

Chapter 2730

Alan wanted to cry, but there were no tears.

Why?

' Even though I sought revenge on Darryl, he is not dead. My position as the Altar Master is now removed, and I need to think about my mistakes while facing the wall?'

Alan grabbed Lu Dongbin's feet and cried as he begged him. " Saint Master, I know I am wrong. I know that now. I beg you, Saint Master, please forgive me.

' I've worked really hard for so many years to be made the Altar Master of Ryukin Sect. I am not willing to lose everything now!

However, Lu Dongbin was determined, even when he faced Alan's beg for forgiveness. He shook his head and said, " Alan, you are too focused on vengeance, so you are not suitable to be an Altar Master."

Lu Dongbin's facial expression looked serious as he continued to speak!!

However, your biggest mistake was to ignore Lady Chang Er's safety and focus only on seeking revenge on Darryl. Lady Chang Er is an exceptional woman; she is kind to everyone in the world. What would you do if anything were to happen to her? "

Then, Lu Dongbin raised his hand."

Just go! "

Sigh!

Alan completely lost all his hope as he nodded

However, when he rose, Alan's eyes were filled with evil coldness. have been at the Holy Saint Sect for more than ten years. I have always been loyal, but it looks like I am nothing compared to Darryl. Also, Lu

Dongbin, since you do not stand on my side, then don't blame me for being cruel.

" Saint Master, I'm sorry!"

Just as Alan was about to turn around, a strong aura exploded around his body. He raised his fist and punched Lu Dongbin's chest

Lu Dongbin's face immediately changed; he raised his hand and formed a layer of a protective shield in front of his body

However, Alan's intention was not only that. He turned around again as he raised his fist and put off one of the lamps beside Lu Dongbin.

There were nine lamps in the secret room that Lu Dongbin used for his cultivation. Those lamps were positioned according to the Yin Yang Bagua; it was called the Bagua Nine Palace Lamps. For the past few years, Lu Dongbin had new interpretations of the Taoism techniques. He invented a technique with Bagua as the foundation, and the Bagua Nine Palace Lamps was the key.

Alan was the Ryukin Altar's Altar Master, so he knew that putting off the Bagua Nine Palace Lamps would lead to severe injuries for Lu Dongbin.

" Alan!"

Lu Dongbin was furious and shocked; he shouted angrily, " What are you doing?"

Simultaneously, Lu Dongbin's face seemed a little weak.

Lu Dongbin's internal energy in his abdomen was a little messed up because he had left his cultivation much earlier. Then, he was involved in a battle with Darryl. So, when Alan put off the Bagua Nine Palace Lamps, it had messed with the internal energy in his abdomen again.

He was furious. He did not expect that Alan, who had always respected him, would ambush him so suddenly. Sigh!

Alan did not reply to him; his eyes shone with madness. He took the chance when Lu Dongbin was still weak to put off the remaining eight lights completely.

After he did that, Alan laughed coldly and said, " Saint Master, even though you are a Taoism Master, your thinking is too shallow. Since you embraced Taoism, you shall cultivate in the Illusion Virtual World."

Alan looked at a calabash at the corner of the secret room!

That calabash was called the Universe Calabash; it was the Holy Saint Sect's treasure. The myth mentioned that when the sky and earth broke, a spiritual item had appeared in the world. There was an independent space in that item, and it was known as the Illusion Virtual World.

It was said that the Illusion Virtual World was huge. It was filled with spiritual auras and was also incredibly dangerous at the same time. Many strong warriors had attempted to break in for the past few thousand years, but none of them could return successfully.

Lu Dongbin had wanted to enter the Illusion Virtual World too, but gave up because he did not have complete confidence to do it!

Alan's intention was obvious at that moment. He did not wish to kill Lu Dongbin, but he wanted to trap him in the Illusion Virtual World. Then, he would have no one to fear in the Holy Saint Sect.

Bang!

Bang!

