

Rags To Riches Chapter 575

"Hey, Bai Yuchun, can you give me a lift to Gushui Town in Jinshazhou on the outskirts of the city?" Qin Ming asked as he leaned over the car window.

Bai Yuchun, who was about to fasten her seatbelt, gave a start.

"Ah!" Bai Yuchun exclaimed, and only after seeing the visitor did she say, "Why is it you? You should hurry up and pay back my brother's money. My brother was badly hurt by you and was scolded by my father, and he wants to ask the bank for a solution today. It's possible that the bank will come looking for you later."

Qin Ming smiled lightly, "That has nothing to do with me, I'll just perform how the gods and goddesses dance, can this be considered that I stole money? I say, can you give me a ride to the outskirts of the city? It's not a good time to take a taxi during rush hour, I'm in a hurry."

Bai Yuchun shook her head and said, "I don't want to, I ....."

Bai Yuchun suddenly paused as she spoke, she looked at Qin Ming and suddenly her head tilted and said, "Zhao Zhengyin?"

Qin Ming smiled and asked, "Eh, it's me, what's wrong?"

Bai Yuchun squinted her eyes and shook her head, propping her head up with both hands, seemingly confused by Qin Ming.

Qin Ming was straight happy in his heart, probably like Nie Haitang, who was extremely suspicious that he was Qin Ming.

In theory, Qin Ming was now working with Zhang Quanzhen, so he should have kept a low profile and not have too much contact with his former acquaintances, but Qin Ming couldn't help it.

He was rushing to the car to go after Nie Haitang. Anyway, he refused to admit that he was Qin Ming, so there was nothing anyone could do about it, right?

Bai Yuchun hesitated for a moment and said, "Well ..... okay, but you have to promise me one thing."

Qin Ming nimbly got into his car and went and asked, "What is it? Promise you everything."

Bai Yuchun said while driving, "Zhao Zhengyan, can you impersonate someone for a while?"

Qin Ming was stunned and asked curiously, "What kind of person, tell me, I can still do it if it's just for a while."

Bai Yuchun bit her lip and added, "But you have to swear to keep it a secret and not divulge it, if you break it, you will become a pauper."

Qin Ming narrowed his eyes in depression, poor man? Him? It was already impossible, he was already the richest man in the world, unless the Zhao family had unforeseen and killed him off.

"....." Qin Ming rested his chin and propped himself up on the edge of the bed, taking a closer look, this girl has changed a lot, her voice has gotten louder? There is still confidence, but there is always a faint sadness in the eyes.

Qin Ming looked at this luxurious Martha, the car alcove put three or four pricey mobile phones placed randomly, a variety of perfumes, behind a bag, are luxury goods, Bai Yu Chun's own makeup is also relatively thick, eye shadow, foundation, eyelashes, lip glaze, hair, jewellery earrings, black stockings, slightly exposed style of dress, slightly exposed breast.

This taste ..... has run to the sexy route.

But Bai Yu Chun is young and has delicate skin, this dress is not only very good looking but also very stunning, her biological parents' genes are indeed powerful.

But to the current her, give people the feeling is not decent enough, a look let people misunderstand is to go to a nightclub to get high rich girl, waiting for men to hook up with the woman, reflect a word, wave.

There's no such thing as a simple woman who is a good wife and a good mother, suitable for marrying and living a peaceful and down-to-earth life.

In the past, Bai Yuchun had given him the impression of being a hardworking, thrifty woman who could not help but "bully" for fun, but despite that, she was still like the strongest of weeds, with the strongest of hearts, and had even done things that she would rather die than give up, which was very endearing.

"You've changed so much." Qin Ming said.

"You've changed so much." Bai Yuchun also said at the same time.

After they said this, they both looked at each other at the same time, very surprised.

Qin Ming explained, "Oh, I saw you when you first enrolled in school and felt that you were very plain and friendly, I didn't expect you to have changed so much now."

Bai Yuchun would also say, "Who says otherwise, when I first knew you, you were so wimpy, lowly, not talkative and walked with your head down. I didn't expect that now you've become Master Zhao, and last night you stole all the limelight, and now the circle of the rich and powerful are talking about you."

Qin Ming smiled lightly and asked, "Oh, enough of the small talk. Then I swear that I won't give away what you asked for. Who do you want to impersonate? A boyfriend? A shield, huh? Family pushing you?"

Bai Yuchun shook her head and said, "Impersonating my ex-boyfriend."

Qin Ming turned around in surprise, "Turtle, how long has it been since this girl fell in love?"

Bai Yuchun reached out and fished out a Huawei thousand-dollar phone from a side bag, along with a cute little rabbit phone case to protect it.

She opened a video and handed it to Qin Ming to watch.

It was a cartoon animation video in which the male and female protagonists were eating fried chicken and chatting together by an unbuilt artificial lake.

Later on, the heroine encountered all kinds of storms, and the male protagonist used his body to protect the heroine, and even gave her the most creative underwater treasure hunt birthday celebration in a swimming pool, and gave her a blood diamond necklace.

The final sequence is the heroine in that unbuilt man-made lake, where the heroine professes her love and then it's gone.

Wasn't this nonsense what he and Bai Yuchun used to do?

Qin Ming bit his lip in a tangle and asked, "This is ....."

Bai Yuchun said slightly dishonestly, "This, this is the story of me and my ex-boyfriend, I made the little video myself, haha ..... heh, heh. The video is not very well done, don't laugh at me. How about you just pretend to be my boyfriend for a little while and act out the part of the confession with me?"

"....." Honestly, Qin Ming regretted a little, he shouldn't have gotten on this Bai Yu Chun's bus: "Damn Ma Guo Guo, he left me to go first, you dead licking dog, set me up."

Qin Ming scratched his head and couldn't help but ask, "So what's your ex-boyfriend's name, how could he refuse such a nice girl like you? He's crazy."

Bai Yu Chun's eyes drifted about as she said, "He, his name is Qin Ming, he just looks a bit like you, you don't know him. He, he liked me a lot. .... He just died of a terminal illness. I just see that you look quite similar to him, you play him."

"....." Qin Ming propped up his head in a tangle again, Bai Yu Chun, you're wrong to say that.

Brother rejected you, you can't curse brother's terminal illness, ah.

Qin Ming said, "But I'm not a good actor."

Bai Yuchun said, "It's not like you need much acting skill, you imagine him as a calm, mature, stalwart, brave, domineering, and super rich big shot. Oh, and he has to have an overbearing air of looking out of the world. His eyes are the best looking, like the sharpness of an eagle, like the penetrating power of a lion, this you have to act like. Cough cough, you just don't have any lines, at the end, just say, I do."

Qin Ming thought about it, just, so we are so perfect in your mind, so let's satisfy your so humble wish.

Bai Yuchun suddenly gave a start and asked, "Eh ah, I forgot to ask, what are you doing in Ancient Water Town?"

Qin Ming said, "Nothing, to pretend/behave."

Bai Yuchun asked curiously, "You're really rich, and you're also from the Zhao family, who's so ungrateful as to provoke you?"

Qin Ming smiled faintly and gave an evil sneer, "Someone who owes it to himself. If you give someone a good beating, they will be honest."

Bai Yuchun twisted his head to look at Qin Ming's expression, and a trance appeared.

"Qin Ming?" The Qin Ming in her mind and the man in front of her almost perfectly overlapped.
