

# The Best Son in Law Chapter 162 – 170

## Chapter 162

Haoden Ye naturally understood her mood, looking pretty is not all good, whether you have acting skills or not, people will only say you are pretty.

“Xiao Lin, check the pharmacy, I’ll go with Miss Ye for a meal!” Haoden Ye said something to Lin Xiang and pulled Sun Qian to his car.

Lin Xiang looked at the back of the two of them leaving with a small mouth.

She didn’t hate Sun Qian, and she’d had someone investigate before she contacted Haoden Ye, and this Sun Qian was indeed an acting actress.

She hated the fact that Haoden Ye obviously had a wife, but she was entangled with a big beauty like Sun Qian, and when Sun Qian mentioned Haoden Ye, she didn’t sound like a friend at all, she was a woman, and it wasn’t hard to see that this voluptuous and flirtatious girl had a crush on Haoden Ye.

“Doggies!” Lin Xiang scolded her fiercely, suddenly thinking that such a wording was detrimental to her image as a Thousand-Year-Old Lady, and her face reverted back to that ancient look once again.

Haoden Ye and Sun Qian got into the car and had just started the car when Sun Qian’s phone rang.

Sun Qian pulled out her phone and only took a glance at the number, a pretty face fell as she pressed the answer button and dragged out a long voice, “Mom~~~”

Across the distance, Haoden Ye heard a very high decibel voice inside the phone say, "How many times have I called? Why don't you answer it? You still think I'm your mother? You're a big star now, so Mom and Dad can't control you, right?"

A series of words were like machine guns, and Haoden Ye had a gunshot scene in front of his eyes.

"Mom! I was just taking a break from filming and you're calling me!" Sun Qian complained over the phone.

"Do you blame me? I don't care about you! In said, who girl home, why I call you you heart no count, who girl you this age is not married ah, you when again big star, the last is not to find someone ....." then tattletale voice sounded.

Haoden Ye couldn't imagine that a girl with such a strong personality as Sun Qian would be urged to marry by her parents, and couldn't help but giggle.

Sun Qian, who was frazzled, heard the voice and turned her head to stare at him hard, then a wisp of cunning flashed inside her eyes and said to the phone, "Mom, I've been busy these two days and forgot to tell you, I've got a new boyfriend, a doctor."

When Haoden Ye heard her say that, he was surprised and turned his head to look at Sun Qian, wanting to ask her why she didn't bring her boyfriend over today.

I can't imagine that just after turning her head, Sun Qian said, "I'll let my boyfriend have a word with you!" After saying that the phone was directly pressed on Haoden Ye's face.

When Haoden Ye was dumbfounded, he heard the woman's voice on the other end of the phone, "This girl, she didn't tell me what people's names are... Hey, are you Xiao Qian's boyfriend?"

Haoden Ye came back to his senses and subconsciously looked at Sun Qian, but he saw Sun Qian raise a finger under his neck and make a threatening motion.

With a bitter smile in his heart, Haoden Ye could only say, "Hey, auntie, my name is Sun Yuxuan!"

When Sun Qian heard Haoden Ye call himself Sun Yuxuan, a disgusted look immediately appeared on his pretty face, Haoden Ye knew that he hated Sun Yuxuan the most, which was obviously disgusting to himself.

A hint of pride flashed across his face, Haoden Ye listened to the voice of Sun's mother on the other end of the phone: "Little Sun, I know from your voice that you are a good person, when to come home to sit down ah, although our family is rural, but now the development is also okay, this year the village just built a road, the village opened a clothing factory....."

Sun mother was worthy of being able to speak, as soon as she opened her mouth like a gatling, beeping half a day, but the tone was very kind and friendly, and I could hear the joy in her voice.

"Auntie, Sun Qian and I have been busy lately, we'll go back to see you when we're free!" Haoden Ye took advantage of the break between her words and quickly interjected.

The other side obviously didn't talk enough, but was still very considerate and polite and hung up with a smile on their face.

Putting down the phone, Haoden Ye glared at Sun Qian, "Why did you let me pretend to be your boyfriend!"

Sun Qian playfully spat out her tongue, a face of the spoiled Road: “people were annoyed no way well, you do not know how terrible we country women stalking people, in said .....” she said, raising the proud chest Road: “let youPretending to be my boyfriend, treating you badly?”

Haoden Ye smiled bitterly and shook his head, “Your mom said she’ll let you take me home in a few days, how will you explain it when you see it!”

He was thinking that at most Sun Qian would let him pretend to be his boyfriend over the phone, but he didn’t know that it put him in a very dangerous situation....

The car started, and Haoden Ye said to Sun Qian, “Where to eat?You must treat me well today!”

“Of course we’re going to the one next door to our school, it’s delicious and it’s not expensive!”Sun Qian smiled hip-hop.

Haoden Ye listened to her words, the corner of his mouth also revealed a pleased smile, although the current Sun Qian is famous and rich, but the character is still so simple ah.

The car drove to a restaurant near the school, and Haoden Ye had just gotten out when he saw two men walking up to him.

Both of them were in their early twenties, both quite handsome looking, with the pride of a son of heaven on their faces, but when they faced Sun Qian, they had pleasing smiles on their faces.

“Sun Qian, we’ve been waiting at the door for over an hour, we almost thought you weren’t coming!!!”One of the long-haired men with this artistic air about him came over with a smile on his face.

“I told you, Sun Qian must be busy right now, you think it’s you now, graduating and going home to work for your father’s company without any effort of your own at all?”The handsome man who was following the long-haired man also came over.

Seeing the two people, Sun Qian’s eyes flashed with disgust, but her face forced a smile, “Zheng Shuo, Jia Liang, why aren’t you two waiting for me inside, I said I’d arrive later.”

When Haoden Ye heard their conversation, his eyebrows furrowed, Sun Qian obviously wasn’t simply inviting him to dinner today, right?

“What’s wrong with us waiting for you for a while at a graduation reunion?In the future, you might not get the chance to eat with a big star like you!”The long-haired man Zheng Shuo revealed a charming smile, and his body deliberately leaned closer to Sun Qian, making an intimate appearance, “You’re a classmate I’ve liked for four years, and it makes me sad to think about it!”

Jia Liang was blocked by Zheng Shuo because he was standing with him, and didn’t have a chance to get close to Sun Qian, his eyes looked at Zheng Shuo’s back coldly, whirled around to reveal a cheerful smile, and turned his head to Haoden Ye, “You go park the car and go straight back to your company, we’ll send Miss Sun back tonight!”

Haoden Ye was stunned, and it took a moment for him to react, feeling that these two people had taken him for a driver.

## **Chapter 163**

Haoden Ye immediately opened his mouth and wanted to explain, but unexpectedly Sun Qian twisted her slender waist, quickly distanced herself from the two men, walked straight to Haoden Ye, hugged his arm and smiled

sweetly at the two men, “You guys are so annoying, do you take my boyfriend as a driver?”

“Boyfriend?” Both men paled at the sound of his phone call.

Haoden Ye could clearly feel the two people shooting out two sharp rays of light from inside their eyes at the same time, stabbing at themselves fiercely.

“It’s been so long, I can’t believe I didn’t know you had a boyfriend!” Jia Liang’s face was very ugly, but he forced out a smile and extended his hand to Haoden Ye, “I’m really sorry, I thought that Sun Qian, with this kind of condition, must be looking for a rich second generation to find a boyfriend, but I never thought that even if she became a big star, her character would still be so plain!”

This is a clear mockery of Haoden Ye is a poor man, and no wonder, although Haoden Ye is driving a good car, the clothes on the body is very cheap, two people must think that the Maybach is Sun Qian.