After he had decided, Alan did not hesitate at all; he punched Lu Dongbin! Lu Dongbin's internal energy was affected without the Bagua Nine Palace Lamps. He was weak and could not defend himself.

Bang!

He hit Lu Dongbin with a strong punch. Then, a moan was heard before Lu Dongbin's body fell backward clumsily. His face was pale, and he was incredibly weak!

Then, Alan dashed forward and opened the seal to the Universe Calabash.

Intense energy exploded from the opening of the calabash and covered Lu Dongbin completely.

Chapter 2731

Whoosh!

The next second, the terrifying energy sucked Lu Dongbin's body, and the man disappeared out of sight. The man was trapped in the Illusion Virtual World in the Universe Calabash.

Sigh!

Alan took a deep breath, and the corners of his mouth lifted into a crazy smile before he laughed. There was no sense of heartache or pity at all in his eyes; he said coldly, " Saint Master, you can't blame me. You sided with an outsider. Stay in the Illusion Virtual World and leave the Holy Saint Sect to me!"

Then, Alan walked forward and picked up the Holy Saint Sect's Saint Master token on the ground. Then, he turned around and marched out of the secret room!

Once he reached outside, Alan ordered a disciple to gather everyone at the main hall.!

What?

Once they entered the main hall and saw what was in front of them, Diana, Jet, and the rest were stunned.

They saw Alan in the Saint Master's robe as he sat on the throne seat; his face was filled with arrogance,

" Alan!"

Diana was the first to gather her thoughts and shouted at Alan. " What are you doing? How dare you sit on

Saint Master's seat? "

She had been upset when Alan instigated everyone to attack Darryl. So, she was furious again when she saw him on the Saint Master's seat.

Everyone else replied in agreement too

" Alan, come down quickly! "

" Crazy ... " !!

A smile appeared on Alan's face when he heard everyone's scolding. He looked around and said calmly, " Everyone, please calm down. Saint Master asked me to go to the secret room with him before sharing some news with me.

" Saint Master had many new interpretations over cultivating in seclusion recently. He had left for the Illusion Virtual World, and so he handed the Holy Saint Sect to me. In other words, I am now the Holy Saint Sect's Sect Master."

Alan looked really serious when he said that.

Wow!

Everyone in the main hall was stunned when they heard those words. Each of them thought they had heard wrongly, That was too sudden.

" What?"

Jet walked forward with conflicted

emotions as he said, " You said that Saint Master handed the Holy Saint Sect to you? Is there any proof?"

Everyone knew that Lu Dongbin had wanted to explore the Illusion Virtual World. However, the man had also hesitated about that decision. Then, they heard that he had left for the Illusion Virtual World so suddenly. There were also many other talented disciples in the Holy Saint Sect; Alan was not a suitable candidate as the successor.

Wow!

The others looked at Alan in doubt. Alan did not panic at all; he smiled and took out the Saint Master token. " The token is here, Saint Master handed it to me personally. What other doubts do you have?"

Jet did not have any more misgivings when he saw the Saint Master token. He took a step forward and knelt in front of Alan. " Greetings, Saint Master!"

Jet thought that it was impossible for Alan to steal that token because Lu Dongbin's power was beyond one's imagination.

However, Jet did not know that Alan had used despicable ways to put off Lu Dongbin's Bagua Nine Palace Lamps and trapped Lu Dongbin in the Illusion Virtual World. The Saint Master token had dropped onto the floor during their battle, and Alan had taken it.

" Greetings, Saint Master!"

At that moment, everyone else, including Diana, knelt gradually,

" Alright, all rise!"

Alan raised his hand satisfactorily. Then, he looked at Diana with an evil glance.

Chapter 2732

" Diana!"

Finally, Alan said coldly, " Do you admit you are wrong now?"

When he said that, Alan did not stop leering at Diana; it was a weird look. Diana was famous in the Holy Saint Sect as the extreme goddess. All men would fall for her, and Alan was no exception. However, he had the same status as Diana when he was the Ryuku Altar's Altar Master. Plus, they had a feud between them, so Alan did not think too much about it.

