

## Chapter 649

Ever since she found out about the takeaway shop where Qin Ming worked, Mu Xiaoqiao had been ordering takeaway every day, just waiting for Qin Ming to arrive.

The day before, Qin Ming was still torn, but the next evening he simply came straight over with the dishes, specifically to cook and eat for Mu Xiaoqiao.

This day, Qin Ming said while washing dishes: "I still have more than a week to go at this job, so don't fiddle around. It's not healthy to eat too much takeaway."

Mu Xiaoqiao smiled as she plopped down on the sofa and looked at Qin Ming, saying, "I'll just shout for takeaway until the day you quit your position. I went to ask, the takeaway shop you worked at, Nie Haitang wasn't there, it was you and another guy who delivered the takeaway again, I misunderstood that you were delivering the takeaway for Nie Haitang, I'm sorry."

The corners of Qin Ming's mouth twitched, there was no such thing as a misunderstanding, but let her be.

He didn't want to talk about these topics, so he asked, "Things at the company are going well?"

Mu Xiaoqiao said, "Yes, it's fine. It's just that it's in a bottleneck and the brand is not well known in China. But it's not losing money. I recently signed a famous young artist and have to get busy with the promotion, I have an unexpected chat with her, by the way, she will come later and take a look at the clothes I designed."

Qin Ming's heart stirred and he asked, "Male and female?"

Mu Xiaoqiao ruffled her hair and said, "What? Are you worried that it's a man? Jealous?"

Qin Ming narrowed his eyes and said, "Not at all, just asking."

Mu Xiaoqiao said, "Female, I wouldn't invite a business man to the flat, I do have some personal relationship with that man and the same taste, we talk better."

"Oh." Qin Ming was a little happy in his heart, but on the surface he still didn't move and said, "Then I'll leave early. I won't be in your way."

Mu Xiaoqiao, however, did not miss Qin Ming and took his hand, saying, "What's the matter, she's not here yet. In fact, she came over just to chat, she's been in a bad mood lately, saying that her boyfriend is ignoring her and she suspects that he's cheating on her. She is very pretty and has a good personality, how dare his boyfriend have to cheat on him, I think it's too much."

Qin Ming said, "That's not normal, there are so many scum men nowadays. Who can blame her for being unlucky?"

Mu Xiaoqiao said, "Of course you men say that, humph, you didn't also steal my heart and ignore people."

Qin Ming put on a wronged expression and said, "It's obvious that you stole my heart."

Mu Xiaoqiao smiled playfully, hugged Qin Ming's arm and said, "Did you? Did you steal half of it then? Have you forgotten your other confidantes?"

Qin Ming swallowed his saliva, faced with Mu Xiao Qiao's questioning with this hidden smile, he could not answer, and he could not take his eyes off her beauty, it was such a refreshing experience.

When he first met Mu Xiaoqiao, she had a "dead mother" face most of the time, then she gradually became softer, but she often fell into a melancholy state, obviously pretty, but cold like an iceberg.

But after the last trip to Xiangxi, everything has changed, and now she is even more gentle, cheerful and lively, although not as spiteful as her sister Mu Sichen, who also likes to play pranks, but she does feel like a spring breeze.

The doorbell rang as the two of them were getting mushy.

Qin Ming said, "I'd better go first. There's an order later, I promised the takeaway shop owner that I'd have to work well for the last few days."

Mu Xiaoqiao smiled as she opened the door and said, "Oh, then will you come and sleep at my place tonight?"

The moment she opened the door, Mu Xiaoqiao said this, a beautiful woman dressed in fashion stood at the door, curiously tilting her head, as if thinking to herself, "Does Boss Mu have a boyfriend?"

But the next moment, she saw the person inside the house and was so shocked that she couldn't move her legs.

And Qin Ming was even more dumbfounded, who was this? Isn't this Huang Shutong?

Qin Ming made a snap decision and said, "Sorry, I've fixed the computer, we don't provide night service at Meituan takeaway."

