

# Chapter 506

Qin Ming really didn't like the old Qin family in the sea city at all. It seemed that he could provoke the people around him every time. He didn't know if it was a coincidence or God's will.

Qin Shou is a direct descendant of the old Qin family in Haishi, and also has the right to inherit the Qin family. His status and status are very high.

If Qin Ming moved Qin Shou casually, it was easy to expose himself.

From the information Qin Ming collected from Ao Mei, the old Qin family seemed to have some relatives with the Zhao family in Beijing. This is very subtle. It is not uncommon for big wealthy families to marry or join forces.

So, this is the time to test whether his wings are hard enough.

Qin Ming said, "Leave it to me, I'll talk about it."

Chen Mu said inspiringly: "Sister, can you really convince that Qin Shou? It won't cause you too much trouble, right?"

Qin Ming squinted. Chen Muling would never learn a lesson, but his nature was not too bad. He had no serious friends around him. Qin Ming remembered the kind of fate mentioned in the autobiography of his teacher Zhang Quanzhen, which is called misfortune and good fortune. This life style is similar to that of Mencius in ancient times.

A good environment becomes a hotbed for growth, which can create a career and achievement, while a bad environment becomes a great evil or ill-fated.

Qin Ming said: "I won't be in trouble, Qin Ming may have it. I was asked by him."

After speaking, Qin Ming left, leaving Chen Muling, who was sluggish on the hospital bed, overturned the five-flavored bottle in his heart, feeling complicated.

Zhao Menghua said, "Mu Ling, did you misunderstand Qin Ming again? Do you know, I begged A Yong for a long time before he agreed to ask Qin Ming for help. Qin Ming is actually a good man, very enthusiastic, and if he is a friend, it's not too good. I heard that he is now working in a foreign company. Although he was born in a rural area, his future is boundless."

Chen Muling flatly said, "Sister Menghua, I and I have also had a good impression of Qin Ming. Especially the last time he asked this sister to save me, and when I offended the Luo family, I was moved by him. Yes. But this Qin Ming is always surrounded by many women. I also know that some attacks against him are rumors, but there are too many women around him. I don't know why I just can't understand and feel uncomfortable."

"You don't like Qin Ming, do you?" Zhao Menghua said in surprise: "There are always women around Qin Ming, have it affected you to make friends? I think there are many women around Qin Ming, and there is nothing wrong with it. Ability."

"No, no?" Chen Muling said in surprise: "He...how do you say it, oh...he doesn't contact me either, can't let me be a girl looking for him all day, right? I'm also famous in the school anyway. Angry. And, this time I had an accident, and he didn't come to help, so he ran to pick up girls and called the sister from last time."

Zhao Menghua said, "Isn't it? I asked the people in their dormitory."

Zhao Menghua called Zhao Liniu and asked, "Xiao Zhao, is Qin Ming in the dormitory?"

Zhao Liniu stunned: "Oh, Senior Sister Zhao, what's the matter? Xiao Ming didn't answer the phone early in the morning and went to the airport to pick you up? Didn't he go?"

Zhao Menghua said: "No, Qin Ming seems to have sent a girl to pick me up. He seems to be going on a date."

Zhao Liniu said unhappily, "Sister Zhao, didn't you slander our Xiao Ming? Is Xiao Ming such an irresponsible person? He said that he wants to help Chen Muling, so he must go out in person, not to look at your face, but also to look at your face. You wait, I will ask Xiaopeng to call and ask."

After a while, Zhao Liniu said: "Xiao Ming said that he had just come out of the hospital and had seen Chen Muling. He said that although this is a bit troublesome, it is not too difficult and should be done."

Zhao Menghua hung up the phone, and the two women stared with big eyes. When did Qin Ming come?

Zhao Menghua wondered: "Eh, yes, the girl just now was a little tall, and such a tall girl is rare. Is it possible that Qin Ming wears women's clothing, is it impossible? Hahaha, is this too funny? He did it. Why do you want to dress up as a lady? Don't you want you to know?"

Chen Muling said, "Couldn't Qin Ming be embarrassed to show up? I just hid in the door to take a peek? Or even cheated his brother in his dormitory? This sister was also brought by him last time. It is true that he can help, but he must It's impossible to care about me."

Zhao Menghua said: "No, Zhao Liniu and Qin Ming don't know how to lie. There is no need to lie about this kind of thing, right?"

Chen Muling's heart moved, she suddenly stood up and ran to the corridor outside the ward. The ward she was in was not high. Looking out from the corridor, it happened to be the entrance of the hospital.

Chen Muling was condescending to see the "sister" who had just walked out the door.

She took out her mobile phone and called Qin Ming.

Qin Ming, who was walking to the intersection, rang his cell phone. He answered the question, pulled off the voice changer, and said, "Hello? Chen Muling? Anything?"

