Mistaking a Magnate for a Male Escort

chapter 909 - 910

"If that's the case, we..."

"Just go ahead and return to Daddy's place." Robbie stopped his siblings from finishing their sentence as he was afraid his siblings would change their minds due to the sentimental session.

Truth be told, he had his fair share of doubts against their so-called uncle. Thus, he had always wanted to send them back to their father's side to ensure their safety.

"I-I'm unwilling to leave Mommy alone!" Ellie started weeping as emotions came flooding out once again.

In an attempt to console her daughter, Charlotte kissed the little girl on the cheek. "We're merely a short distance away from one another. If you miss me, just drop by and pay me a visit whenever you're free."

When Jamie recalled their mission to bring Charlotte home, he suggested, "Mommy, if you miss us, you can always drop by and pay us a visit as well!"

"Sure!" Charlotte promised her younger son and responded with a satisfied beam.

The little girl showed Charlotte her pinkie and suggested, "If that's the case, let's make it a deal with a pinkie promise!"

Charlotte played along with her daughter and urged, “I want all of you to save my contact number in your smartwatch and get in touch with me if there’s anything you need.”

“Okay, Mommy!”

Robbie handed over Little Fifi to his sister and reminded her, “Take Little Fifi with you! If there’s anything you need from us, just send it to deliver the message on your behalf!”

“Alright, Robbie!”

In the end, Jamie and Ellie marched out of the restaurant with those around Ben and made their way back home.

Similarly, Raina returned along with the rest of the medical staff.

Prior to their departure, Ben assured Charlotte, “Ms. Lindberg, I’ll ensure the safety of Mr. Jamison and Ms. Elisa at all costs. Mr. Nacht has mentioned you’re free to go home if you wish to see the children.”

Ben did a great job rephrasing his sentence and successfully played to Charlotte’s emotions. She even thought she might have a great time with the man and her children there.

As much as she was overwhelmed by the sentimental moments, she put on a strong front and urged, “Alright, just get going already.”

Ben bowed and wrapped up the conversation with Charlotte before walking in the direction of Jamie and Ellie.

Holding Little Fifi in their arms, Jamie and Ellie wound down the window and yelled, "Mommy, Robbie, goodbye!"

Charlotte held Robbie in her arms and waved at them.

In spite of feeling overwhelmed because of her children's departure, Charlotte was glad Robbie was around to keep her company. With that being said, she felt a sense of guilt and asked, "Robbie, are you going to feel lonely without your siblings?"

"Nah, I prefer spending my time alone since I need a quiet environment to do some reading and carry on with my research."

His mother leaned over and assured him in a gentle tone, "If you're feeling lonely, just tell me! We'll bring Jamie and Ellie out with us and do something fun!"

"Alright, Mommy! I guess it's time to go home!"

Shortly after Charlotte brought Robbie into the silver Rolls-Royce at the entrance, the car accelerated in the direction of Roka Hill.

The sun was about to set in the evening. Staring ahead of the car, Charlotte noticed the cars of those affiliated with the Nacht family were merely a few feet ahead of their car.

Her mind was all over her place when she thought of her children. As much as she wished to gain custody over them, they seemed to have gotten used to the lifestyle as a member of the Nacht family.

Are they going to blame me if I try to gain custody over them and take them away from their father against their will?

Maybe I need to stop overthinking things and just go along with the flow since they seem to have made up their minds.

Shortly after Ben returned home with Jamie and Ellie, he instructed Raina to take care of them. Once he ensured there were plenty of people around to keep them safe, he made his way to meet up with Zachary.

Raina found out Jamie was fine after having a fever over the past few days. On the contrary, Ellie got increasingly frail as her face turned pale and haggard.

She mentioned she could feel a racking sensation coming from her stomach. When Raina was about to examine the actual cause of the little girl's discomfort, Ellie started puking.

chapter 910

Ellie had always been frail compared to her peers. To make things worse, she would occasionally suffer from mesenteric lymphadenitis.

It wasn't a big deal since it was a common symptom amongst children. As long as she was mindful of her diet, it would be fine.

The common symptom of the condition was continuous abdominal pain. On top of that, she might catch a fever and throw up.

Raina thought it was her usual sickness. Thus, she administered the usual prescription for Ellie's conditions as she thought she was having the same abdominal discomfort again.

Shortly after Raina thought things were fine, Ellie started throwing up again. She started retching in silence since she had vomited the things she consumed earlier.

Ellie couldn't take it anymore. She ended up wailing in pain on the bed.

Raina got in touch with Ben and told him they had to rush Ellie to the hospital since nothing she had in store for the little girl could work.

Once Bruce brought them to the hospital, Raina rushed Ellie to the emergency department and acquired the doctor to carry a series of examinations to determine the actual cause of pain.

After a series of examinations and blood tests, the doctor thought it was acute gastroenteritis triggered by the food she took.

Raina opted for intravenous therapy to keep Ellie hydrated. Jamie, who had been staying next to them, was concerned because of his sister's condition.

Initially, Raina thought of sending Jamie home in fear of him being infected. However, he made himself clear he wouldn't leave his sister alone.

He mentioned it was his duty as the little girl's elder brother since their eldest brother wasn't around to keep them safe.

Zachary finally showed up at the hospital at ten o'clock at night. Tidal waves of emotions came flooding out when he saw his little girl with a cooling patch on her forehead being pricked by needles for the therapy.

When Jamie saw Zachary, he launched himself in his father's direction and sniffled, "Daddy, hurry up and check on Ellie! S-She's in such a poor state!"

"It's going to be fine! Since it's just acute gastroenteritis, Ellie's going to be fine in no time!" Zachary leaned over and assured his son it wasn't a big deal.

A few seconds later, he approached his daughter and placed his hand on her forehead. He was surprised to find out her forehead was scorching hot. "What's going on? Why is she still having such a high fever?"

"There's something odd with her condition! I have already acquired the aid of another few pediatricians to check on her!"

Raina had never encountered such an ambiguous situation throughout the years. She had conducted all sorts of examinations to figure out Ellie's problem, but none of the treatment alternatives she had in store for the little girl worked.

"I don't want to know the reason! Just make sure she's fine in no time!"

After having a long day, Zachary couldn't suppress his emotions anymore. To make things worse, his daughter was in a bad shape.

Startled, Raina announced, "I'm so sorry, Mr. Nacht! I'll consult the rest of the pediatricians and come up with another treatment plan for her immediately!"

Zachary suppressed his wrath and mentioned, "Just go on!"

"Yes!"

Ben and Bruce were equally worried after seeing Ellie's condition.

It was then Spencer got in touch with Zachary and asked if he could bring the little ones to visit Henry soon. Spencer told Zachary his grandfather had been anticipating the little ones' arrival ever since a few hours ago.

Spencer was afraid Henry might not make it through as he refused to finish his meal because the children were nowhere to be seen.

Zachary's mind was all over the place when he heard Spencer. He started massaging his temples and announced, "I'm still in the middle of something. I'll get Ben to bring Jamie over soon."

Spencer had a bad feeling about it. He asked, "What about Robbie and Ellie? Is everything fine?"

"Robbie has fallen asleep while Ellie isn't feeling well after catching a cold. I'll send Jamie over since he's the only one who's wide awake."

"If that's the case, I'll wait for you downstairs." Spencer had no intention to poke his nose into Zachary's business.

Shortly after he hung up his call, he grasped Jamie's hand and whispered, "Jamie, can you do me a favor and keep your great-grandfather company since Robbie and Ellie aren't around?"