Mu Xiaoqiao's willow brows furrowed and she said, "What are you talking about?"

Qin Ming frantically looked for Mu Xiaoqiao and scowled, Mu Xiaoqiao was puzzled for a moment and immediately understood, she remembered that Qin Ming said he was impersonating someone else and quickly said, "Just kidding you, you don't want to share a room with me, there's nothing I can do about it, I'll have to pay the rent in full myself."

"Oh yeah~!" Qin Ming's heart let out a roar of salvation, worthy of the woman he had fallen in love with, her reaction was quick enough, if it was anyone else, she might have been fooled.

Qin Ming then looked at Huang Shutong and said, "Huh? Why are you here, Shutong?"

Huang Shutong instantly sank her face, biting her lip, and said, "Why can't I be here?"

Hearing the conversation between the two, this time it was Mu Xiaoqiao's turn to be depressed, they actually knew each other?

"Couldn't be the boyfriend that sister Huang said was suspected of cheating on her, right?" Mu Xiaoqiao's heart thumped, but quickly denied herself, thinking, "No way, Qin Ming is not such a person."

Huang Shutong then said, "Zhao Zhengyan, why do you deliver takeaways? Why do you need to find a house to rent outside? And why don't you go back to our house?"

"!!!" Mu Xiao Qiao's beautiful eyes stared, hearing the most important words, they were living together?

Mu Xiaoqiao also instantly understood, Qin Ming was posing as someone else's fiancé, ah, and living together, getting it on or not? She was curious.

Qin Ming was tired in his heart, this world was a little too small, everywhere he went there were acquaintances.

Qin Ming said, "Uh, I have to deliver the takeaway, talk to you later."

Qin Ming ran out as if he was running, all the way downstairs, but when he stepped on the battery car, there was suddenly someone else in the back seat, and when he looked back, wasn't it Huang Shutong who had followed him out?

"What are you doing?" Qin Ming asked.

Huang Shutong bit her lip and said, "My fiancé, who ran to another single woman's house and asked to share a room, was invited to stay there tonight, I can't turn a blind eye."

Qin Ming said, "I was actually looking for a shared house for someone else who was a girl and also asked to share a room with a woman, you misunderstood. I'm rushing off to deliver a takeaway?"

Huang Shutong looked up at Qin Ming and said, "You didn't lie to me?"

"No." Qin Ming said seriously.

"Swear." Huang Shutong said very firmly.

Qin Ming rolled his eyes, "Swear my ass, he didn't want to swear, he just hated it in his heart, did that idiot Zhao Zhengyin come back to Beijing or not?"

As he was thinking about this, Qin Ming's phone rang and it was Zhao Zhengyan who sent a message, "Brother Qin, we have returned to Beijing, tonight Li Meng and I are staying in a hotel for the time being, is it okay if you disappear for a day tomorrow?"

Qin Ming was dumbfounded, Li, Li Meng?

His first love that tore his heart out, didn't think their trajectory was still unfinished? Why did Zhao Zhengyin mention Li Meng?

Qin Ming immediately messaged back, "Can you come over now? I'm having a hard time pretending to be you."

A short while later, Zhao Zhengyin messaged, "No, I can't. Li Meng is airsick and not feeling well, so I have to take care of him. It's enough for you to put up with it for one more night, Brother Qin."

"....." Qin Ming narrowed his eyes, what the hell is going on here? Fuck!

As Qin Ming was thinking, a hand suddenly reached behind him and stole Qin Ming's phone, Qin Ming panicked as if his heart had been hammered hard. The content of the message couldn't be shown to Huang Shutong.

However, fortunately, Huang Shutong only took away the phone and her eyes were not on it, but looked at Qin Ming with dissatisfaction.

Qin Ming immediately said, "Huang Shutong, give the phone back."

Huang Shutong's delicate face was filled with sultry resentment as she suddenly got out of the car and ran towards a side path.

Qin Ming was in a great hurry, was this girl crazy?

He immediately chased after her regardless, he couldn't lose the phone! Can't let things fall apart on this last night ah.