"..." There was silence on the other end of the phone.

Chen Muling looked condescendingly at that "sister" picking up the phone, her heart was broken.

Chen Muling hesitated for a moment, and said: "Uh, that, you called someone to help me, I am very grateful to you."

Qin Ming said, "Oh, it's okay. Everyone is a friend. It's okay to help each other. I don't have time here, so I couldn't come in person. But I have understood your matter, and the problem is not big. Don't worry."  
."

"Well, thank you Qin Ming." Chen Muling hung up.

Then she saw Qin Ming, who was dressed in women's clothing, hung up the phone.

Isn't this a coincidence?

Chen Muling didn't understand, why did Qin Ming come to see her pretending to be a woman? Why?

Chen Muling's face suddenly reddened, covered her face with her hands, and said, "That's not right. If this sister is Qin Ming, then we were tricked into going to the hot spring last time, and I, I, and him, like that... I still took his hand. put....."

Chen Muling placed her hand on her left chest subconsciously. Looking back, she was even more ashamed and unbearable.

Chen Muling was in a state of confusion. He had been helping her all the time, and it was Qin Ming who saved her.

The last time she was tricked into giving a lecture, she was actually kidnapped. Could it be that Qin Ming had to disguise herself as a woman in order to get in?

Thinking of this, Chen Muling's heart pounded.

She remembered that at that time, she humiliated Qin Ming viciously, scolded him shamelessly, and the toad ate swan meat, but Qin Ming still ignored the predecessors and went to save her.

In fact, Qin Ming ventured into the liar lecture for the girlfriend of his good brother, but Chen Muling misunderstood.

Chen Muling suddenly thought: "Is he afraid that I will misunderstand him again, so he came in women's clothing? He wants to help me, but he doesn't want me to hate him... It turns out that he is really so persistent to me."

The corners of Chen Muling's mouth suddenly rose again, and she was ashamed and happy in her heart. Looking back now, she found that Qin Ming had come forward many times when she was in distress.

Although Qin Ming has been scolded by people as a scumbag, school flower harvester, but Qin Ming herself did not have any explanation, a clear attitude, once an accident occurs, she will help immediately.

It is false to say that it is not touched, especially Chen Muling is the young girl Huaichun's age, and she wants to meet her own prince charming.

Qin Ming was already on his way to Cao's house, but he never thought his tricks were exposed.

Qin Ming wondered what means he should use to put pressure on the old Qin family, so that he could get the interests of the Zhao family connected with it?

Qin Ming didn't think much, facing Along in the driver's seat, said: "Along, can you directly break into Cao's house and tie up their VIP guest quietly?"

Along smiled faintly: "Master, what's the problem, these wealthy families, how can there be any dangerous things usually happen? The guard will not be too good. Master, who do you want me to arrest, always have a photo."

Qin Ming said: "Some and some, the arrested person is called Qin Shou, and he will be taken to an abandoned factory for me tonight."

## Chapter 507

The Cao family of Guangzhou City, as a veteran giant, has always been relatively low-key, and is well versed in the truth that the more joyous you dance, the faster you die.

But Cao's generation came out of Cao Xiangliang, a typical dandy who is idle all day long, and is also an Internet celebrity. There are negative news from various entertainment circles, one after another, not a sleeping model or a daughter. The celebrities fight together.

But the old lady Cao spoiled this grandson, and the Cao family couldn't do anything about him, and they couldn't beat or scold him.

No, Cao Xiangliang has dealt with this situation again today, to curry favor with the world-class giants in Hai City and to insult Chen Muling. This is really a modern version of forced prostitution.

Now Chen Muling's family business has also been affected, and he is not allowed to survive at all.

Aaron drove the car to the door of the Cao's community. The Cao's family was relatively low-key. The house was in a small independent bungalow in the old community in the old city, similar to the bungalow in Qin Ming's Ludao community.

With the Cao family's power and financial resources in Guangzhou, this is really very low-key, and without seeing the Mu family, they have bought a large house like a manor.

Qin Ming no longer needs to deceive Chen Muling at this meeting. He has changed his face and changed back to his original appearance. He said to Aaron: "Try not to hurt the Cao family. That Qin Shou doesn't need to be too polite. Fate is done."

Aaron responded and entered the old community in the clothing of a sanitation worker.

Qin Ming stood at the intersection, leaning on the car and waiting quietly. At this moment, an old lady came by alone, looking very serious and sad.

The old lady walked up to Qin Ming and suddenly said in surprise: "Oh, isn't this Mu's son-in-law, Qin Ming?"

Qin Ming was startled, isn't this the old lady of the Cao family?