Haoden Ye was unhappy, but didn’t attack, smiling politely at Jia Liang and extending his hand to shake his hand.

As he shook hands, Haoden Ye realized that the shirt button on Jia Liang’s wrist had unbuttoned at some point, revealing his gleaming Rolex watch.

At this time, Zheng Shuo also came over and smiled at Haoden Ye, “Jia Liang is right, Sun Qian you still have an eye for choosing a boyfriend, I wonder which company’s CEO’s young master this gentleman’s high name is.” Although his face was full of laughter, his eyes hinted at a touch of sarcasm.

“What are you two talking about, my boyfriend isn’t like you guys who are rich, he makes money on his own, he owns a pharmacy, and he’s the owner!”

“A pharmacy?” Two people listened to the eyes at the same time a glint of cold, the pharmaceutical industry is now still listen to make money, and business stability.

“Oh, I wonder where Mr. Ye’s pharmacy is? How many chains are there?” Jia Liang did not miss a jealous glance at Haoden Ye, but his face pretended to be very polite.

“My pharmacy is on Phoenix Street and there’s only one storefront!” Haoden Ye answered honestly.

Hearing his words, Jia Liang and Zheng Shuo were both dumbfounded, and Zheng Shuo thought for a moment, “Has Phoenix Street been newly developed? It’s basically considered a suburb there already!”

“Not the suburbs, Phoenix Street is also downtown, but it’s a ghetto!” Jia Liang’s face was full of surprise.

Just now Sun Qian said that Haoden Ye is the boss, they thought that Haoden Ye is just low-key, I can’t imagine that there is really a poor man, Phoenix Street that kind of place to open a pharmacy, what medicine can sell?

Zheng Shuo almost laughed out, the contempt in his eyes has been undisguised, hehe laughs: “I see, in the Phoenix Street pharmacy, the flow of water is only three hundred and fifty thousand it, Sun Qian can really hurt boyfriend, shot to buy you a Maybach!” The tone was filled with contempt and ridicule.

Hearing his phone call, Jia Liang also laughed, a mocking sound in his voice.

When Sun Qian saw the two people, her pretty face showed anger, but she didn’t know how much water flowed in Haoden Ye’s pharmacy, so her estimate of the pharmacy’s turnover was just three hundred and fifty thousand a year.

Right in the middle of the two laughing voices, Haoden Ye nodded slightly and said, "Well, when it's good, the water flow is only three to five hundred thousand a day, but when business is bad, it's at most two hundred thousand a day!"

The two men's laughter at his words stopped abruptly, and Jia Liang looked at Haoden Ye with a look of madness, "What! With a flow of three hundred and fifty thousand dollars a day, Mr. Ye, you are truly a... talent!"

How could he believe that Haoden Ye's daily flow of water was only 300,000 to 500,000 yuan, even if it was his dad's company, the daily flow of water was only a few hundred thousand yuan, and his dad's company was also a little famous in Dan City.

Zheng Shuo also looked at Haoden Ye with a scowl on his face, which looked like he was saying, "You can really brag, do you think we're unseen bumpkins?"

When Sun Qian heard Haoden Ye's words, she naturally also thought that Haoden Ye was bragging, and was amused to think that he would tell such absurd lies to save face.

But she had always thought that Haoden Ye was some deep hidden rich second generation, or someone with backstage, it was okay to brag like that.

"Well, the students are here, let's go in and eat." After Sun Qian said that, she took Haoden Ye's arm and walked inside the restaurant.

Zheng Shuo and Jia Liang also smirked with pride and followed into the restaurant.

When he arrived at the private room, Haoden Ye raised his eyes and saw that there were already more than a dozen people inside, all of whom were from the art college, naturally different in looks and temperament.

And a few of them were girls who recognized Haoden Ye, as Haoden Ye had uncovered Sun Yuxuan's plot in the girls' dormitory, and many of them had witnessed it with their own eyes, so as soon as Haoden Ye entered, two girls stood up and greeted him warmly.

As for how long the boys had known Haoden Ye less, Haoden Ye had originally made fewer appearances at Fosun University.

"The class president and the regimental secretary are so infatuated, they've been waiting for Sun Qian until now!" As soon as the four men entered the room, the room began to rise.

As Haoden Ye blocked Sun Qian's hand, no one saw that Sun Qian was holding Haoden Ye's arm, and when the two people entered the room, people could see that Sun Qian was holding the arm of a poorly dressed man.

"I'm sorry to keep you all waiting, but my boyfriend and I have something in the morning!" Sun Qian smiled apologetically and bowed to everyone very politely, not having the appearance of a big star in the slightest.

And her words immediately made everyone in the room look slightly different.

The eyes fell on Haoden Ye, those who know Haoden Ye, think this matter is not strange, but those who do not know Haoden Ye, listen to Sun Qian said that this poorly dressed, to temperament no temperament, to look... barely speak of the man is her boyfriend, who believes this!

"Are you kidding, he's Sun Qian's boyfriend? It's not like Sun Qian just found it on the side of the road to get away from Jia Liang and Zheng Shuo's pursuit!"

"It's hard to say, when Sun Yuxuan was here, Jia Liang and Zheng Shuo didn't dare to pursue Sun Qian, but who in the class doesn't know that these two are interested in Sun Qian, and of course Sun Qian knows that!"

“Even if we are looking, we don’t have to find such a poor one, don’t they have any male actors in their crew?”

The people whispered while Jia Liang and Zheng Shuo looked very ugly when they heard the others whispering.

“Sun Qian, why don’t you quickly introduce your boyfriend?” At the dinner table, some good girl couldn’t help but speak up.

All eyes are focused on Sun Qian, who wants to know what kind of person is Sun Qian’s boyfriend to chase the big star Sun Qian, and what is the sob story between them?

“This is my boyfriend Haoden Ye, he’s a doctor who owns a pharmacy on Phoenix Street!” Sun Qian’s answer was simple and neat.

## **Chapter 164**

“God, how thoughtless is Sun Qian to find such a guy to be her boyfriend!”

“It must have been a lie to us, how could this kid be able to chase after Sun Qian!”

In the face of the questionable voices of the crowd, Sun Qian as if she did not hear the same as self-consciously pulled Haoden Ye to sit down on the seat, and Jia Liang reaction is also fast, as soon as he saw Sun Qian settled down, immediately did her side, Zheng Shuo reaction is a step slower, can only sit next to Haoden Ye.

As soon as Haoden Ye took his seat, he whispered to Sun Qian, “Let me pretend to be your boyfriend? This is how you repay me? If my wife found out, I’d be dead, wouldn’t I?”

Sun Qian threw out her tongue and smiled playfully at him, "Don't be afraid, how could our classmates know your wife? Just think of it as another favor, at worst I'll really give myself to you!"

Knowing that she was joking, Haoden Ye still couldn't help but feel a tremor in his heart and stared at him hard.

"Sarge, I hear you've entered your father's business and become an officer!" The three of them had just taken their seats when one of the boys next to Jialiang laughed, in a very high voice.

Hearing his words, everyone's eyes were drawn over together.

Who in the class didn't know that the person who had just spoken was called Cheng Fei, a good friend of Jia Liang's, which was probably a deliberate attempt by Jia Liang to get him to say something, the meaning of which was self-evident.

Jia Liang was proud of himself, but his face pretended to smile and said modestly, "What kind of official is that, it's just a deputy section chief, and it's a registered name, no actual position!"

After saying this, Jia Liang quickly followed up with a sentence: "But to officially become section chief Ye fast, there is my father's relationship in it, who dares not listen to my bar to order me."

