

Chapter 579

Ma Minmin was exceptionally annoyed and said loudly, "Zhao Zhengyin, don't think that just because your family is rich, you can do whatever you want. I've heard that you, a coward, are not very popular with your parents either. Last time you burned our clothes and electronics, and this time you spied on your female classmates in the toilet and tried to take pictures. I'll see how your parents will protect you this time!"

All the students abhorred Qin Ming's behaviour of "raiding the girls' toilets" and were determined to punish him.

Qin Ming was also depressed, he was not interested in this matter, instead, he saw his companion's handsome boy Qiang Dong, he hurriedly asked, "Where is Nie Haitang? Didn't she go out with you just now?"

That Qiangdong frowned and said, "She said she went out for a walk and drove me back, how should I know? Zhao Zhengyin, you're still thinking of picking up girls even though you can't protect yourself? You're really odd."

When Qin Ming heard that Nie Haitang had gone out on her own, the big stone hanging in his heart inexplicably dropped, it seemed that he had been overly worried.

From what he knew about Nie Haitang, Nie Haitang was not a casual person.

She probably wanted to let go of Qin Ming, so she wanted to walk around the ancient town and water town alone to take a break.

Ma Minmin grabbed Qin Ming's collar and angrily scolded, "Tang Qiao was scared by you and has already gone back to the hotel. Grass, how dare you still think about her? You're dead tonight. Classmates, arrest him and send him to the police station."

"Good!" The group let out a roar, and they all looked like they were going to do justice on their own.

"Wait a minute." Suddenly, Bai Yuchun, who was on the side, reached out to block in front of Qin Ming and said, "What are you guys doing? Can you slander someone so casually? Zhao Zhengyin, who did he peek at going to the toilet? Bring the man here! Confront him face to face, otherwise it's all empty talk."

"This" Ma Minmin and the others shut up at once.

It wasn't just Bai Yuchun's words, but Bai Yuchun as a person.

He, like Nie Haitang, was a beautiful school girl who had transferred to the school and caused quite a stir as soon as she transferred in because of her sweet looks and meekness and cuteness.

However, after the boys started gossiping, they found out that she was the long-lost daughter of the Bai family, a wealthy family in Beijing.

Bai Yuchun obviously looked like she was defending Qin Ming. Ma Minmin and the others knew Bai Yuchun's background and had usually heard of the school's popular figure, and Bai Mingyu had great respect for Bai Yuchun, so Bai Yuchun looked soft, but her background was enough to make Ma Minmin and the others not dare to make a move.

Ma Minguo and the others had to disperse as he stared grimly at Qin Ming and whispered, "Zhao Zhengyan, I won't let you go, no matter how much money your family has or how many connections you have, humph, you dare to bully Tang Qiao, I'll make you pay the price!"

"....." Qin Ming's face darkened, how could he explain this misunderstanding?

"Whatever." Qin Ming didn't bother to explain, this guy could do whatever he liked, he wasn't afraid at all.

After the crowd dispersed, Qin Ming said, "Thank you."

Bai Yuchun grinned and said, "You're welcome. Don't you want to find that Nie Haitang? I'll help you find it together, right?"

"Well there's no rush now if she's on her own." Qin Ming said, "I'll just go look for it myself, so go do what you need to do."

Bai Yuchun's heart moved and she said shyly, "Then, then Zhao Zhengyan, why don't you finish what you promised me first? I think the setting here is quite nice, so you can pretend to be my ex-boyfriend and let me relive that scene where we confessed our love. Please."

Qin Ming scratched his head and said, "Okay, it won't take much time anyway."

Qin Ming originally didn't really want to do that, but Bai Yuchun was his good friend and liked him, so he couldn't respond to her feelings, and now she was just looking for "Zhao Zhengyin" to take a video to keep for herself, which wasn't too much, so he was soft-hearted.

The two of them walked to the river of the ancient town, the small boats were propped up, the night lights were shining on both sides, the tourists were coming and going around, I have to say, the night scene of the ancient water town is very beautiful, if you wear the Chinese costume, it is like traveling back to ancient times.

Qin Ming brewed up his emotions, made enough expressions and asked, "Ahem, does it look like that now?"

Bai Yuchun watched Qin Ming come in front of him, but became apprehensive and said, "Qin Ming?"

Qin Ming hurriedly lied and said, "I'm Zhao Zhengyin ah, Bai Yuchun, don't misunderstand, didn't you say that I look like your ex-boyfriend? How is this aura of mine imitated?"

Bai Yuchun said, "Huh? Oh, yes, it's so similar, it would be even more similar if you changed your clothes. Eh, right, let's change our clothes too."

Bai Yuchun dragged Qin Ming to the intersection of the ancient town, where there were some hand-made clothes sold, all local tailors' clothes, a hundred or so yuan is not expensive, so the two bought a set each to change into.