However, things had changed; he had become the Saint Master of the Holy Saint Sect. If he wanted to conquer her, he would need to display his authority over her first.

Wow!

Everyone in the hall looked at Diana! Diana's body trembled; Alan's stare made her feel uncomfortable, but she calmed herself down and spoke gently, " I am confused. I don't understand what Saint Master had said; please enlighten me!"

Diana controlled the displeasure in her heart

The man was her enemy due to their feud with the Ryuku Altar. If he had acted like that previously, Diana would not have been able to control herself. However, she had no choice; Alan had become the saint master, so she needed to control herself even if she was not happy with him

Bang!

Alan slammed his fist on the table when he heard her reply. He growled, " You don't understand? Diana, how

dare you reply in such a way? Darryl abducted Lady Chang Er, and you are Darryl's Master. Don't you dare say that this matter is not related to you!" Alan looked around him and continued to speak, " When Saint Master was attacking Darryl's accomplice, you were still trying to stop him. What was your intention? You had better report everything clearly. Were you involved in Darryl's plan in abducting Chang Er?" Alan looked despicably happy when he interrogated Diana.

No one else knew that the person that Lu Dongbin had injured was Darryl. Wow!

Everyone in the main hall immediately discussed that

" That's not possible. Altar Master Olsen is involved in the matter Darryl abducting Lady Chang Er?"

" It's possible; Altar Master Olsen is Darryl's Master."

" That's right ..."

Everyone looked at Diana with suspicions

Diana bit her lips; her body trembled.

' Alan is a despicable man; it is obvious he is seeking revenge on me. Such a vile person; I don't know why Saint Master would hand the Holy Saint Sect to him.

Diana controlled her anger as she defended herself. This matter has nothing to do with me. Besides, the person that Saint Master injured is the real Darryl, the one who abducted Chang Er is obviously the imposter "

" Shut up! "

Alan's face darkened as he slammed his fist heavily on the table. He stood up immediately and pointed at Diana as he scolded her." You're still trying to remove Darryl's name from the crime?

Are you saying that Chang Er's abduction is not related to Darryl at all?!!

" Darryl's abduction of Lady Chang Er has spread across the entire Holy Saint Sect. Are you saying that everyone is blind?"

Many people nodded in agreement. Diana was worried. ' Why do they not believe me?'

" Diana!"

Alan took a deep breath and said coldly, " Stop being so stubborn; you can still admit your wrongdoings now. I will give you a chance. Kill Darryl's accomplice immediately. Then, I will forgive your wrongdoings!"

Sandhurst was Darryl, and Alan knew it better than anyone else, Alan did not really want to kill Darryl; he just acted in that manner as a show for everyone

What?

What?

Diana's heart trembled; there was reluctance in her gorgeous face. Next, she said to Alan, " We still don't know anything about Lady Chang Er's abduction. How can you claim it is related to Darryl?"

Chapter 2733

" I know Darryl humiliated you a few times when he first joined the Holy Saint Sect. So, you kept that vengeance in your heart, and you want to get rid of him.

" If this thing is related to Darryl, then I will definitely not let him go. But you have not even investigated the truth, yet you want me to take action. I can't do that
" Also!"

Diana's face looked cold as she said, " I feel ashamed to have someone like you

as the Holy Saint Sect's Saint Master." She intentionally emphasized the last few words.

Diana did not want any trouble with Alan, but she had never imagined that Alan would ask her to kill Darryl. Diana could not accept that at all.

Wow!

The entire main hall was completely silent! Everyone stared at Diana!

' What did she say ?! Alan had just taken over the role as the Saint Master, and she said that was a humiliation to Holy Saint Sect?'

The Saint Master's words were the sect's regulation. Diana's words were like a betrayal to her superior.

Alan's facial expression changed instantly. How could he keep his dignity when Diana scolded him in front of so many people?

The mood in the main hall was depressing at the time.

Sigh!