Last time the two of them bid for a dzi bead at a small auction in the city. Old lady Cao was one of the few people who knew that Qin Ming had been in Zumu's house.

Qin Ming said with a smile: "Mrs. Cao, it's been a long time since I've seen you. It's so late, where are you going?"

Old lady Cao smiled bitterly: "What can I do is not for life. My son is not a tool, so I can only rely on my old bones to move around. Our Cao family, how can your Mu family have such a good life."

Qin Ming said with a smile: "The Mu's family had not had a good life a while ago. Every family has hard-to-read sutras, right."

Mrs. Cao said, "It is true that there are scriptures that are difficult to recite in every family, but this scripture of our Cao family is a bit too difficult. Alas...a big Buddha came to our house, and we were almost out of breath. You Mu Family, Mu Hairan is also against it."

When Qin Ming heard Granny Cao's complaint, his heart moved, could this great Buddha be Qin Shou?

Qin Ming deliberately said: "Mrs. Cao, I have heard some messages, how did you provoke the super giants in the sea market? But the other party can't be too tough? Do I need to talk to Mr. Mu? He can't say it. There is a way?"

Qin Ming still has a good impression of this old lady Cao. She is a kind old lady. The last auction made him take Dzi Beads as a collection.

Old lady Cao was startled, and then patted her forehead, seeming to realize that she was talking too much.

But seeing Qin Ming point out the truth, he felt that it was meaningless to conceal it.

Mrs. Cao said: "Mu Hairan can't tie me up. After I heard that you have become a parent, your Mu family is doing very well now, and all the troubles are gone. It's really enviable. You said Feng Yun had to learn this kind of thing, I I don't believe it, but it often makes sense."

Qin Ming's face was puzzled, why did he get to Feng Shui and Ming Xue?

Mrs. Cao continued: "I heard that you asked Zhang Zhenren for help?"

Qin Ming is not surprised now. He didn't know that his teacher Zhang Quanzhen was so famous, but now he understands.

Qin Ming said, "Yes, does Mrs. Cao want to ask Zhenren Zhang too?"

Mrs. Cao said, "If Xiaoge Qin wants to help, can you please contact me? He can solve this matter in our family."

Qin Ming smiled mysteriously: "Coincidentally, Mrs. Cao, I have already worshipped him as a teacher, I am his student, and I have learned a lot of his skills."

This time it was Granny Cao's turn to be surprised, and asked, "Little Brother Qin, what do you mean? Zhang Zhenren will accept disciples too? You didn't lie to me, did you?"

Qin Ming said: "Mrs. Cao, what did I lie to you for? You don't know the relationship between Mu Hairan and my master? And we all know each other. What good can I do if I lie to you? Since you are looking for me Master, I want to get rid of the big troubles at home, so I can act on behalf of my master."

The old lady Cao was skeptical, and she did know that Mu Hairan had a good relationship with Zhang Quanzhen, but to say that Qin Ming had become Zhang Quanzhen's apprentice, she didn't quite believe it.

But Qin Ming was so swearing that she was very surprised.

Qin Ming stretched out his hand and twisted his hand to calculate, and said, "Mrs. Cao, do you know why I am standing here today?"

Old lady Cao asked: "Why?"

Qin Ming smiled faintly: "On that day, Mrs. Cao, you cut your love at the auction and gave me dzi beads to create good causes. I have always been grateful. Recently, I watched a fierce star from the north come to Guangshi. Knowing that the tycoons of Guangshi suffered, I came after the fierce star, and knew that the Cao family was in trouble."

Old lady Cao frowned suddenly and said, "This is too much nonsense, isn't it? Xiao Qin, is your young man happy for me?"

Qin Ming said very seriously: "Oh, old lady Cao, am I a person like that? I have a clever plan. The master entrusted me with a dream to help you with the Cao family through the difficulties, and let your grandson Cao Xiangliang, the prodigal son, look back and see you. Believe it or not, if you believe it, I will tell you."

Old lady Cao was very embarrassed. Two days earlier, Qin Shou from the old Qin family, a wealthy sea city, came to see his grandson Cao Xiangliang.

Mrs. Cao was also old and kind, and couldn't bear to deal with her beloved grandson. Qin Shou's identity was even more difficult, and no one of their Cao family could move.

Now Qin Shou lives in the Cao family, and she also fell in love with her granddaughter, Cao Ruiyun, and said that she wanted to marry Cao Ruiyun, which forced the Cao family to agree, but Cao Ruiyun didn't like this yin and yang strange Qin Shou at all, and it was impossible to agree.

As a result, Qin Shou used his family background to overpower the Cao family. Although the Cao family was in Canton, it was still very weak in the face of world-class giants like the Old Qin family in Haishi.

So Old Cao was so sad, and at the same time she hated Cao Xiangliang, the dastard grandson, for instigating right and wrong.