"That's right, with your father's status, in a few years you'll be a section chief, and you might even be able to continue to move up!" Cheng Fei smiled obsequiously.

Everyone at the wine table couldn't help but look at Jia Liang with envy as they heard his words, while many flattering voices Ye followed.

Jia Liang's face was a spoiled smile, but his heart was very proud, Zheng Shuo saw his appearance, his heart couldn't help but be upset, a slight smile, "A section chief of a petroleum company, a year down the oil and water is also a lot, not like us social business."

There are people who flatter Jia Liang, of course, there are people who flatter Zheng Shuo, someone who saw Jia Liang make a fool of himself, immediately coaxed: "We have so many gas stations in Dan City, I don't know which gas station Jia Section Chief ah, we go to you where to refuel ah."

Jia Liang's face went cold when he heard it, although he was a section chief, but it was just a virtual position, the management scope but a gas station, the oil and water naturally less pitiful.

Even his dad manages no more than three or five gas stations and doesn't actually make much money.

"The cars don't even refuel now, don't believe me ask Zheng, their 4S store sells battery operated cars!" At this time, Zheng Shuo's dog's legs were up in arms.

For a time, everyone's eyes turned to Zheng Shuo, and the smug light in Zheng Shuo's eyes flickered, glancing at the cold-faced Jia Liang and making an indifferent appearance, "Our store doesn't make any money either, don't look at the expensive cars, but the profits are small, and for a million cars, the profits are only two or three hundred thousand!"

At this point, he suddenly remembered the Maybach that Haoden Ye drove, his gaze swept over Sun Qian and smiled, "Not good I prefer to drive, not like to buy a car, for example, we have a few new Maybachs in the store, I'm tired of driving this car!"

Sun Qian heard his words, a touch of disgust flashed in her eyes, and Haoden Ye of course understood that Zheng Shuo was breaking his own limelight, his face just smiled faintly and didn't say anything.

"Zheng, you'll have to give me a discount when you buy a car from your store in the future!" Someone started patting themselves on the back.

Zheng Shuo was so proud of the way they shot him that his eyes carelessly swept over a person.

This person's name was Ma Wei, who was Zheng Shuo's dog in class, and when he saw his hint, he immediately got up and smiled, "I say Sun Qian, you're a big star now, when will you give Zheng Shuo's store as an endorsement ah, we're all old classmates, you can't not help this favor ah!"

Sun Qian smiled politely and said, "Of course, but wait until I have a slot to talk about it, I've been busy with work lately!"

"Haha, let's start by wishing Sun Da Xing and Zheng's company a happy cooperation!" Mavi raised his glass to the crowd.

The crowd shouted along with the words, and Zheng Shuo took the opportunity to stand up, lifting his glass of wine to Sun Qian, "Thank you, Great Star Sun, let's have a drink!"

Sun Qian smiled slightly and politely lifted her wine glass.

Haoden Ye was sandwiched between two people, at this time it was really not good to sit down like this, simply stood up and hid to the side.

However, before Zheng Shuo's cup and Sun Qian's cup touched, Ma Wei's voice in the crowd suddenly rang out, "What's the point of just drinking at such a big celebration, hug one! Hug one!"

The male students here were already upset in their hearts about how such a big beauty like Sun Qian was with such a poor man as Haoden Ye, and as soon as they heard this, they immediately followed suit and shouted, “Hug one! Hug one!”

Zheng Shuo was proud of himself, but on his face, he pretended to be embarrassed and said to the crowd, “Don’t make a scene, although Sun Qian is our old classmate, but she is a big star now, she’s not on the same level as us!”

Sun Qian had pretended not to hear her classmates’ words, but she frowned at Zheng Shuo’s words.

It’s as if I’m just putting on a show by not hugging him, and I didn’t really talk to him before!

But her classmates were watching, if she refused, it would be like what Zheng Shuo said.

At this time, a voice suddenly said, “I don’t think that’s necessary, Sun Qian is a girl, how can she just hug someone!”

As soon as the voice fell, a shadow inserted itself between Sun Qian and Zheng Shuo, separating the two and formally Haoden Ye.

Zheng Shuo’s face went cold when he saw that Haoden Ye dared to mess with him, and he turned his gaze to quietly try a color on Ma Wei.

Maverick would take it as, standing up in a shady manner, “What’s the matter, we’re all classmates, what’s wrong with hugging one? What? Sun Qian is looking down on us classmates now that she’s become a big star.”

No one in the crowd was a fool, how many of them couldn’t see the situation?

Between Haoden Ye and Zheng Shuo, on whose side are they still not sure?

“That’s right, how to be so stingy, people just hug to celebrate!”

“What kind of status does Mr. Zheng have to take advantage of Sun Qian? Some people are just small-minded and can’t stand the sight of other people’s talent!”

“When people Sun Qian act in movies, don’t they still hug and kiss, do you care too?”

“This kind of man is simply a hindrance to Sun Qian’s career, I don’t know why Sun Qian would look at him!”

## **Chapter 165**

The people seven mouths, no doubt not to Haoden Ye’s sarcasm, Sun Qian heard these voices, the bridge face revealed anger, a girl does not want to embrace with Zheng Shuo, how in their eyes is still not pardoned?

She was about to open her mouth, but Haoden Ye was one step ahead of her, smiling slightly, “If people think I’m stingy, then I’ll be stingy, acting in a movie is work, whether it’s hugging and kissing or doing bed scenes, it’s just work, on screen, Sun Qian is everyone’s, in life, she’s mine alone!”

Haoden Ye’s words were hurled with a very loud voice that covered all the whispering voices.

Sun Qian listened to his words, and the splendid light inside her eyes flashed, looking foolishly at Haoden Ye’s calm and relaxed appearance in the face of everyone’s accusations, and her pretty face couldn’t help but blush slightly.

“On screen, Sun Qian is everyone’s, but in life, she’s mine alone!”

These overbearing words also made many of the girls present look touched.

Seeing the duties of the crowd being suppressed by Haoden Ye, a cold glint flashed in Zheng Shuo's eyes.

Jia Liang's anger was crushed by Zheng Shuo, and he was originally unhappy, but when he saw Zheng Shuo deflated, he showed a quick look.

"Oh, people are right, you guys aren't asking for too much, come on, let's toast to Mr. Ye!" Jia Liang smiled at the crowd while gloating over at Zheng Shuo.

Zheng Shuo felt half humiliated, what kind of thing was this Haoden Ye that he was so disrespectful.

Bang! Zheng Shuo smashed the wine glass heavily on the wine table and looked at Haoden Ye with a contemptuous look, "What did you mean by that just now? You mean I want to take advantage of Sun Qian? I'm talking about who it was that you framed, too?"

The air temperature in the room dropped to freezing point.

"What Zheng said is, you kid is picking a fight aren't you, thinking that Sun Qian is your girlfriend and you can be lawless?" Mavi also stood up, angry.

"Zheng Shuo, what do you mean, my boyfriend's expression of love for me has something to do with you!" Sun Qian was already holding fire in her heart and immediately stood up in anger upon hearing this.

"Sun Qian, don't think that you can be arrogant now that you're with Wu Dao, who knows what you got on top of, I'm not easy to bully, Zheng Shuo!" Zheng Shuo saw Sun Qian defending Haoden Ye, his heart jealous to the extreme, this woman should have been his, how could a poor man like Haoden Ye get her heart?

Sun Qian was red in the face at his words, she hated it when people said she relied on her looks to sneak up on her, just as this was a clear case of wronging her.

“Zheng Shuo...you...you’ve gone too far!” Sun Qian’s pretty face turned red with anger and pointed at Zheng Shuo furiously.