Alan's face lit up with a smile as he nodded and said, " Fine, that's fine. Do not blame me because you are stubborn and insist on covering for Darryl. Take her down!"

Alan's face was furious as he said it, but his heart was overjoyed.

He had forced Diana to kill Darryl to enrage her. He would have a legitimate reason to lock her up with that. Only by imprisoning her would he be able to enjoy the gentleness of her beauty,

Jet and the rest of the people in the main hall all looked at each other.

Whoosh!

Then, everyone activated their internal energy and surrounded Diana. None of those people were willing to take

action against Diana, but they could not ignore her humiliating the new Saint Master.

" You,"

Diana's body trembled as she saw that, and she was worried and enraged, Even though Diana was extremely powerful, there was no way for her to defend herself against so many people, and she was quickly imprisoned, " Take her away and lock her up!" Alan waved his hand.

A few disciples held Diana as they left the main hall!

" Master!"

After they just left, a slim body walked forward; it was Tina Zegg.

Tina was overjoyed that her master had been promoted to Saint Master.

She said, " Darryl's accomplice, the man named Sandhurst, is still healing in the back room, Master. What are we going to do with him?"

Alan smiled as he looked at Tina. "Interrogate him with force. The best option is to track Darryl. That is something I will leave to you! "

" Yes, Master! " Tina nodded immediately

Then, Alan raised his hand." Alright, everyone else may leave. Tina, stay! "

When he said that, Alan's eyes shone with complication.

Jet and the rest bowed and then left the main hall.

" Tina!"

Then, Alan waved his hands at Tina!

Tina walked forward and asked with respect, " Master, I mean, Saint Master. What order do you have for me?"
Sigh!

Alan took a deep breath as an evil smile appeared on his face. " No need to interrogate Sandhurst; just kill him!"

Chapter 2734

Why?

When she heard that, Tina was shocked. She was also doubtful. Master, it's obvious that the man would know about many matters. Why aren't we interrogating him? "

" Silly disciple! "

Alan smiled lightly before he spoke seriously." Sandhurst is Darryl; the one who abducted Lady Chang Er was an imposter! " There had been others in the main hall earlier, and Alan would not have told them. With everyone gone, he had no other concerns.

Alan was unconcerned that Tina would betray him. Tina had been Alan's disciple when she was ten years old, and their relationship was more like father and daughter than master and disciple.

What?

Tina's body trembled; her eyes were wide open as she stared blankly at Alan. She was unable to speak.

' Sandhurst is Darryl?'

A few seconds later, Tina regained her thoughts. She took a deep breath and nodded as she said to Alan, " I understand, Master! I will get rid of Darryl; I will never get the chance to seek revenge. I will not miss this great chance to do it.

Meanwhile, in the woods a few hundred kilometers away from the northwest of the Holy Saint Sect. Harold had abducted Chang Er and flew for a few hours. Due to exhaustion, they descended onto the ground for a short rest.

" You're a despicable person!"

Once they landed in the woods, Chang Er shouted, " Let go of me. Otherwise, I will make sure you die a terrible death! Chang Er's heart was filled with rage.' I am the most gracious Lady Chang Er, and anyone who sees me on the Nine Mainland will respect me. This person, on the other hand, had dared to impersonate Darryl in order to ambush me! That is too despicable!

" Tsk, tsk!"

Harold was not worried when he faced Chang Er's anger. Instead, he smiled and stared at her teasingly. " Lady Chang Er, you are so hot-tempered, Don't worry; I'm only responsible for capturing you. I won't do anything to you. Lady Chang Er, please be patient!"

He was observing Chang Er at a near distance; his eyes looked straight ahead.

' Beautiful, so beautiful!"

Harold could barely control himself, but he still managed to do it. Zhang Jue had ordered him to behave when he abducted Chang Er. He had to be responsible for his tasks, and he should not take advantage of her. However, Chang Er got angrier and louder. Harold had no choice but to raise his fist and hit her until she fainted

Whoosh!