She knew that she couldn't solve this problem if she didn't find someone who was able to do it, so she asked a lot of people. When the other party heard that they belonged to the Qin family, they were all embarrassed. It wasn't that a friend didn't help, it was because the other party was too powerful.

Qin Ming's words can be said to poke Granny Cao's heart, making her itch.

It can not only resolve the dangers of the Cao family, but also make the prodigal son of his beloved grandson turn his head back. Such a good thing? Can Qin Ming do it?

Granny Cao hesitated for a moment, and the dead horse became a living horse doctor. She gritted her teeth and said, "Little Brother Qin, what do you want for this matter? If you can do it, my Cao family will definitely not treat you badly."

Qin Ming laughed, and suddenly became humble, and said, "Mrs. Cao, of course I can do it. Although I have only become a teacher, but the evil star descends from the Lord, it is difficult to move too much. This kind of catastrophe is easy to resolve. Our fortune-telling is also sincere, and there is no charge for failure."

Mrs. Cao said: "Then just tell me, what on earth do you want to do? Is it something to do, or to buy something to hang around?"

Qin Ming pretended to pinch his fingers, and after a while, he said, "Well, this tribulation is very easy to resolve, and it is not difficult to resolve at all. Old lady Cao, your Cao family needs a pulse of good luck to bring life to life."

The old lady Cao was startled, and said suspiciously: "Happy luck? That's a child? But no one in our Cao family wants to give birth."

Qin Ming smiled mysteriously: “Mrs. Cao, it doesn’t matter if no one has a child. You can adopt and accept your goddaughter, right? But if it’s an adoptive and goddaughter, then you have to match the eight characters, and you must have the talents of eight characters. can.”

As soon as Qin Ming said that he wanted to recognize his daughter, Jiaoji, etc., Old Lady Cao was unhappy. She said, “Little Brother Qin, you are not lying to me? Can this kind of thing happen?”

Qin Ming looked like you would believe it or not, and said: “Mrs. Cao, believe it or not, once your Cao family recognizes your goddaughter, then Qin Shou will get rid of your Cao family? If he doesn’t get rid of it, I’ll take me Qin Banxian picked it up as a gift from a friend on this road.”

## Chapter 508

Qin Ming was full of mouthfuls when the train ran, which made the worried old lady Cao even more uncertain.

Now the Cao family has come to a “great god”, please don’t go away, can’t move, and still bully the male and female to ask her good granddaughter, Cao is almost desperate.

Suddenly, Qin Ming, a magic stick, came to her and said that as long as her Cao family could recognize a goddaughter, she would be able to resolve the disaster, which made her unbelievable.

But if she didn’t believe it, there was nothing she could do.

Qin Ming looked like you would believe it or not, and said: “Mrs. Cao, believe it or not, once your Cao family recognizes your goddaughter, then Qin Shou will get rid of your Cao family? If he doesn’t get rid of it, I’ll take me Qin Banxian picked it up as a gift from a friend on this road.”

Old lady Cao was confused by Qin Ming, but she still didn’t directly listen to Qin Ming’s words, so she politely asked Qin Ming to contact Zhang Quanzhen for help.

Qin Ming also fully agreed, saying that he could contact him for help.

As soon as Mrs. Cao left, Qin Ming called Zhang Quanzhen and asked, "Teacher, there is something on my side. The Cao family in Guangshi is in trouble."

Zhang Quanzhen said, "I know that Qin Shou used to make trouble, right."

Qin Ming was startled and said, "Yes, you bad old man, how did you know?"

Zhang Quanzhen smiled and said: "I flicked past, can I not know? Training for you will not only gain the kindness of the Cao family, but also let you try what you have learned. For you, Qin Shou is a small one. The key to a significant opponent is not him, but the rich man behind him."

Qin Ming was speechless when he heard Zhang Quanzhen's words. He dare to feel that the encounter between Chen Muling and the Cao family was the unwarranted disaster Zhang Quanzhen suffered in order to temper him?

Qin Ming said: "I told Granny Cao a way, but she didn't believe that I was capable, so she asked you to do it."

Zhang Quanzhen hummed: "You can't handle this trivial matter, let alone my student. The solution will always be more difficult than the difficulty. You kid use your brain, have I finished reading the book for you?"

Qin Ming said, "I've finished watching it, and I'm watching it the third time."

Zhang Quanzhen was taken aback, and suddenly smiled: "Well, you are quite easy to learn. I believe you can do it by yourself. Even if it is the same plan, it is actually feasible to change the steps, depending on how you use it."

"I understand." Qin Ming nodded.

Qin Ming hung up the phone and said something in his heart. If he didn't call to ask, might Zhang Quanzhen silently stare at him behind his back?