“Excessive? You don’t know what’s too much yet!” Zheng Shuo snorted coldly, “I’m considered a respectable figure in Dan City, even if I beat this kid today, who would dare to trouble me?”

Sun Qian was so shaken that she couldn’t say a word in anger and could only stare at Zheng Shuo.

Zheng Shuo sneered and turned his gaze towards Haoden Ye, sneering, “Stealing a woman from me, don’t you see which onion you are, the day I don’t go to work, my dad will put money on my card, the day your store doesn’t open, you won’t have food to eat, do you believe I’ll make your pharmacy never open?”

Everyone’s gaze was mercifully directed towards Haoden Ye, Jia Liang was now looking at the two people with a cold smile, Haoden Ye was also his opponent, he wouldn’t risk going out of his way, when Zheng Shuo finished with Haoden Ye, he would then go out of his way to be a good guy.

“Hey! If you don’t have the ability to choose to be with such a beautiful woman, you’re really making a fool of yourself!”

“Hey, that’s a disaster!”

The girls in the booth are also gloating at Sun Qian, the same class, they graduated and lost their jobs, but Sun Qian was able to win Wu Dao’s appreciation, how can they not be jealous?

Only two or three people had pity on Sun Qian and Haoden Ye, but they didn't dare to stand out.

Facing Zheng Shuo's aggressiveness, Haoden Ye's face was flat, not at all intimidated by his threat.

"I'm sorry, I'm Sun Qian's boyfriend, it's my duty to defend her, so feel free to use any means you have, but I won't let you Peng Sun Qian for a moment today!" After saying that, he pulled Sun Qian's hand and walked out.

How could Zheng Shuo let him leave with a sneer, "Falsely accuse me of leaving just because I said so?"

With a wave of his hand, Mavi immediately brought two boys to block Haoden Ye's path.

Haoden Ye laughed bitterly in his heart, how come these dude are so annoying one by one, he didn't bother to pay attention to them at all, so he didn't have the intention to do anything, but turned his head to Zheng Shuo, "What do you want?"

"Well? You can go, Sun Qian must stay!" Zheng Shuo coldly said, "Or I'll make you look good today!"

Everyone in the room looked at Haoden Ye with compassionate eyes, it was clear that Haoden Ye couldn't get any benefits today.

Just at this time, a voice at the door said, "Mr. Ye? Why are you there?"

Hearing this voice, everyone subconsciously turned their heads, and saw a middle-aged man standing in the doorway with a big back combed hair, looking in with an appalled face.

“Wu...Wu!” Seeing this person, Zheng Shuo’s face ship’s changed and his eyes became awe-inspiring.

“Mr. Wu, Wu Shao!” Jia Liang also looked surprised and took a glance at the middle-aged man, and then at a young man behind him.

The young man was slightly fat-eating, and the elder had a large round face and very small eyes, giving him the feeling of the demon Obu inside the Dragon Ball.

He was followed by a beautiful girl, in her early twenties, with a voluptuous appearance and a very sexy body, with one arm around his fat arm.

The girl’s eyes were red and a little moist inside, and she had obviously just cried.

“Mr. Wu, why are you here!” Haoden Ye was also very surprised to see Mr. Wu, how could a person of status like Mr. Wu appear in such a small restaurant?

Mr. Wu’s face showed a little ugliness, turned his head to look at the fat man behind him and smiled, “I came to see my son and his... female classmate!”

“It’s a girlfriend, my love for River is genuine, and I’ll break off paternity with you if you keep us apart!” The fat man immediately listened to Wu’s words.

General Manager Wu’s face became even more ugly as he swept his eyes across the room and immediately shifted the topic to Haoden Ye, wondering, “What’s going on? Is someone bothering Mr. Yeh?”

As soon as Haoden Ye saw that General Manager Wu came, his heart was so happy, Zheng Shuo is a car salesman, General Manager Wu should be able to calm him down.

He quickly pointed at Zheng Shuo, "I brought my girlfriend to the class reunion today, and this guy tried to take advantage of my girlfriend!"

As soon as he heard his words, the sharp light in General Manager Wu's eyes flashed, and like Rong being a dynamite packet that had been lit, he looked over at Zheng Shuo ruthlessly, the way he looked like he was saying, "Thank you Mr. Ye for sending the punching bag!"

## **Chapter 166**

It was no exaggeration to say that there was no one in Dan City that he could not afford to offend.

The auto industry in Dan City is almost in the hands of Wu Zongjian, who has one of the largest financial resources in Dan City and a huge network of connections.

Of course, Wu Zongjian can be favored by the Holander family, also has his own credit, this person is a ruthless businessman, work is also very crisp and clear, treating friends, he is warm and generous, treating enemies, he is ruthless.

At the same time, he was also a member of the Dan City Wu family.

In Dan City, sleep can't be lost on the relationship between the Wu and Holander families, and Wu Zongjian's older brother is the famous director of Dan City, Sun Qian.

Wu Zongjian also has a younger brother who is the director of the Dan City Public Security Bureau, and having these connections will also allow him to move across Dan City.

In Dan City, you can offend Simen Holander or even Master Zheng because these big names tend not to put their bodies down to fight with you over petty

grudges, but if you offend Wu Zongjian, it's really dangerous because Wu Zongjian still holds some power in the underground world.

But this was such a ruthless and fearsome man, and today he was angry with his own son.

Wu Zongjian's son, Wu Hao, the fat-eating man, has not been doing his job since he was a child, and is lazy and casual, belonging to the type that can't do anything and doesn't have any leftovers, and he suffers from obesity and was born obese, and his brain doesn't seem to work as well as the average person.

Wu Zongjian has worked hard for most of his life and originally wanted someone to take over, but his own son was too incompetent, so he set his heart on his daughter-in-law.

Hard work to choose a wife for his son, that is, the imperial capital and the Lin family's close relationship with the Cai family's daughter Cai Feiwu, this girl is smart and capable, at the age of nineteen from the United States of America myton college graduation began to accept the family business, now twenty-two, his own hand began to run a small company.

Wu Zongjian has just asked the Holander family to get permission for his son to meet this Cai Feiwu, but he just mentioned it to his son, and the son directly told him that he has found a girlfriend, a third-rate actress named Miao!

Wu Zongjian asked people to find out, this Miao Miao comes from a peasant family, ran away from home at the age of sixteen to work hard in the city, now twenty, nothing has been fought out, and still owes a buttload of debt.

How could Wu Zongjian let such a low-born woman become his daughter-in-law?

Helplessly, Wu Hao is not half as smart as he is, but he has learned that his decisive character is to identify with this woman and to keep himself from separating them, he ran away from home.

Thankfully, this son has a low IQ and knows that he's blocked by coming to the plural university he worked so hard to get him enrolled in.

Just a few moments ago, the two men had a big fight, and the stupid son just couldn't make sense, and his one-track mind was making him angry.

"Oh? Take the car business surnamed Zheng, what does Zheng Guangrui have to do with you!" Wu's eyes narrowed, and he emitted a dangerous meaning.

Zheng Shuo was shaken and his blood basically went cold, he swallowed hard and his voice trembled, "Zheng Guangrui is my father, Uncle Wu!"

"Hahaha!" Wu Zongjian laughed loudly on his back and gritted his teeth, "Yes! My Wu family is getting worse every day, my Wu Zongjian is getting easier to bully every day, and now this old face of mine can't even protect a single friend!"

Wu Zongjian's anger rose from his heart and slapped his cheek with his reason.

