## Chapter 2541

"It's okay."

Lin Fansen took the documents off his knees.

Although he was waiting just now, he also dealt with some things at work by the way.

Song Junyue was about to get into the car when an excited voice suddenly came from behind.

"Sister, if you tell me to catch you, I know you must have a man, no wonder you've been looking at your phone before."

Song Xingchen rushed out from a corner, "Let me see which man let me You ruthlessly left your job to me..."

Song Junyue's pretty face darkened, but it was too late to stop him.

Song Xingchen quickly squeezed to the door of the car and saw that the headlights were on in the car. Lin Fansen, who was wearing a white shirt, had dark and handsome eyes, and there was a hint of indifference at the end of his eyes.

Song Xingchen was stunned for a while, he had met Lin Fansen, the elder brother of his sister-in-law, "It turns out to be Big Brother Lin... I'm sorry, I misunderstood and thought it was my sister's boyfriend, but Big Brother Lin, why are you here, talk to my sister about something."

other party's clear and calm eyes made Lin Fansen embarrassed, not knowing what to say.

On the other hand, Song Junyue looked at Lin Fansen, who didn't give a single glance, and then looked at Song Xingchen, who was curious next to him, and put the bag in calmly, "You said that I have a man, and of course he came to pick me up from work."

Song Xingchen opened his mouth . "O" shape, "Sister, you are so funny, you will be joking now."

"No kidding, I will call him brother-in-law in the future, we will get the certificate."

This appearance really made Song Xingchen dumbfounded.

No, his former sister-in-law's brother became his brother-in-law?

What a fantasy story this is.

"Xingchen, hello." Seeing this, Lin Fansen said hello seriously.

Song Xingchen took a deep breath. He really didn't expect his sister to like Lin Fansen's type of facial paralysis, and he always wanted to match Song Junyue's brother Ling Ye. He felt that Ling Ye's brother was refined, mature and stable, and was more suitable for strong women. elder sister.

"Sister, are you really married?" Song Xingchen couldn't believe it, "Mom and dad, it's unlikely... accept it."

"No, so the position of president is now handed over to you." Song Junyue faintly He said, "Close the door, don't block us, I'm very tired and I have to go home to rest."

Song Xingchen closed the door like a fool, and after watching the car go away, he slammed it hard slapped himself twice.

Well, found out that it wasn't a dream.

...

Song Junyue glanced in the rearview mirror and shook her head helplessly.

With such a stupid appearance, how can he hold down the people on the board of directors.

As soon as she looked back, a dazzling diamond ring in the shape of a crown appeared in front of her.

Immediately afterwards, Lin Fansen stepped on the brakes, "Put your hand out, and I'll put it on for you."

After a few seconds of surprise, Song Junyue stretched out her hand in a good mood and reminded, "Take my ring finger."

"I know." Lin Fansen lowered his head, looked at her slender and tender fingers, and his heart "thumped" faster.

Now, it's finally done.

"It's pretty." Song Junyue looked at her for a while, "You didn't choose it, you don't have such a good eye."

"...My sister chose it." Lin Fansen gave her a meaningful glance, and then added After saying, "I have good eyesight." Song Junyue

understood what he meant and said deliberately, "Really, you didn't say that before."

"I'm stupid."

, and then also noticed that he also wore a men's ring on his ring finger.

Okay, we all know that he is married.

She took his hand, put it to her lips, and kissed his ring and that finger.

Lin Fansen's hand holding the steering wheel almost didn't hold firmly, Jun's face was hot, he simply hung up the P gear, and leaned over to kiss her without any scruples.

She always has a way to get him out of control easily.

After all, it was on the road, so he didn't dare to be too presumptuous. After kissing her for a while, he held her hand and asked, his eyes darkened, "Can you come home with me if you have time."

The family he was talking about was the Lin family.

Song Junyue was stunned for two seconds before nodding, "Okay."

"Agree so soon?" Lin Fansen was surprised.

"Ugly daughter-in-law will see her in-laws sooner or later." She sighed softly, "I'm just curious, you will take me to Lin's house so soon."

"I saw someone from Qiu's family at dinner tonight." Lin Fansen didn't hide it from her, "I don't know where he knew about the two of us. Anyway, I didn't tell anyone..." The

implication was that it was spread from her side.

Song Junyue quickly went through it in her mind. She has only her parents and Ling Ye on her side. Her parents love face, and they will definitely not say anything for the time being, so there is only...

"You suspect it's Ling Ye?"

"See who you haven't told anyone yet." Lin Fansen meant that if she didn't tell anyone else, it was probably only Ling Ye, "Ling Ye must like you."

"Qiu What did my family tell you?" Song Junyue was curious.

Lin Fansen coughed in embarrassment, "Said I planned to marry her daughter before, but after approaching you, I will not want his daughter immediately, let me beg you to let the Qiu family invest in the Song's hydropower project in the north, otherwise I and him will be put together. The news about my daughter is probably trying to ruin the reputation of both of us. I don't care about reputation, but will your parents misunderstand me as that kind of phoenix man, or... please explain to your parents, You forced me to obey."

"I told my parents long ago, but they didn't believe it." Song Junyue laughed.