"Is there anybody who is a master like this? Really angry." Qin Ming cursed in his heart, and then murmured: "Old lady Cao can't do it, so Cao Ruiyun's parents can do it, right? I have to rely on this to let me. His fame is spread among the rich."

Qin Ming waited for a while, and saw Along pushing a garbage truck with a big sack in it. Needless to say, it must be Qin Shou himself.

Qin Ming drove the car into the blind spot of the surveillance, and then Aaron quickly threw the person in the car and left.

At night, in an abandoned factory on the outskirts of the city.

Qin Shou was tied to a chair with a big lamp shining on him.

The last time Qin Ming saw Qin Shou, he was still very energetic and handsome, but now he looks a lot more haggard.

I heard that chemical castration can be cured, but I don't know if he is cured or not, but the cure also has a great impact.

As soon as Qin Shou woke up, feeling the glare, he immediately shouted: "Who are you? Do you know who I am? Dare to kidnap me? Are you tired of living? Who sent you? My bodyguard will find me immediately."

Aaron said lightly: "I just put down your bodyguard, and then went in to catch you."

"..." Qin Shou shut up immediately.

He said again: "Dude, did you admit the wrong person when you asked for money? Qin Shou, I want to be very low-key, and I never do anything wrong. Are you making any misunderstandings?"

Qin Ming smiled in his heart, this guy was quite calm in his heart, without yelling.

Qin Ming pressed his throat and said, "Even if you are in the old Qin's house, it is easy for me to arrest you in the manor compound. Even if you find the Zhao family in Beijing for help, I'm not afraid of you. Okay. ?"

Qin Shou swallowed his saliva, and the other party pointed out his identity, and also pointed out his important allies and backers of the Qin family, Zhao family in Beijing, the other party was clearly prepared.

Qin Shou hurriedly said: "Eldest, eldest brother...I am just an ordinary person. Although my family is rich, it has nothing to do with me. I am not loved by the old man at all, and inheritance is not my turn. Don't feel bad. If you want money, I can give it to you. Let's change a place and discuss it slowly. Besides money, I can give you a female celebrity. How about?"

Qin Ming was annoyed, these men were thinking of women every day? He can bore women now.

Pop, Qin Ming kicked over: "Go to your sister's female star, do you think Lao Tzu is you, thinking about life with \*\* all day?"

“Ouch.” Qin Shou fell to the ground and immediately changed his words: “Big brother, you are not good for women, so are men. I also have the resources for Xiaoxianrou to ensure that they are obedient.”

Qin Ming is annoyed, what is in this person’s mind?

Along suddenly pulled Qin Ming, and immediately pulled from behind Qin Shou’s hand, and pulled out a button-shaped communicator!

Aaron immediately crushed it and said, “Master, you have been fooled.”

Qin Shou’s face was pale, and he didn’t dare to speak this time.

Qin Ming’s heart was startled, and his face suddenly sank. The buttons on the cuffs of his suit were actually communicators. This was concealed enough. It turned out that Qin Shou was delaying time from the beginning.

In this posture, the opponent’s bodyguard quickly rushed to reinforce.

After Qin Shou stroked his breath, he suddenly became hideous and said, “Since you know my family background, you also know the capabilities of our old Qin family. Dare to kidnap me, I don’t care who you are, what are you capable of welcoming me? The anger of the Qin family?”

Qin Ming smiled and looked at Qin Shou, this is what he thought Qin Shou should be, and said, “Oh oh, it’s very arrogant now? Take this business card, go home and ask if you can offend it. Otherwise, Don’t want to leave Guangzhou alive.”

Qin Ming put a mysterious business card into Qin Shouyi’s pocket.

After that, Qin Ming and Along left the scene quickly. Before the two of them had gone far, a large number of cars and helicopters arrived immediately.

Aaron looked at him and said, "Master, I'm sorry, but I didn't find him doing little tricks. Thanks to us walking fast, otherwise we will be surrounded. When the time comes, the two sides will refute. If there is something Master wants to do, I will be upset. ."

Qin Ming smiled faintly: "It's okay, the goal has been achieved. This guy is a bit more interesting than I thought. I will play with him slowly."

Qin Ming was about to leave the scene, and suddenly three black Audi cars chased up and stopped the two cars.

A bodyguard got down from the three cars opposite, and shouted at Qin Ming in the back seat: "Get off, get off..."

Bang Bang Bang, Qin Shou's bodyguard knocked directly on the window and asked Qin Ming and Along to get out of the car.

Qin Ming's smile instantly solidified.

Suddenly, Qin Ming burst into the domineering spirit of a superior, and said: "Along, I will abolish them all. Let that Qin Shou walk back tonight by himself."

A Longtou got out of the car without returning, and said, "Yes, Master, please wait a moment."