The two pops made Zheng Shuo's legs weak with fright, but he had heard of people who had offended Wu Zongjian once and ended up getting screwed by him so badly that he couldn't even stay in Dan City.

"I just wanted to take advantage of Sun Qian, it's not like I didn't, and what exactly is the relationship between Haoden Ye and you, do you need to be so angry?" Zheng Shuo's heart was in his mouth and he was crying at this point.

“Wu, don’t misunderstand, it’s all... it’s just a misunderstanding!”Zheng Shuo quickly explained warily, “How dare I disrespect your friend, I didn’t know... I didn’t know he was your friend!”

No one in the private room knew Wu Zongjian except for Jia Liang, and although he had a high status in Dan City, an ordinary student couldn’t know him either.

But seeing Zheng Shuo’s fearful appearance, even a fool knew that this General Manager Wu’s status was not simple.

Wu Zongjian smiled coldly, not even looking at Zheng Shuo, his tone was like ice, “I don’t want to hear your explanation, let your father come to my head office this afternoon to explain!”

After saying that, Wu Zongjian had a few smiles on his face and said, “Mr. Ye, it’s better to have a chance encounter than to meet each other, so would you be so kind as to come to my private room and have a drink!”

Ignoring the dumbfounded Zheng Shuo, Haoden Ye said to Sun Qian, “Do you want to go have a drink with Mr. Wu?”

After today’s events, Sun Qian finally knows that the reunion can’t be easy to come to, the formerly innocent students in school have now become snobbish and worldly one by one.

“Yes!It’s better if Wu doesn’t mind!”Sun Qian stood up and smiled very politely.

“Haha, Mr. Ye’s girlfriend is pretty, she’s also a student at Fuge University, right?My brother is a director, so I’ll introduce you guys sometime!”General Manager Wu said with a smile as he glanced at his son, “Mr. Ye’s eyes are really good, this lady has talent and looks at a glance!”

That Miao Miao listened to his words, low self-esteem, Wu Hao almost invisible neck a Geng Road: "She is prettier than Miao Miao is not false, there is Miao Miao butt big well?"

As soon as this was said, not only Mr. Wu, but also Sun Qian and Haoden Ye who were following behind almost stumbled and planted, while Miao Miao blushed and stared at Wu Hao coquettishly.

As the sound of a few people's footsteps went away, it was completely quiet inside the private room, and Zheng Shuo stood in disbelief, a face almost indistinguishable from a dead man.

Jia Liang's face was also very ugly, especially when he saw Haoden Ye and Sun Qian walking together, it was clearly a beautiful woman and a poor man, it did not match at all, but Haoden Ye was a poor man who knew such characters as Wu, and it looked like Wu and Haoden Ye were still very familiar with each other.

"You brat... "Mr. Wu was angry by what his son just said, matching a smile to Haoden Ye, "Mr. Ye, don't be angry, this son of mine can't talk."

Anyone could tell that this Wu Hao did look silly, Sun Qian certainly wouldn't be able to see him in general, and the identity of General Manager Wu was there, she wouldn't dare to show it even if she was unhappy.

Of course Haoden Ye didn't get angry and hairy, instead he felt that although Wu Hao looked stupid, he didn't look like a bad guy.

Nodding and smiling at Mr. Wu to show that he wasn't angry, Haoden Ye said, "Mr. Wu just said that your brother is a director, it just so happens that Sun Qian's current director is also surnamed Wu, and is still very famous in our city of Dan!"

## **Chapter 167**

General Manager Wu revealed a delighted look, "Yes, my brother is not a small name in Dan City, his name is Wu Zongrui, I don't know if Miss Sun recognizes him!"

Hearing this name, both Haoden Ye and Sun Qian were stunned, and Haoden Ye was surprised, "Wu Zongrui is your brother!"

Sun Qian's heart is also in the right place, she easily received Wu director's play, and Haoden Ye and Wu know each other, Wu director is Wu's brother, anyone would think that Haoden Ye has arranged his own play with Wu's relationship.

"Huh? So that's it, and you want to pretend you don't know me and lie to me?" Sun Qian decided that Haoden Ye was playing a double act with Wu, and that Haoden Ye's identity must be such that even Wu couldn't afford to offend him: "Hehehe, I'm just lucky to be near such a big tree!"

After looking at Haoden Ye, he became even more proud, "And he's not taking advantage of me!"

Soon, however, she was in a bad mood again, "Why doesn't he take advantage of me, I'm not pretty enough for him?"

While Sun Qian was struggling, Wu was already surprised, "What? You two know my brother... ah, Miss Sun's director wouldn't be my brother, would he! Haha, my brother and I usually have little contact, so it's no surprise that you guys don't know, I also have a younger brother in the city's Public Security Bureau, who is now the director!"

For people he looks like he wants to befriend and is trustworthy, Wu doesn't mind revealing all his relationships.

Hearing this, Sun Qian's eyes narrowed.

“Sure enough, the first time we met, someone bothered me, wasn’t it Bureau Wu who settled it?By the way, this Mr. Wu is awesome, his brother is a famous director in China and his brother is the city’s police chief!”Sun Qian muttered in her heart.

“Cut!To put it nicely, it’s my uncle who looks down on you, a person like you is a vulgar person with no taste for art!”Wu Hao listened to his father’s words and left his mouth open.

“You shut up!”Wu Zongjian stared at his son with a vicious glare, crushing him, “Without my money, where are you going to taste art?”

Wu Hao patted himself on the chest with reason, “I’m an artist, and it has nothing to do with money!”

General Manager Wu snorted, whirled around and smiled apologetically at Haoden Ye, “Hey, this son of mine, I’m making you laugh!”Saying that, he hurriedly moved away from the topic, “I really never expected that my brother would be Miss Sun’s director, it’s true that we don’t see each other often, but we have contact at work, recently I just opened a car dealership and wanted to find a spokesperson, originally asked my brother to help, today I saw Miss Sun and thought you had a good temperament!”

Haoden Ye and Sun Qian were both delighted to hear that, although Sun Qian is now filming, but the film fee is limited and needs to be filmed before the fee can be given, but the endorsement money can be given after signing the contract.

“Thank you, Mr. Wu!”By this time the crowd had arrived, inside Wu’s private room.

This private room was much larger and more luxuriously decorated than the one Sun Qian’s classmate had.

As soon as Haoden Ye took his seat, he smiled at General Manager Wu and said, "That's certainly possible!" Just after saying that he suddenly remembered Sun Qian, this matter still needs to listen to her.

Sun Qian had long thought that Haoden Ye and Wu were always in cahoots, so the conversation between the two people she also thought it was premeditated.

"Trying to make me the spokesperson for his company, I'm going to rip him off this time!" Sun Qian smiled in her heart and said to Wu, "Of course this is fine, but my endorsement fee is not low!"

Haoden Ye when Sun Qian is a joke, but Wu is a quick person, even if Sun Qian's image is not good can not speak for him, he also wants to spend some money to get closer to Haoden Ye's relationship.

"Oh, it doesn't matter how much money..." thought Wu, "How about this, ten million dollars a year for endorsements, is that okay?"

10 million for him is not much, 20 million he can take, but the point of flattery is not aware of it, if people see that you are flattering, how is the level of Wu?

Ten million dollars belongs to a second-tier star's endorsement fee, for this stage of Sun Qian is not small, and will not exceed her limits at this stage.

"Ah! Ten million!" Sun Qian's face whooshed as she listened to his packet.

Wu always saw a sinking heart, the heart said: "Oh no, could it be that the offer is low? Yes, Mr. Ye is a valued member of the Holander family, why would he care about this 20 million? The higher the price of your own girlfriend of course, the better, I'm being smart this time!"

