

Chapter 195

Sanford never forced Suzi.

They always get along as brothers and sisters, and after a long time, they really become brothers and sisters.

Suzi's daughter named Sanford: "Uncle."

More than four years passed in a flash.

Life is plain and fulfilling. Suzi will come back every afternoon to take care of Sanford, push him indoors from the outside, and make a bed for him. After doing these things, it happens to be the time to go to the kindergarten to pick up his daughter.

Under normal circumstances, after picking up her daughter, the child will be accompanied by her uncle at home. She can work on the construction site for a while, and then go home at half past six.

However, today, as soon as Suzi pushed Sanford into the room, the phone rang, and she picked it up to connect: "Hello, Teacher Wei?"

The teacher from my daughter's kindergarten came here.

"Lilly's mother, come here quickly, your family's Lilly has beaten someone again!" Teacher Wei's tone was very unpleasant.

Suzi: "Okay, okay, I'll come over right away!"

After closing the line, Suzi was about to go out and was stopped by Sanford: "Suzi Suzi..."

"Brother?"

Sanford said gently: "Don't blame the only one, the only one is a very good child."

Suzi said annoyedly: "But she...fights again. Brother, who do you think her character is? I haven't fought with anyone since I was a kid, and you are not a strong and aggressive person. Ah, why did she..." Sanford smiled and said, "Suzi, you forgot, she has a cruel and aggressive father."

Suzi: "..."

Of course she did not forget.

But Suzi also knew that Arron should never admit this child.

Not only did he not admit it, but he might also kill them all.

"Brother, I went to kindergarten." Suzi said.

"Go, remember not to blame the only one too much." Sanford ordered.

Suzi hurried out the door.

With thoughts along the way.

This time I don't know who Lilly fought again. After living in this county for more than four years, Lilly changed kindergarten three times. Each time it was because of fighting with people. The little girl was very aggressive and ferocious.

Ten minutes later, when I arrived at the kindergarten, I saw that Teacher Wei was talking nice things to a couple: "I'm sorry, Mr. Jiang, Shen's only mother will be here soon, shall we discuss it when we arrive?"

The fat man's voice is very fierce: "I don't care who her parents are! The parents come and let her take their children to get out! No! Kneel down and apologize to my son before getting out!"

"Who will kneel for you! The beauty you think. Lilly never kneels for anyone!" said a group of small figures domineeringly behind him.

"You little ba5tard! You don't want to live anymore!" The fat man pointed at Lilly and yelled, "Seeing that I won't kill you ba5tard, immediately kneel down and apologize to my son, otherwise he will have to fight today. You must die!"

"This gentleman, you are too much!" Suzi said coldly behind him.

Chapter 196

The obese man turned his head and saw Suzi: "b!tch woman, apologize! Must kneel and apologize!"

Suzi calmly asked: "How do you speak, sir!"

"Oh, did my man say you wrong? Are you not a single mother? You are not only a single mother, but you are also an unmarried mother! A woman like you is born to be a poor smasher! A little b!tch born from a smasher, and Want to beat my son? You are lawless, you!" Next to the fat man was a woman with teeth and claws.

The woman was dressed in black and white mink fur, and she looked very generous. The foundation on the woman's face was thick. When she was yelling at Suzi, the powder on her face fell off.

This couple is simply a nouveau riche without any quality.

Suzi is not afraid of them: "As far as I know, my daughter is one year younger than your son. How could my daughter beat your son? Besides, whoever beats the children together, or accidentally bumps into them. Does that have to be so true?"

Suzi looked at his daughter Shen Only, and then at the son of an obese couple.

The boy was a head taller than Shen.

The boy looked viciously at Shen Only.

And Shen Only did not show weakness, she made faces to the boy from time to time.

"The only one!" Suzi scolded.

Lilly immediately followed suit.

"You still have reason! You foreign girl! Let your daughter apologize to my son right now! I must kneel down and apologize! Otherwise I can't spare you today!" I'm not afraid that when they are a family of three, the woman lifted her arms even more angrily. "Mother Song Xingchen, can you stop the fire? We can discuss this matter well, so we can discuss it, you should calm down first." Teacher Wei immediately became nervous and red circle Song Xingchen's mother.

After finally lowering Song Xingchen's mother's anger a little, Teacher Wei turned her head and pulled Suzi aside, and said with a laugh: "Lilly's mother, it's not me who said you, your daughter Lilly is indeed too naughty, don't She looked like a girl, but she didn't lose to the boy at all in the fight.

It was indeed that she hit Song Xingchen today. "

Suzi calmly said: "If my child beats someone for no reason, I can ask my child to apologize, but it is not kneeling! My daughter will not kneel for anyone. Secondly, even if the child fights, it is There is a reason. There are surveillance videos in the kindergarten. I want to see the whole story!"

Suzi knows Lilly best.

The only child at home is a very well-behaved child. She will take care of her uncle to eat. Sometimes when her mother is away or when her work is very busy, the only person who can quit her uncle to sunbathe by herself is the only

five-year-old mother who is already at home. My little helper. When I usually go shopping with my mother and meet stray dogs and gangster cats on the road, the only thing I always ask my mother very softly: "Mom, will they go hungry? Will anyone bully them?"

How could such a child hit someone for no reason?

But the only thing that is kind-hearted and mother's little helper, but this child is born to be fearless and fearless. Regardless of being a girl, the only thing that is often said is: "Mom, when I grow up, I will protect you and uncle. , Will not let you be bullied by others."

As Sanford said, the only character in his bones actually became Arron.

But even so, Suzi still didn't believe that his daughter would make trouble with the children first.

Suzi insisted on watching the video to see the whole story of the conflict between the children.

Otherwise, she refused to apologize.

Teacher Wei had no choice but to speak to Suzi in a lower voice: "The only mother, Song Xingchen's father has a very strong network in our county. Their Song family is very powerful, and Song Xingchen's father has an official title in the agency. Yes, their family is not easy to mess with.