# Chapter 509

Bang, Aaron closed the door and glanced at the eight sturdy Qin Shou bodyguards around him.

Along was actually quite surprised. Qin Shou used the micro communicator to contact the bodyguard. It took a short time, but the opponent rushed over quickly. This speed is comparable to their daily protection of Qin Ming. This can be regarded as an opponent. .

Usually Aaron's work is more casual. Today I see these eight bodyguards, none of them are waiting for leisure. They are secretly pressing their weapons while keeping a certain distance. They can attack and retreat, and they are very professional.

A bodyguard stepped forward and asked, "What are you doing? Why are you here? There are no cars around. Are you doing bad things? Call your companion down."

Whoosh!

Aaron suddenly punched and punched the talking bodyguard, but the latter also reacted extremely quickly, blocking Aaron's fist with one hand.

However, Along's fist was too powerful, but the opponent blocked it but was hurt by his fist, and he staggered back.

The bodyguard immediately yelled: "Brothers, they kidnapped the young master, come on!"

Seeing these people, Along immediately took out a knife with his hidden right hand, the corner of his mouth raised, and said, "It seems a bit interesting today."

Whoosh, these bodyguards attacked each other in twos, conducting a wheel-to-wheel battle in an orderly manner.

Under the dark night, Aaron dodges flexibly, but it is difficult to find opportunities. After all, there are many people on the other side, and these people are not so easy to fall under Aaron's fist.

On the other side, Qin Ming stayed in the car.

With a loud bang, these Qin Shou's bodyguards actually smashed the window of the car.

However, Qin Ming's car is bulletproof glass, which is not so easy to break.

Qin Ming knew that he had miscalculated this time, and did not calculate Qin Shou's self-rescue means very well, but let him show his feet instead.

Then there is no other way, but Qin Shou can see his wrist.

A minute later, Qin Ming looked outside the car, Aaron shook his hand, and eight Qin Shou's bodyguards fell on the ground. Although it put a lot of pressure on Aaron, Aaron's hand-to-hand combat was even more powerful.

Qin Ming walked out and asked, "Along, go, grab that Qin Shou for me, and destroy all his people."

Along didn't hesitate. Qin Ming's words were like military orders. He took clothes and some tools from the bodyguards on the ground and drove back in their car.

Qin Ming believed in Aaron's abilities very much. The name of the king of veterans was not comparable to that of the general population.

However, Aaron only walked for a minute, and Bi Yuan also rushed in quickly, with a large number of subordinates.

Bi Yuan said, "Master, do you need us to clear the venue?"

Qin Ming shook his head and said, "It's not good to kill them. Aaron can go and abandon them. When you collect their cars and helicopters, you can't make a trip for nothing, and the meat on the grasshopper's legs is the same. Meat and small money are also money."

Bi Yuan looked at the abandoned factory and was embarrassed. Before, he was responsible for protecting Chang Hongxi, and he was always by his side. Now Qin Ming doesn't like being personally protected from time to time, so he takes this Aaron.

However, Aaron is so strong that he often does not need the protection of their assassination squads. Instead, he becomes an errand runner, which makes Bi Yuan very depressed.

Especially Qin Ming changed many of the captains of the assassination team recently. This job is still very good, and no one wants to lose it.

Bi Yuan said: "Master, why don't I go help, so that Aaron is injured."

But as soon as he finished speaking, a car drove over, and Aaron threw Qin Shou out of the car, who was trembling with fright, and said, "Master, it's done."

Qin Shou was blindfolded, unable to recognize Qin Ming's appearance.

Along didn't even get hurt, which shocked Bi Yuan and others.

They looked at these bodyguards as unusual, and they probably had a little time to pack them up. As a result, Aaron was so easy and simple.

Qin Ming looked at Bi Yuan and others meaningfully. The latter were silent, as if Qin Ming's eyes were very meaningful.

Qin Ming walked over, holding Qin Shou's handle, and said: "Qin Shou, weren't you very mad just now? I originally taught you a lesson, but you were not convinced? You called someone? Now it's all for me."

Qin Shou was still not convinced, and said angrily: "You, you let me go, my Qin family is not something you can afford to offend, there is a kind of let me see who you are?"

Bang, Qin Ming directly punched Qin Shou in the face.

Bang, stepped on his calf again.

"Ah!" Qin Shou cried out in pain.

Qin Ming squeezed the opponent and said, "I warn you, if you dare to harass Chen Muling, I will kill you directly, and I will do what I say. It won't help if you send more people."

Bang, after the warning, Qin Ming directly threw Qin Shou aside, making him yelling in pain.

Qin Shou fell to the ground and said in pain, "Who are you?"

Qin Ming turned his head faintly, and said, "You can't offend someone."

