?” For a moment, everyone The grievances in his heart were all vented on Mark.

Looking at Mark’s gaze, there was disgust and resentment.

After all, do they still expect the company to eat?

Now that the company is closed, they are probably also unemployed.

Of course they hate Mark.

“Oh, brat, so you are here too?” “Are you still a man?!” “Your wife’s company is about to be sealed, but you are a big man hiding behind him. He doesn’t even dare to make his head. Don’t say a word?” “Aren’t you arrogant at the art exhibition that day? Aren’t you pretty awesome?” “Why are you now abandoned, how withered, why don’t you dare to speak?” Wang Xingduo also noticed this time. Mark, who had been standing behind the crowd, suddenly smiled.

With his hands in his trouser pockets, he looked over with cold eyes, and his words were full of wanton mockery and sarcasm.

Finally, he cursed with disdain.

“Winang is a waste!” “Winang at home is also a waste outside.”

“People like you can only be a humble home son-in-law.”

Wang Xingduo spit on the ground with a yuck. A mouthful of sputum, how arrogant and wanton is that look of contempt?

After that, Wang Xingduo gave an order to let his subordinates begin to forcibly seize Mufan’s property.

For a while, the entire company panicked.

“What should I do?” “If the company is gone, how can Helen make money in the future?” “Will Helen go to jail?” “It’s all to blame for that uselessness!” “What’s wrong with our family? The egg became a family?” Sherry Han was also panicked, turning around anxiously, her old eyes flushed.

And this time e6a06ea7, Zhang Zhengfu, who had been watching the show silently and quietly, immediately showed a proud smile on the corner of his mouth.

it’s time.

It's time for him to play Zhang Zhengfu.

Yes, the reason Zhang Zhengfu has been silent is because he is waiting, waiting for everyone to be helpless, waiting for President Qiu to be desperate and panic, waiting for the complete arrival of the last moment.

If you want to pretend to be forceful, you must pretend to be a big one!

Only when everyone is most desperate, his presence will give people even more tremor.

As the saying goes, turning the tide will fall, and helping the building will fall.

Zhang Zhengfu wanted to take advantage of this once-in-a-lifetime opportunity to turn the tide.

Conquer Helen Qiu, conquer Sherry Han, and conquer everyone present in one fell swoop.

In this way, Zhang Zhengfu came out, and he calmed down to Sherry Han: "Auntie, don't be anxious. Although someone has caused a catastrophe, but the matter has ended, complaining is useless, you can only find a solution."

"Zhengfu, Do you have a way? Can you help Helen? A colleague, you can't die without saving."

Seeing Zhang Zhengfu, Sherry Han was like a man falling into the water, grabbing the last straw and holding Zhang Zhengfu's hand Can't help but say.

Zhang Zhengfu nodded: "Well, auntie, don't worry, I will help."

Afterwards, Zhang Zhengfu looked at Helen Qiu with a pale face and said softly, "Mr. Qiu, don't worry. For the rest. Yes, leave it to me."

At this time, Wang Xingduo's men had already taken out the seal and prepared to seal the room.

After Zhang Zhengfu finished talking with Helen Qiu, he immediately stepped out and shouted proudly, "Stop it all!"