He was just about to propose changing the price when he heard Sun Qian say, "Mr. Wu... wouldn't this price be a bit high, after all, I'm just doing an endorsement, and you have no shortage of female celebrities to do so."

"Huh?Ah!" Xu always pinched a virtual sweat, the heart can't help but be amused, the original was worried about giving burned, can't imagine that Sun Qian felt more.

It's not surprising that she's a young girl just out of school, and she must feel like 10 million dollars more for her endorsement.

"Haha, Mr. Ye's friend, of course I can't be stingy, but of course, this is just this year's endorsement fee, if the situation changes, we'll increase it!" With a slight smile, Wu.

Sun Qian's heart was already blossoming with joy at this point, ten million a year, this was something she didn't even dare to think about.

She's just an endorsement, she doesn't need to do anything at all, she'll get 10 million a year for nothing, how can he not be happy?

"Thank you, Mr. Wu, I'm embarrassed for such a high price!" Sun Qian was worldly savvy and immediately smiled at Wu with her wine glass.

"Miss Sun is welcome, you're Mr. Ye's friend, which is my friend!" Mr. Wu haha laughed.

After laughing, however, he sighed a little and looked at his son.

How come other people's children have such good eyes, I don't want her to look at it like that, her son immediately reacted, staring at a pair of not quite eyes, "What are you looking at me for, you want to say your daughter-in-law is bad again, right?"

Mr. Wu had been holding fire in his heart, obstructing Haoden Ye in bad anger, one heard this face sank down, coldly grunted: “whether she is my daughter-in-law, is not your decision, as long as you are still in my Wu family for a day, she will not want to enter my family’s us!”

When River heard this, her pretty face immediately went white, her tears baring down, her head buried deep, and she sobbed softly.

As soon as Wu Hao saw Miao Miao’s aggrieved appearance, he got red in the face, mischievously stood up and said angrily, “If you don’t enter, then you don’t enter, at worst I’ll live in uncle’s house from now on!”

“Your uncle is my brother too!”Wu was too angry at his son’s words to laugh.

If you have a temper and utter a sentence to go out and establish your own business, this temper tantrum also like a man, the tone is so bullish, the result is still to run to his brother’s house.

A useless person, even if he is tough-mouthed, is still a loser, that’s what Mr. Wu said about his own son!

## **Chapter 168**

“What does it matter if he’s my uncle, or if he’s your brother, I have a better relationship with my uncle than you have with your uncle!”Wu Hao snorted, reached into his pocket and pulled out a box, handing it to Miao Miao: “This is the wedding ring my uncle gave me, why do you have to go get it this afternoon!”

As soon as this was said, Wu couldn’t care less that Haoden Ye was in front of him, standing up in a rage and pointing at his son, “Insolent, do you still have me as a father in your eyes!”

“Who doesn’t know if I have small eyes, you tell me if I have you in my eyes!”Wu Hao stalked his neck looking stubborn.

Hearing Wu Hao’s words, Sun Qian almost laughed out, and Wu was also good and funny, how come this son’s temper was nothing like his own.

At this time, Miao Miao suddenly stood up and said, “Uncle Wu, don’t be mad at Wu Hao, I... I’m breaking up with him right now!”Finished whimpering and crying.

“Miao Miao, ignore him, when we have a child, I’ll see if he recognizes me as his son or not!”Wu Hao quickly and gently hugged Miaomiao to coax and persuade her.

When Wu saw his son like this, he was angry and his chest rose and fell again.

Just at this time, Haoden Ye suddenly stood up and said with a slight smile, “Mr. Wu, may I have your attention!! I think you might as well just agree to the two of them!”

General Manager Wu was furious, and when he could hear Haoden Ye’s words, his face immediately sank.

Sun Qian saw Wu’s face turn ugly and quickly pulled Haoden Ye to prevent him from talking nonsense.

Wu Hao heard Haoden Ye’s words, but he looked at Haoden Ye gratefully.

“Mr. Ye, I hope you won’t interfere in our Wu family’s affairs!”Wu’s face was gloomy.

“Oh, don’t get mad at Mr. Wu yet, I’m saying this because I can see that this Miss Miao Miao has the look of a prosperous husband!” Haoden Ye smiled slightly, his face respectful to Haoden Ye.

His words caught everyone’s attention for a moment.

Wu and Sun Qian were both looking at him with a surprised face, Wu Hao thought Haoden Ye helped himself to persuade the old man, his eyes were grateful, and that Miao Miao also pillar cried.

It’s not like Wu doesn’t believe in faces at all, but he doesn’t believe that Haoden Ye can read faces and happens to see that Miao has the face of a prosperous husband at this very moment.

He is just looking for an excuse for his son, although he doesn’t know the reason, angry Wu can’t help but think so.

Seeing the questioning look on Mr. Wu’s face, Haoden Ye smiled slightly and said, “I’m not afraid that Mr. Wu is laughing, besides opening a pharmacy, I’m also a guest lecturer at the Feng Shui School of Fuyi University!”

Everyone except Sun Qian, who turned pale again at the words.

“Feng Shui as a guest lecturer?” General Manager Wu looked at Haoden Ye with a surprised face, “You’re so young... how can you be a lecturer?”

He had the impression that those who could be lecturers weren’t all in their forties or fifties, and the minimum was thirty-five or so, but Haoden Ye could actually become a lecturer, and still be from Fuxing University.

“Ah! I remember, our school is indeed building a feng shui academy...it seems to have something to do with the girls’ dormitory!” Wu Hao also thought of something, and patted his head with reason, showing a philosopher’s look of thinking, but he didn’t say a word, apparently not coming up with a reason.

“What Haoden Ye said is true, he is indeed a feng shui lecturer at our academy!” Sun Qian hurriedly helped Haoden Ye explain.

Mr. Wu’s brows furrowed, Haoden Ye’s words did make him feel better, but just by Haoden Ye saying that Miao Miao had the appearance of a prosperous husband, making him accept this girl was of course impossible.

“Mr. Wu doesn’t seem to believe me very much,” Haoden Ye saw the doubt on his face and smiled.

“Mr. Ye, of course I’d rather believe your words, but it’s a bit inappropriate for you to let me accept this girl into our Wu Family just because she has a prosperous husband look, isn’t it?” Wu showed a bitter smile, he couldn’t just listen to Haoden Ye’s words and decide on such things.

The reason why Haoden Ye made this judgement wasn’t because he would actually look at the face, but because when Wu Hao had just proposed to Miao Miao, a red light flashed on Wu Hao’s forehead.

Unlike the blood-red color of a bad omen, this light is auspicious at first glance.

“If I were lying to you, I could give a whole bunch of reasons, but I’m telling the truth, and if Mr. Wu doesn’t believe me, there’s someone you could ask the famous feng shui master of Yuzhou, Master Broken Bamboo instead!” Haoden Ye smiled.

Wu always heard the eyes inside the change light a flash, Broken Bamboo Master’s name he is heard of, a thousand he went to Yuzhou business to the time, Broken Bamboo Master helped him to resolve a period of bad luck.

“Mr. Ye and Master Broken Bamboo know each other too? If that’s the case, I’ll leave the kid alone for now!” General Manager Wu looked a lot better,

pondering in his heart if what Haoden Ye said was true, whether he really wanted to accept Miao Miao as a girl.

Miao Miao saw that Wu had accepted his meaning again and quickly asked Wu Hao to put away the ring to prevent him from angering Wu again, while giving a grateful glance at Haoden Ye.