Half an hour after Qin Ming left, the people of Cao's family finally got the message and rushed to see that the scene was in a mess. Qin Shou and his bodyguards were all abandoned and they couldn't stand up.

"Who did it?" Boss Cao looked at a group of fallen bodyguards in the abandoned factory, with lingering fears. Does anyone in Guangzhou dare to challenge Qin Shou?

Although the Qin family is not in Guangzhou, anyone who has information channels in Guangzhou does not know how powerful the Qin family is?

Cao Xiangliang went up to help Qin Shou the first time, and said, "Brother Shou, you are actually injured? Who, who is so nasty, dare to take you away and hurt you?"

Qin Shou slapped the other hand and cursed, "What about your mother? Lao Tzu was arrested at your house. Did your Cao family let people in?"

Cao Xiangliang was very embarrassed, standing aside like a fool, not daring to touch the mold.

Boss Cao had a dark face. The great god who came here at home can't afford to offend him. Now he can't protect him. Life in the Cao family will be difficult in the future.

Qin Shou angrily said: "Don't hurry to take me to the hospital, grass, you trash. I will tell my dad to kill you."

Cao Xiangliang immediately turned around and shouted to the bodyguards of his home: "Yes, yes, what are you doing in a daze? Hurry up and send Brother Shou to the hospital."

Not long after, ambulances came one after another and carried away all of Qin Shou's 16 bodyguards. Every bodyguard was scarred, with broken hands and feet, and his face was swollen.

Boss Cao frowned and said, "When did this kind of character appear in Guangzhou? This is too exaggerated."

"Son, do you have any clues?" The old lady Cao stepped forward and asked: "This time Qin Shou was taken away from our Cao family and was injured. This scapegoat is for our Cao family to bear."

Boss Cao was also frowning and said, "Mom, did you go to the Mu's house and found the real Zhang? I heard that Zhang Zhen had a good relationship with the Qin family in the early years. If he speaks, it should be resolved peacefully."

Old lady Cao sighed: "No. But it was Qin Ming, the son-in-law of the Mu family, who said that he had already mastered a certain skill after worshipping Zhang Zhenren as a teacher, but I didn't believe him, he was unreliable."

When Boss Cao heard this, he was anxious: "Oh, mom, why didn't you say it earlier? No matter whether he is successful or not, since he is Zhang Zhenren's apprentice, his apprentice can't figure it out, won't Zhang Zhenren take action? I'll contact him."

Author: I apologize, the child at home is still ill, and the author is also ill. I'm sorry. I'm so hard.

## Chapter 510

After the night, a mysterious cloud filled the wealthy circles of Guangzhou.

Qin Shou, the young master of the Qin family, a super giant in the sea, was abducted by a mysterious man in the Cao's house, and the bodyguard who was going to rescue Qin Shou was knocked down and Qin Shou was injured even more.

Everyone wants to know, what is it?

But no one knew, only that the other party asked to protect Chen Muling, a woman who seemed nothing special except her face.

No matter how these people checked, Qin Ming couldn't be found.

But when those gossip magazines planned to publish all kinds of strange contents, they had not yet published the contents, and they were suppressed by mysterious forces. The major wealth magazines and entertainment magazines all deleted these articles.

So these words are only spread by word of mouth among the people in the circle. Everyone is saying that the Cao family is probably going to be the second giant to fall after the Nie family?

Everyone in the Cao family is in a bad mood, and former close friends have intentionally or unintentionally distanced themselves from the Cao family to avoid the anger of the super wealthy Qin family from spreading to themselves.

Although Qin Ming was the initiator, he didn't take this seriously. He had already left the contact information, and the lesson was given, and the result should be soon.

Sure enough, Song Ying called that night and relayed the apology of the old Qin family, apologized to Chen Muling for hurting Qin Shou, and promised not to target the Chen family again.

But Qin Ming was not very happy yet.

Seeing that Qin Ming's face was wrong, Song Ying asked suspiciously, "Master, are you worried about Qin Jiayang's violation of Yin?"

Qin Ming shook his head and said, "The Qin family didn't make an apologize? Just an email of apology?"

Song Ying smiled slightly: "You have taken away people's planes and cars and injured so many elite bodyguards. Why is the Qin family willing to spend money? This is still the old Qin family, and it is said to be more stingy."

Qin Ming shook his head and said, "No, it means to look down on me. The other party must know who I am. Ho ho, this old Qin family in the sea city really wants to touch him."

Song Ying said, "Master, you are the richest man in the world. Although the influence of the Qin family is not small, it is still not enough to look at you. You don't need to be afraid, but the Qin family is closely related to the Zhao family. Maybe this is the confidence. ."