Once the clothes were changed, Bai Yuchun became plain, and she also took off her make-up and all her jewellery, her face was still as delicate as ever, but the air of a wealthy girl from a wealthy family was gone, so she wanted to go back to the soft girl who came out of the mountains of Sichuan Province.

Qin Ming walked out of the toilet, wearing a pair of cheap jeans and a round-neck t-shirt, coupled with darker skin, he was getting farther and farther away from the image of "Zhao Zhengyan", infinitely overlapping with the him of a few months ago.

Nie Haitang had been hiding in the shadows, watching the two men's every move, not knowing what they were up to.

But she was familiar with this look of the duo, which was set aside a few months ago, when the two would have looked like this, plain as day, in the city of Canton.

Although Nie Haitang didn't know what Bai Yuchun was up to, she was still a little upset that she had made Qin Ming give up on going to her as soon as she showed up, before she had completely figured out whether the man in front of her was Qin Ming or Zhao Zhengyin.

Nie Haitang hummed in her heart, "This Bai Yuchun, how could she get involved with Qin Ming before and now with Zhao Zhengyin, who Qin Ming is so much like?"

However, she wore a spun veil aside to cover her face and pretended to be someone wandering around.

Bai Yuchun, however, came to her with her mobile phone.

Bai Yuchun said, "Miss, hello, can you do me a favour?"

Nie Haitang, who was peeking in, suddenly panicked and asked, "Do what?"

Bai Yuchun said politely, "We're going to make a little video later, just help us record it."

Nie Haitang looked at Qin Ming and couldn't help but ask, "Is that guy your boyfriend?"

Bai Yuchun shook her head and said, "No, he's an actor I found. You don't need to shoot him in the front, just shoot him in the side."

Nie Haitang let out an oh, pressed the phone holder, found a good angle and prepared to shoot.

Qin Ming, on the other hand, was turning his back to the two women at the moment, brewing his emotions, after all, he had to make up for Bai Yuchun's shortcomings, he didn't want to waste time by filming twice, so he didn't turn around and didn't see Nie Haitang who was merely masked.

Bai Yuchun walked back, she came slowly from a distance, with apprehension and worry in her heart, but her firm steps had already been taken.

Just as she had done when she slowly walked towards Qin Ming from outside the Wei Ming Lake.

Bai Yuchun walked up to Qin Ming, biting her lip, and said, "Qin Ming, I like you whether I am poor or rich, Qin Ming you are the best in my heart. I, I know that I am not reserved enough to confess my love as a girl, but, but but I am afraid that you will be snatched away by others again, can I be your girlfriend?"

Looking at the nervous Bai Yu Chun, small hand holding his chest, eyes drifting not dare to look directly with Qin Ming, this is exactly the recreation of the confession several months ago, the dialogue are exactly the same.

"....." Nie Haitang, who was holding up her phone to record the video, her whole body was not well.

What on earth were these two doing?

Was this really Qin Ming? Did Bai Yuchun already know about it? Was she the only one who didn't know?

Nie Haitang's heart was in turmoil, reason kept telling her that this was the changed Zhao Zhengyin, but a woman's sixth sense kept reminding her that he was Qin Ming, the man you had been thinking about day and night.

When Qin Ming had not yet responded, Bai Yuchun suddenly burst into tears, she remembered when she was at the unnamed lake, when Qin Ming had rejected her, and could not control it at once.

Qin Ming sighed inwardly, reached out his hand, gently wiped her tears, and said, "Well, yes, pure, I like you too."

Bai Yuchun sobbed and suddenly leaned her head on Qin Ming's shoulder, seeking a moment of peace, and said, "Thank you, let me lean for a while, can I?" A Novel

Qin Ming had no problem with this, he should be a gentleman at this time.

He turned his head and said to Nie Haitang who was filming, "That who, thank you, you can turn off your phone now."

Nie Haitang was still dazed, her heart was sour, her heart was like a knife, for a moment, he felt that Qin Ming had agreed to another woman's confession. A Novel

Suddenly, a gust of wind blew by and the spun silk scarf on her face blew off to the ground, revealing her original appearance.

Qin Ming's pupils snapped shut, he looked everywhere for Nie Haitang, and she ended up right next to him, just now taking pictures with his phone?

Shit yeah, these played big time.

Nie Haitang bit her lip sadly, her two eyes rolling with hot tears, she covered her mouth and turned back, without saying a word, and quickly ran off into the crowd.

Qin Ming's heart was broken, you sister, this can even let Nie Haitang see?

"Bai Yu Chun, is that alright? I'm Zhao Zhengyin ah, I still have something to do, I'll go first." Qin Ming hurriedly pushed Bai Yuchun away and rushed to catch up with Nie Haitang who had fled.