“I didn’t expect Mr. Ye to be knowledgeable in feng shui, could you come to our company sometime and drop by to see the feng shui of our newly chosen car dealership!” Wu smiled.

“Oh, pick the day, why don’t you put it today!” Haoden Ye listened naturally will not refuse, car dealership as soon as possible to choose the location, Sun Qian can do timely endorsement, and just as he is free today.

General Manager Wu also smiled upon hearing this and looked at Haoden Ye with a grateful face, “That’s great, I’ll treat you well after you finish reading the feng shui later!”

It was agreed that everyone would skip dinner and go down to the car together.

Seeing Haoden Ye’s Maybach at the door, Wu Hao’s eyes lit up and said to Wu, “Dad, you can buy me a Maybach too!”

Mr. Wu glared at him hard and snorted, “Aren’t you going to break the father-son relationship with me? I thought I didn’t need my money.”

Wu Hao left his mouth and looked righteous, “That was just now, you said you didn’t want me as your son! One word from Mr. Ye, don’t you still approve of River?”

Wu was choked by his words and didn’t bother to pay attention to his son.

Everyone got into their cars and headed to the car dealership Wu had chosen.

The dealership was on the outskirts of downtown, near a very large highway, while it was under construction.

Haoden Ye and Wu and the others got out of the car, and Wu smiled at Haoden Ye and said, "This is our car dealership, how about Mr. Ye take a look at the feng shui?"

Haoden Ye's gaze in the car dealership hastily sweeping brows could not help but slightly wrinkled, at this time in his line of sight, the top of the car dealership floating a group of two groups of black gas, of which a large group of small, small place on top of a three-story building under construction, but the large group of black gas is like a dark cloud, lingering on the top of the car dealership.

General Manager Wu saw that Haoden Ye's face wasn't right, looked nervous, and quickly said, "Does Mr. Ye see anything wrong?"

## **Chapter 169**

Haoden Ye didn't reply, but instead looked dignified and said, "Mr. Wu will come with me first, I need a proof!"

When everyone heard Haoden Ye's words, their faces were surprised, wondering what Haoden Ye had seen and looked so nervous.

After Haoden Ye said that, he quickly walked over to the small mass of blackness, as he noticed that there was time on it, just two minutes later.

His pace is very fast, Wu is okay, Sun Qian and Miao Miao two girls soon fell behind, so Haoden Ye is surprised, Wu Hao looks obese, walk even does not conceal.

Soon, the crowd reached the bottom of the office building, and when Haoden Ye raised his head, he saw that the blackness was lingering on the third floor of the building.

“Wu, is there anyone above the third floor of this building? Could you have someone go up there and check it out!” Since there is a problem on the third floor, they can’t just go up there, it’s better to have a professional go up there and check it out.

Mr. Wu nodded at the news and even pulled out his phone to make a call.

At this time, Wu Hao, who was following behind Haoden Ye and General Manager Wu, suddenly said, “Miao Miao, slow down, what’s wrong with your foot?”

Wu subconsciously turned his head, and saw that River had one foot inside the puddle and the other outside, and the whole thing was wobbly, obviously because he had just walked too fast and didn’t notice the puddle on the ground.

And behind her, Sun Qian was trying to pull her out of the puddle.

“When you walk, you don’t take a long look and step on even if there’s a hole in the ground!” Wu was already unhappy with Miao and was even more unhappy at the sight of the situation, especially when he saw his son’s baby following to help.

At this time the call came through, and Wu was about to ask the site manager who was on the third floor when suddenly there was a loud shout from upstairs: “Look out!”

When Wu raised his head subconsciously, he saw a man fall down from the third floor, then poof landed heavily on the ground.

General Manager Wu's face changed then, not only because Haoden Ye was so accurate in his calculations, but also because the place where this man landed was exactly where his son was just standing.

I can imagine that if my son hadn't just gone back to help Miu Miu, he would have smashed this man this time!

"Dead man! Dead man!" A shouting sound interrupted to pull Wu's thoughts back, but he saw several workers running here in panic.

General Manager Wu quickly put his mind down and looked over to the man on the ground, but he saw a flash in front of his eyes, and Haoden Ye had already reached the man first, silver needles in his hands quickly inserted into the man's acupuncture points.

The man was already unconscious and his breath was very weak, if Haoden Ye made a move even two seconds late, there was a chance that the man wouldn't come back.

With a series of acupuncture needles, the face of the man who was dying gradually became bloodshot.

Haoden Ye slowly wasted his breath and stood up from the ground, at this time, an angry voice sounded, "Who are you, who told you to touch the wounded, are you responsible for anything that happened?"

When Haoden Ye turned his head, he saw a strong, vicious-looking man walking over.

"Take it easy, I'm a doctor, he was dying just now, I'll do some emergency treatment for him!" Haoden Ye quickly explained.

"What do you know, we don't have a doctor here? I'm telling you, you'll be responsible if something happens! This man had a cold this morning, I told him

to go home and rest, he had to be working on a construction site before he fell down the stairs, you don't know the situation and treat blindly, I'll sue you if anything happens!"

The man spoke very fast and in a very high voice, as if he was afraid that no one else would hear him.

Haoden Ye's eyebrows furrowed when he heard this, that person obviously didn't have a cold and fell down from the building because of some other reason.

The man finished, as if that's when he realized that Mr. Wu was beside him, and revealed a surprised look, "Mr. Wu, what are you doing here!"

Wu's brows furrowed and he looked unhappy as he said, "Zhang Feng, how do you manage to work on a construction site with a cold?"

The cold sweat immediately came down on Zhang Feng's forehead and he looked panicked, "I'm sorry Mr. Wu, I've had a lot of things going on lately and I didn't take care of coming over!"

Mr. Wu grunted, "I'll give you a punishment for this, next time something like this happens, you won't have to do it!"

Zhang Feng quickly nodded, quietly relieved himself, and hurriedly commanded the man on the ground to be lifted up.

Just at this time, Haoden Ye, who was standing on the side, suddenly spoke up, "Mr. Wu, with all due respect, it's not like this person fell off because of a cold!"

Wu was going to thank him for his help, and his eyes shone sharply as he heard this, looking over at Zhang Feng openly.

Zhang Feng immediately became furious upon hearing this and pointed at Haoden Ye's nose, "What do you mean, that I didn't tell the truth to Mr. Wu? You don't even go out and ask around, what kind of person am I, when have I ever cheated my own boss?"

He looked very agitated, and looked like he was in pain.

"Mr. Wu, he's framing me wrongly, don't trust this man, I've been working with you for more than three years, don't you trust me to trust an outsider?" Zhang Feng looked cryptic to Mr. Wu.

"Oh, old Zhang, I believe in you!" Wu's eyes glowed, then with a smile on his face, he said, "You first arrange for the person to be sent to the hospital, make sure this person is safe, and his family to notify them, tell them that the company will compensate their family for the loss!"

As soon as Zhang Feng heard that Wu believed in him, he was immediately relieved and nodded vigorously, "Thank you, Mr. Wu!"

Haoden Ye's eyebrows furrowed slightly, General Manager Wu had always been polite to himself, if he misunderstood himself this time, wouldn't he have offended someone for nothing? Thinking about it, he couldn't help but regret being nosy.

After Zhang Feng left with his men, Haoden Ye stepped forward and said to Mr. Wu, "Mr. Wu..."

As soon as he opened his mouth, General Manager Wu's face immediately darkened and he spoke in a low tone, "Doctor Ye, are you sure that person doesn't have a cold?"

Haoden Ye was stunned, didn't Mr. Wu believe Zhang Feng just now? Why do you still ask yourself that, he quickly said, "Yes, although I have been

practicing medicine for a short time, my medical skills have been approved by President Zhang of the Central Hospital!”