At that moment, a shadow appeared quickly in the night sky not far away and appeared in front of Harold in the blink of an eye.

The man was dressed in a black robe and had a hideous expression on his face.

It was Zhang Jue.

" Master!"

Harold did not waste any time. He knelt and bowed toward the man. " I did not disappoint you; I have captured Lady Chang Er!"

" That's right, that's right," Zhang Jue said as he nodded in agreement. He was overjoyed as he stared at Chang Er, who was still unconscious.

He chuckled inwardly.

' Chang Er is in my hands now. Soon, the whole world will be mine,

" Master! "

At that point, Harold stood up and asked, " What should we do next?"

Zhang Jue remained silent and looked around before he said, " Find a secluded place. I want to perform the Soul Extraction Technique. Harold, you must keep a safe distance between us. Remember, never let anyone get too close, okay?"

Zhang Jue carried Chang Er and headed deeper into the woods!

" Understood!" Harold followed behind him immediately.

A few minutes later, Zhang Jue picked a good spot and sat down with his legs crossed, and started to activate his internal energy. He put his hands on top of Chang Er's head and started to perform the Soul Extraction Technique.

Zhang Jue had devised the Soul Extraction Technique. Once completed successfully, the targeted individual would obey his commands without question. That technique was only successful after thousands of years of meticulous research. He had never tried it before.

It was important to understand that

the targeted person must not fight back when the Soul Extraction Technique was activated. Chang Er was still unconscious, so God had provided that ideal opportunity.

Chapter 2735

Harold obeyed Zhang Jue's command, and he was on high alert as he guarded the entire area!

Minutes and seconds had passed!
Sigh!

The Soul Extraction Technique was completed when Zhang Jue retracted his internal energy and removed his palm from above Chang Er's head. Chang Er began to regain consciousness at the same time. However, her eyes were no longer as bright as they had been, and they appeared rather hollow.

" Master!"

Chang Er's eyes landed on Zhang Jue the next second; she bowed and greeted him with respect. " I am at your service, Master!"

When she said that, Chang Er was no longer her usual arrogant self. She had become extremely obedient
Zhang Jue chuckled inwardly.!

Zhang Jue was overjoyed when he saw that. ' It was a success. I thought there might be an issue because it was my first time using the Soul Extraction Technique, but it went so smoothly.'
Harold was incredibly shocked too.
' He made Chang Er address him as Master; that is just unbelievable.'
Meanwhile, in Diana's room at the Holy Saint Sect Mountain!
Darryl regained consciousness after an

unknown amount of time.

Oh!

Darryl took a deep breath when he opened his eyes. He felt as if his entire body was aching and in pain.

' Lu Dongbin is truly terrifying. It is a good thing I have a lot of internal energy, or I would have died here!

Darryl looked around and was instantly stunned as he mumbled in his heart!

He noticed he was in a room with a pleasant scent in the air. The decoration of the entire room was simple, but each corner exuded an elegant aura.

That ...

Darryl was stunned, but he thought of something very soon.

' I could hear Diana's shouting briefly after I went unconscious. I should be in her room, by the looks of things.

Darryl felt warm when he thought of Diana. Apart from his Senior Sister Donna, Diana was the only other person in the Holy Saint Sect who had cared about him

Darryl did not have time to think about it any further. He sat with his legs crossed and began to heal his wounds.

' I should be safe in Diana's room. Who would dare to enter her room, knowing she is the Celestial Wood Altar's Altar Master?'

Darryl quickly entered the cultivation state,

He had planned to go after the imposter as soon as his injuries were healed. Chang Er would be in grave danger if that person were Zhang Jue's follower!

Creek ...

Darryl sped up his cultivation when the door was pushed open to a gap. Then, a slim body figure dashed in quickly!

It was Tina!

She had received Alan's order to kill Darryl. She stormed in when she discovered Darryl was asleep in Diana's room!

" Oh? Darryl is awake?"

