

Chapter 736

"Qin Ming?" Yamamoto Eidou looked at Qin Ming and suddenly his pupils shrank, his legs trembled and he said in fear, "You are the new alliance master of Huan Yu? Wait a minute, I have no enmity with you, why are you"

Qin Ming did not want to say more and smiled faintly, "Take away."

Immediately behind Song Ying used a few members of the Dark Division organization, raked Yamamoto's man and dragged him out.

The commotion here was so loud that Bai Jingchen also came over, and Qin Ming had left him behind on purpose.

Bai Jingchen scolded angrily, "Qin Ming, what are you doing? Don't think that just because you are the son of an illegitimate son that your hands are sticking out in foreign countries. It's not your turn to interfere in my Bai family's affairs."

"Oh, I see, you are coveting my sister, so don't even think about it for the rest of your life."

Bai Jingchen was not stupid, seeing that Qin Ming actually had so many men, it was impossible for him to resist hard, he could only take his sister and leave.

But Qin Ming spoke, "Pure Pure, don't go with him."

As soon as Chrysostom opened his mouth, Bai Yuchun avoided Bai Jingchen's pulling hand.

Bai Jingchen was instantly furious, and he gritted his teeth as he said, "Sister, what are you going to do? Would you rather listen to the compulsions of this outsider and not want your relatives anymore?"

Bai Yuchun also shot back, "Enough! What relatives, when have you ever treated me as a relative, apart from giving me a privileged life? You marketed to your friends that I was just a country bumpkin and looked down on me, didn't you?"

"You dragged me around on a blind date, but you also just wanted to benefit the future Bai family, didn't you?"

Bai Jingchen said angrily, "Isn't it enough for our Bai family to make up for you? What's wrong with the future family paying for it? It was the Zhao family that caused our family such misery back then."

Bai Yuchun was taken aback by her brother's anger, but she was still a determined person at heart.

Especially when Qin Ming was around, she felt that she had a constant source of strength, and she clenched her fist and retorted, "If I must be a slave to others in exchange for the Bai family's benefits, then I'd rather I remain a country bumpkin girl for the rest of my life. I haven't spent a single share of the money you gave me, it's all in the card, I'll just give it back to you."

"You!" Bai Jingchen added, "I don't care about Bai Dayou's follow-up treatment."

Qin Ming said, "You don't care, I do. Bai Jingchen, don't think that you are the only one with money. If it weren't for the fact that we are all from China, would you be standing here talking to me right now?"

Bai Jingchen said, "Fine, fine, you two dogs. Bai Yuchun, I don't care, you can talk to Dad yourself."

Walking to the door, Bai Jingchen looked at Qin Ming again and said, "Surnamed Qin, you better know exactly what you are doing? If you think that our Bai family is a powerless, down-and-out family, an existence that you can ravage at your whim, then just wait."

Qin Ming swept the rest of his eyes at him and said, "I have never despised anyone, including your Bai family. It is you who have done these hurtful things too much and imposed them on my friend, so naturally I can't look past it."

Angry at Bai Jingchen for leaving, Bai Yuchun sat down helplessly on the ground, it was not an easy decision for her either.

Qin Ming walked over and said, "Don't think too much about it, the Bai family doesn't treat you well, so why should you give your all for the Bai family. In your case, how I see it, I feel that the Bai family is not doing the right thing, you don't need to necessarily stay with the Bai family, if the Bai family dares to make things difficult for you, I will stand up for you."

Bai Yuchun gratefully took Qin Ming's hand and said, "Qin Ming, thank you. If it wasn't for you, I wouldn't have had the courage to refuse just now. However, right now, my brother and my sister-in-law's medical bills are the most crucial, and I'm not being pretentious, can you help me think of a way? I can give you a job and return the money to you."

Qin Ming smiled, "Of course, Nuo, here is a card with more than a billion in it, take it back to China first and give it to your brother for his medical expenses."

"Ah? So much?" Bai Yuchun was surprised and said, "It doesn't take that much, the doctor said that for the follow-up treatment, about 300,000 or so will do."

Qin Ming shoved it over and said, "Take it, we're friends, right? This little favour is nothing."

"Eh, this is still called a small favor" Bai Yuchun looked at the bank card in her hand, her heart was sweet, all the big problems in her eyes, after Qin Ming appeared, always became incomparably easy.

Bai Yuchun sighed and said, "It always feels like, all this time, I've been relying on you. Countless times, I've wanted to solve problems on my own, but alas, I'm too useless."

"Hahahaha", Qin Ming laughed and stroked her head, saying, "Helping people is the essence of being fast, I help you and you give me pleasure."

Bai Yuchun blushed shyly, she knew that Qin Ming's words were comforting, but she just couldn't help but believe him.

Qin Ming asked Song Ying to personally escort Bai Yuchun downstairs.

Qin Ming picked up Yamamoto Eidou's mobile phone and asked his men to pick out the number of the boss of the Toei Society, Rokuro Yamamoto.

As soon as the number was connected, Qin Ming heard a deep, manly voice: "Do hiss?"

Qin Ming had read the profile of the leader of the Toei Society, this guy was a highly educated man who knew multiple languages and was also a ruthless character.

Qin Ming grunted, "Yo, Rokuro Yamamoto, I have your son."

"Qin Ming?" On the other end of the phone, Rokuro Yamamoto sat up violently in shock, and the woman beside him was pushed away from him, saying, "Do you know what you are doing?"

Qin Ming said, "Of course I know, it's just that I've captured your son. You sent someone to intercept my men and you think no one knows about it? Your attitude is obvious."

Rokuro Yamamoto laughed, "Hahahaha, as expected of Chang Hongxi's illegitimate son, what guts. But you are now a mud puddle, you can't protect yourself. If

you go to war with my Toei Society because of this, I guarantee you won't see the moon tomorrow night."

"Oh, how scary, should I buy a ticket back to China immediately?" Qin Ming teased, "Or should I immediately take you out and blow your dog's head off?"

Rokuro Yamamoto grunted, "Young man, I admire you for being able to hog most of the power of Huan Yu in just six months in this situation, but the Chang brothers are no slouches either. They promised to meet any of my demands if I take your head, what can you give me?"

Qin Ming said, "This is where I differ from the two of them, if you apologise and beg for peace with me now, I will let you off for now."

Rokuro Yamamoto said angrily, "You are tantamount to declaring war, Qin Ming, I, Rokuro Yamamoto, am a man who owes his allegiance to the stampo king of heaven and will not submit to you. Just wait for death, in stampo, I can find you out in half an hour."

The two sides had a disagreement and Qin Ming hung up the phone, knowing full well that the people who attacked him from the East Anglian Society were in cahoots with Chang Jun Dong and Chang Jun Ye.

Qin Ming thought to himself, "It's dangerous here now, we have to move immediately."

Just then, Song Ying, who had sent Bai Yu Chun away, came back and said, "It's not good young master, we are surrounded."

Qin Ming's face was frozen, as expected of one of the top boards of directors of Huan Yu, the efficiency of the East Ying Society was too high.