Taking a deep breath, Wu nodded slowly, his eyes flashing a stern color.

Haoden Ye looked at him curiously and wondered, “Why is Mr. Wu asking me this? Don’t you trust Zhang Feng?”

Sighing, Mr. Wu slowly raised his head and said, “I’ve just let Mr. Ye suffer, the stall is so big, what kind of people are underneath my hands I really don’t know this as the CEO!”

Haoden Ye listened to him and was surprised that Mr. Wu actually believed himself instead of that Zhang Feng, but why didn’t he just deal with Zhang Feng then?

See Haoden Ye’s face confused, Wu general face eased down, he smiled: “Mr. Ye did not manage enterprises do not understand, many times the problem appears to come, you solve the parties will instead leave behind a bigger problem, Zhang Feng with me for three years, in the end private how many dirty things, I do not know, and just why that worker fell, the same hidden danger exists or not! I need to know it all.”

## **Chapter 170**

Haoden Ye suddenly realized, Wu continued, “Zhang Feng did these things, it can’t be him alone, how many other people under my hands are with him, how should I investigate, it all needs to be discussed in the long run, before that, it’s best to stabilize the other side, if I get angry on the spot, even if Zhang Feng admitted that the worker fell and he had something to do with it, he won’t say anything else about the problem!”

Haoden Ye listened with admiration, but it quickly occurred to him that Wu was willing to tell him about the nastiness of the people under his hands, so he obviously trusted him a lot.

“Mr. Wu, there’s one more thing I need to tell you ah!”

Haoden Ye thought for a bit, and finally decided to say something about that cloud of black gas.

The strength that Haoden Ye showed just now Wu always witnessed with his own eyes, so he also paid great attention to Haoden Ye’s words, and he even said, “What else did Mr. Ye find out?”

Haoden Ye thought for a moment and said, “I can’t say about this, I know what is called the Qi Looking Technique in Feng Shui, and what just happened was also seen through the Qi Looking Technique, and in addition to what just happened, I also found something even more serious, and that is that your entire construction site is now haunted by a cloud of black Qi!”

Mr. Wu’s face changed abruptly at his words, if not for Haoden Ye’s early prediction, they would have been at the location of the incident, and Haoden Ye had made his move in time, the worker just now would only be lifeless.

Although the compensation for a dead worker is more than he can afford, what he can’t afford is the impact on the company’s reputation, which is very serious.

And if the entire site is in trouble, he probably won’t have to open the dealership, and he’ll even have to be investigated himself.

“Mr. Ye, you can definitely help me this time!” Wu looked agitated.

Just at this time, Wu Hao and the others came over, Wu Hao looked excited and said to Mr. Wu, “It’s too accurate, it’s really too accurate, it’s even more

powerful than what's on TV, Dad, you believe Mr. Ye this time, Miao Miao has the appearance of a prosperous husband!"

Mr. Wu, who had no mind for his business now, glared at his son, "Get out of here! I don't have the heart to talk to you about these things right now!"

"I'm telling you, don't go rogue, Mr. Ye is all about living Miao Miao Wangfu, if you refuse again, you're not taking the future of the Wu family seriously!" When Wu Hao saw that his old man was angry, he thought he was doing it on purpose, and was filled with righteous indignation.

"Wu Hao, don't bother Uncle Wu, let's go back first." Miao Miao was very understanding and pulled Wu Hao Dao.

"Go back, I'll die before I let him nod off today!" Wu Hao was stubborn and Miao couldn't pull him.

"Wu Hao, I'll get angry if you keep messing around, forgetting how you promised me?" River's pretty face was pale.

Seeing her angry, Wu Hao finally stopped making a scene and went back with Miao honestly.

When Wu saw that he wasn't pestering him anymore, his face became more gloomy instead, waiting for Wu Hao to walk away before he gritted his teeth and said, "It's no use raising a son for twenty years, his old man raised him with a handful of shit and urine, and then in the blink of an eye, he became his daughter-in-law's man, and I don't even listen to my son's words, I listen to my daughter-in-law's!"

Haoden Ye's heart was funny, but seeing the sad look on General Manager Wu's face, he implicitly understood the sentiment in his heart.

Smiling slightly, Haoden Ye said, "Wu's painstaking efforts, Wu will understand in the future, but since he truly likes Miss Miao Miao, why does Wu need to make things difficult for him?"

Mr. Wu smiled bitterly and sighed, "Hey! To tell you the truth, I had a discussion with the Imperial Capital's Cai family before this, hoping to set up a match between Canine and the Cai family's eldest daughter, Cai Feiwu, a girl who not only comes from a high background, but is also very talented."

Haoden Ye suddenly realized that Wu was always angry because he had found a good daughter-in-law for his son, so he was angry when he saw that his son liked another girl.

"I haven't met this Miss Cai, but Miss Miao Miao does have a prosperous husband, so why should Wu go and force her?" Haoden Ye continued to persuade.

Wu shook his head with a bitter smile, what parent doesn't want a better future for their son? The Cai family is a subordinate of the Lin family, so if you are married to their family, and with your position in the Wu family, there is no chance that your son can take over the Wu family in the future.

There are three heirs to the Wu family, the first being his brother, but his brother is so engrossed in art that he doesn't want to be involved in the family business at all.

His own brother is the most likely, but it may not be good for the Wu family if they are given control by an official.

So the family isn't enthusiastic about their brother taking control of the Wu family, whose only heir is now himself.

He can take over the Wu family, but what about the future? Will the family choose a son to be the heir to the Wu family?

In his mind, Wu couldn't help but sigh again.

Haoden Ye saw that Wu was in deep thought and swept his gaze around, he wanted to find out the problem here before Wu did.

First of all, he observed the feng shui layout of the place and found that it was very confusing, but it was neither good nor bad, so it should be that Mr. Wu had found someone who didn't know much about feng shui to do the layout for him.

Haoden Ye then went to observe it alone, but after looking for half a day, he didn't find anyone here who still had blackness on their forehead.

In other words, what happens down the home is likely to be a crisis not of other people's lives, but of the construction site.

He was looking out of his mind when General Manager Wu twisted his head and said, "I'll go investigate right away, and I'd like to ask Mr. Ye for a favor as well!"

Haoden Ye nodded gently and watched Wu leave, wandering around the construction site himself, and just a few steps out, he saw a group of people surrounding him, and the sound of flashing lights ringing out.

When Haoden Ye walked over, he saw a large group of workers surrounding Sun Qian.

"Miss Sun, I love your TV show so much, so sign me up!"

"Miss Sun, can you take a picture with me, my husband especially likes the role you play!"

Haoden Ye smiled bitterly and stepped over, Sun Qian saw him coming from afar and smiled apologetically at him, then said to the workers, "Everyone make way, my boyfriend is coming over!"

Haoden Ye laughed bitterly, at this time she still didn't forget to say she was her girlfriend.

Easily getting the workers to disperse, Sun Qian ran to Haoden Ye and said, "I'm really sorry, these fans are too enthusiastic."

Haoden Ye smiled slightly and said, "It's good to have fans, I didn't expect you to be so famous here too!"

Sun Qian pretty face attached a blush, the name obviously she also likes the feeling of trying to be underwritten.

"Thank you, Mr. Yeh, if it weren't for you, I'd still be out on the streets right now!" Sun Qian thanked Haoden Ye from the bottom of her heart.

Haoden Ye thought about the trouble he had caused today because of her and couldn't help but smile bitterly, "Just don't let me pretend to be your boyfriend from now on, I'm really tired today!"