Darryl was sitting cross-legged in the room as he worked on healing his injuries when she saw him. Tina was stunned, but her eyes shone with malice.

When she thought about how Darryl had humiliated her and how he forced her to apologize to Donna, rage, humiliation, and hatred erupted in Donna's body!

Darryl had suffered severe injuries, and he was in the most critical stage of his recovery. Donna could tell that Darryl was the weakest at the time!

Bang!

Donna acted without hesitation. She pointed the tip of her feet lightly on the ground and leaped, and at the same time, exploded his internal energy and gathered the power on her right fist. Then, she punched Darryl's back!

Darryl could hear some movements at the time, but he assumed Diana had returned. He had no idea he was in danger!

Chapter 2736

Bang!

That punch landed squarely on Darryl's back, resulting in a loud bang!

Darryl's body flew backward from the vibration and landed heavily at the corner of the wall at that precise moment. He vomited fresh blood!

Tina's power was so limited that she could not even hurt Darryl. However, she had obtained a spiritual pill from Zhang Jue, so her power had increased significantly, and Darryl was not on his guard.

Darryl could feel his blood boiling as he landed on the ground. He was in so much pain that he nearly passed out. His healing for the past half an hour completely went to waste

Darryl wished he could stand, but that punch was too powerful. His entire body was weak at the time, and he could not use any internal energy!

" You ?!"

Darryl's gaze was locked onto Tina at that moment; he was shocked and surprised!

How can it be her? '

' I was almost able to heal my body's injuries, but that woman ambushed me!

Darryl's eyes turned red at the thought, and he almost vomited blood!

Tina's heart sank when she sensed Darryl's rage, but she quickly calmed down and said coldly, " So, what do you think? Did not expect that, did you?"

Tina moved closer to Darryl as she spoke and sized him up. " Darryl, you are a jerk. You used a fake name to come to Holy Saint Sect and managed to Ño deceive everyone. But look, how did you end up? You still landed in my hands, right?"

Darryl gave her a cold stare and did not say anything.

" Tell me; how do you want to die?"

Tina did not waste any time; her gorgeous face displayed a sense of cruelty and delight.

Tina walked forward gradually as she spoke; a killing aura covered her entire body

Tina had a plan, and she would not let Darryl go easily! She intended to torture him until he would rather die, That would make her heart feel better!

Sigh!

Darryl's lips twitched with a light smile as he said weakly, " Tina, how dare you. This is where the Altar Master of the Celestial Wood Altar rests. You barged in and wanted to kill me; aren't you worried that you will be expelled from the sect if anyone finds out later?"

Tina laughed when she heard that. " Do not bother scaring me with Diana's name. You haven't heard, right? Diana has been imprisoned, and my master has been appointed as the Holy Saint Sect's Saint Master."

" No one here can save you, understand?"

Tina's face lit up when she finished her sentence.

Darryl's heart trembled; he thought he had heard wrongly.

Diana has been imprisoned, and Alan has become the saint master? What is going on? I was knocked out for less than three hours, but what had happened at the Holy Saint Sect? '

Darryl was perplexed, and the more he thought about it, the more confused he became. He had an uneasy feeling in his chest.

Slap!

Tina walked over quickly and raised

her gentle hand abruptly. She slapped Darryl across the face for no apparent reason!

Darryl's body was incredibly weak; there was no way he could avoid it. Darryl's face swelled as the slap landed firmly and strongly on his face!

" Beg me if you want to die quickly,"

Tina said coldly

Darryl clenched his teeth; he was enraged. ' Sh * t! My injuries from Lu Dongbin had not healed, and now Tina ambushed me. I can't use any of my internal energy

" Diana is locked up, and Donna is not there. I am here alone with no backup!

' What shall I do? !!

Darryl pondered it as he looked at Tina discreetly

Tina not only had a stunning face, but her body was equally appealing. Such a lovely lady, but she would remind one of a poisonous snake.

Tina's eyes looked deviant when she saw Darryl staring at her.

Slap!
