# The Return of the God of War [The Protector]

## Chapter 2798 - 2799

### Chapter 2798

After a few people advocated, many people came forward.

They have supported Yin Zhengping's remarks.

I feel that taking a detour is a waste of time.

Now they are all going to support urgently.

Not every second of time can be wasted.

Yin Zhengping and Fan Zhisheng saw the effect and immediately continued to instigate.

It turned out to be like this.

Many people feel that the detour is unreasonable.

Even the senior officials of Tiance Mansion and Baolong clan felt unreasonable.

What a waste of time.

Begin to question several great generals.

"There may be danger in it!"

The Dragon Head God will say coldly.

“How is it possible? If there is a danger, let’s send a small group of people to check it out... After making sure that there is no danger, everyone will pass!”

Someone suggested.

Many people think this method is good, and it is really too expensive to take a detour.

Therefore, everyone is more inclined to walk Langya Mountain.

Cut the time in half!

It’s just that the Dragon Head God suddenly laughed a few people.

This made the detectives such as Yin Zhengping and Fan Zhisheng chill all over.

Perceived something unusual.

Could it be that they...

A bad idea popped up in their minds.

Others are more puzzled.

What are they laughing at?

“You said to walk in Langya Mountain?”

“Then do you know that Langya Mountain is full of enemies in ambush?”

“Yes, the enemy who is likely to swallow us in one bite!!!”

The language is not surprising and endless.

The words came out.

The others were terrified.

The most shocking is the spies lurking in Kunlun Academy!

be surprised!

Shocked!

What? ? ?

Tiance Mansion knows that Langya Mountain has an ambush?

How can this be?

How did they know?

This is impossible!

Can't figure it out!

Everyone really can't figure it out for a while!

The reinforcements of Tiance Mansion have always been in a normal state.

How could this be so?

Most people still don't believe: "Ah? How did the Dragon Head God know that there are enemies in ambush in Langya Mountain?"

## Chapter 2799

At this moment, Yin Zhengping, Fan Zhisheng and others felt that someone was watching.

The Dragon Head God smiled and said: "It depends on them!"

Everyone's eyes were fixed on these spies.

“what?”

Everyone became more and more confused.

What is going on here?

After all, they didn't know anything about spies from beginning to end.

Zoey Lopez opened their mouths wide.

One after another was shocked in a cold sweat.

So spies existed from the beginning...

Oh my god!

“In fact, since the establishment of Kunlun College, we have been mixed with enemy spies!”

“The one who stole the artifact that day was not the King of Words, but the spies! They blamed the King of Words of Side!”

...

After listening to this.

The spies closed their eyes in despair.

It seems that they were discovered early.

Others are shocked!

It turns out that Levi Garrison was wronged...

How much insulting him and taunting him!

For this, how much did he endure?

Zoey Lopez and both of them felt guilty. After all, they had been angry with Levi Garrison because of this incident.

It turns out he was wronged!

The Dragon Head God will stare at Yin Zhengping and said: "Yin Zhengping was the first to be exposed! You want to get in touch with the dean and the deputy dean too! Immediately break away from the king's side by side! After all, in your opinion, the side by side is the king. The least likely to be in contact with the dean and deputy dean!"

...

Hear here.

Yin Zhengping was in a cold sweat.

He was exposed early in the morning.

"And the rest of you we all know! Fan Zhisheng, Jiang Sisen..."

The Dragon Head God will call this group of spies one by one.

At the same time, the powerhouses of Tiance Mansion and Baolong clan immediately controlled all these dozens of spies.

To prevent them from escaping or sending out information.

"It turns out that we were discovered early in the morning and have been under your control?"

Jiang Sisen and the others were terrified.

Where do you want to get Daxia and still have this hand.

The calculation is in front of the laboratory of the gods.

“Of course! In other words, a very important purpose of establishing Kunlun College is for you!”

The Dragon Head God will laugh.

“what???”

“Could it be that everything we do next is deliberately permitted by you! It is in your plan?”

Everyone is really scared to pee.

This is a deep scheming.

“Yes, you are checking us, in fact we are checking you too! Follow you to find some clues...”

After listening, everyone almost fainted.

“So as soon as we set off, do you also know that we send our whereabouts in real time?”

Jiang Sisen and others continued to ask.