Qin Ming nodded and said, "The Zhao family gave them more confidence than I gave them. Therefore, they only apologized for the Qin Shou incident. They really don't put me in the eye, ho ho. He. My son bullied men and women in Guangshi and provokes me. I feel that an apology can be passed. Indeed, I have no dignity towards them."

Song Ying said: "Then young master, we need to take action to teach the Qin family a lesson, right?"

Qin Ming shook his head and said: "Forget it for the time being, I should know that I already know it. Right now I have to keep my second identity. The master said well, a person needs to have several layers of skin to live, and the more skin, the way The more."

Although it was not taken seriously, Qin Ming felt a little unhappy.

But Qin Ming is also very sensible. If he is not afraid of you, he will send an email to apologize. He must be confident.

The next morning, after Qin Ming finished class, he saw a row of cars at the intersection of the campus. Two bodyguards in suits and leather shoes were waiting for Qin Ming.

“Mr. Qin, our boss has a request.”

Qin Ming squinted and saw that the people in the car were the head of the Cao family, Boss Cao, and Granny Cao. The mother and son were here.

Qin Ming shook his head and said, “I don’t like so many people.”

“Disperse all.” Boss Cao immediately asked people to leave, and the bodyguards listened to the order, one by one hiding away.

Qin Ming got into Cao’s car now.

The Cao family drove the car to a high-end restaurant, specially opened a private room to entertain Qin Ming, this courtesy, Qin Ming also guessed, most of it was his words, let the desperate old lady choose him.

Boss Cao pouring tea to Qin Ming politely, praising: “Come here, Brother Qin, it’s a blessing to marry Miss Mu’s family at a young age. A beauty like Miss Mu is rare in the country. Eh. What do you want to eat, Brother Qin, you’re welcome, order whatever you want.”

Qin Ming didn’t correct these things. He smiled faintly, took a sip of tea, and said, “Boss Cao, let’s get straight to the point. I’m just a small person. If you have anything to do, just say it.”

Boss Cao said politely: “Little Brother Qin is really outspoken, in fact...”

Bang!

Before the words fell, the door was suddenly kicked open, and a group of people rushed in. No, the bodyguard of the Cao family was punched in.

This sudden change made Boss Cao pale with fright.

Leading a middle-aged man full of majesty, he glanced at Boss Cao and said angrily: "Old Cao, hid several times, and finally caught you. This time you broke something, our young master was caught in your Cao family compound. The gangsters caught them and encountered an ambush in the abandoned factory. They lost a lot of manpower, all because of your Cao family's ineffective protection, and your Cao family can't shirk the blame."

Boss Cao saw the visitor and hurriedly said, "Wei Guoping, I arranged for Qin Shao the best Century Mansion in Guangzhou. He refuses to go. I can't be blamed for this."

The majestic Wei Guoping sneered: "I'm not talking nonsense with you. I came to Guangzhou this time to settle accounts with you. Our young master, and the manpower that was damaged this time. You put our Qin family to shame, and the old man is very angry. I think it's your son Cao Xiangliang who brought our young master to ruin."

Boss Cao was aggrieved by these words. His son is a dude, but where is Qin Shou? Isn't he also a dude?

Old lady Cao asked with a green face, and asked, "Xiao Wei, we have a lot of contacts, and we used to give you a lot of gifts. Don't scare my old lady here. Just ask what the Qin family is going to do."

Wei Guoping saw Granny Cao's momentum suddenly weakened, and said: "My father meant, since our youngest birthday likes your granddaughter, then your Cao family should agree to this marriage. In addition, the dowry will cost 30 billion yuan. In-laws, this matter is over."

When Qin Ming heard this request, he immediately saw Boss Cao making a fist, daring to be angry but not speaking, which was aggrieved.

Granny Cao also lowered her face. Not only did she give away her granddaughter, she would also have to pay 30 billion in dowry? Isn't this bullying?

However, even if the other party said that, the Cao family couldn't help it.

After all, the opponent's power is huge, not the Cao family can compare.

Wei Guoping said again: "This is what our old man meant, old Cao, don't say I won't help you, Shou Shao is the grandson that old man loves very much, knowing that he has been wronged, he will rush to your Cao's house. If it weren't for us These people stop, I am afraid that the anger of the old man will burn your Cao family."

Old lady Cao suddenly stood up and said to Qin Ming: "Brother Qin, what you said last time is really not true? I'm not afraid you laughed, you also saw it, our Cao family is like this now..."

Qin Ming smiled and said, "Of course, Mrs. Cao, can I make you happy with this kind of thing? As long as I do a ritual, open up the light, and transfer the good luck to your Cao family, then there will be no problem."

Mrs. Cao immediately said: "Okay, let's admit it. I'll admit a goddaughter, Qin Xiaoge, do you have a suitable candidate?"