Lin Fansen was speechless and understood. Who would believe it? In the eyes of outsiders, Song Junyue's identity is too prominent, and the Lin family is not bad, but compared to her...

Wife is too strong is also a kind of helplessness.

"The Qiu family has a good plan." Song Junyue suddenly said, "That hydropower project is not ordinary. The Qiu family can earn more than one billion yuan in vain by cooperating with them. More importantly, with this project, the Qiu family can be next to each other. The Song family has since attacked the reputation, and more and more companies and individuals will invest their money in the Qiu family's investment company. Forget it, no one but the two of you will know about the marriage between you and Qiu Yuxin. , there is no marriage certificate, he just said if he wants to, there is no evidence anyway."

"...When I canceled the marriage contract, I gave Qiu Yuxin the two facades under my name." Lin Fansen lowered his eyes with a guilty conscience, "I want to repay the grace of saving my life."

Song Junyue blinked in surprise, she didn't care about what happened after that, she really didn't know that he still had such a rude operation.

"Cough, wife..." Seeing that she suddenly stopped talking, Lin Fansen was a little overwhelmed, "You won't be angry, I wanted to pay more, once and for all, so that the Qiu family can no longer be bothered. Come up."

### Chapter 2543

"I don't have such a small mind." Song Junyue gave him a white look, "Anyway, Qiu Yuxin saved you, you have no problem with making up for it with two facades, after all, in my eyes, your legs are still far better than It's worth the price of two facades."

"Wife, you are so kind." Lin Fansen couldn't bear it any longer, leaned over and kissed her, "My mother said, I knew I would have to pay for two facades, and I would pay her back. It's better not to save me, in fact, I feel annoyed myself now, it's better that I get hurt."

Song Junyue “puchi” smiled, “Also, when you meet someone like the Qiu family, it’s better not to be a beauty to save a hero, speaking of which, you should thank me Ah, if it wasn’t for me, you would have married Qiu Yuxin and married the Qiu family, and you would not be at peace.”

”Well, thank you.” After Lin Fansen finished speaking, he felt a little embarrassed.

In fact, after thinking about it carefully, the decision to marry Qiu Yuxin was too hasty.

Song Junyue smiled and said nothing.

She was thinking in her heart. The Qiu family incident surprised her, and it was a little strange.

However, she is a very smart person, and some things have gone round in her head, and she probably has a clue.

”Don’t worry about the Qiu family’s threat, isn’t it just reputation, my Song Junyue’s reputation is not good.” For a long time, she said nonchalantly.

Lin Fansen’s heart tightened, but her appearance made him feel more distressed.

At the same time, he also made up his mind that he would never let her suffer in the Lin family in the future.

...

the next day.

Father Qiu came out of the tea restaurant after breakfast in a good mood, and a Rolls Royce parked in front of him.

The window slid down, revealing a cold and beautiful face inside. The woman was wearing sunglasses, her long black hair was draped over her shoulders, and her thin lips were dyed with maple-leaf lipstick.

"Mr. Qiu, let's talk." Song Junyue took off her sunglasses, her beautiful pupils were bottomless.

Father Qiu is also a well-informed senior, but when he met her eyes at this moment, there was an inexplicable chill of being stared at by dangerous animals hidden in the dark, and even cold sweat oozes from his back.

Outsiders said that Song Junyue was not easy to mess with, but he had seen him from a distance, and at best he was just a young woman.

Now that they met at a close distance, Father Qiu suddenly realized that his previous thoughts might have been too simple.

A woman who can control such a large group as the Song family has never been a simple person.

It was just greed that made him think that Song Junyue came to him as a compromise.

After all, such a project was only a small project for the Song family at best. A little oil and water leaked out of her hands, but it could change the entire Qiu family.

"I can't ask for it."

Qiu hurriedly turned to the side, "The morning tea in this restaurant is good. Miss Song, would you like to come in and sit

down?"

, his eyes are cold, "I heard that President Qiu wants to participate in Song's hydropower project?"

"Yes." President Qiu was elated, and sure enough, it was for this matter, "Our company has raised two billion yuan, Miss Song, you can rest assured. , we don't care about anything, just invest the money, and after the project is over, we can take back our own part of the profit, and it will have no impact on you."

"It really doesn't matter much." Song Junyue didn't lift her head, just played with her hands. In the sunglasses, "After the event is completed, participating in such a state-supported project, the Qiu family will not only be able to make steady profits without losing money, but also gain a firm foothold in the circle and restore the reputation. After all, your investment company has a bad reputation in recent years. , the loan under his name could not be recovered, the fund lost money, and the bank's loan approval was not very smooth. This time, if I can invest 2 billion, I must have taken out all the assets of the company's financing."

Seeing her pointed out, President Qiu was slightly embarrassed, "Miss Song is really well-informed, but it doesn't affect you, as long as our money is in place."

"But..." Song Junyue paused, her cold eyes falling on him On the body, "What I hate the most is being threatened."

President Qiu froze and forced a smile, "It's not a threat, it's a win-win situation, after all, Lin Fansen really wanted to marry my daughter."

Song Junyue smiled, " Yes. It's interesting to report that the picture of Heenen is so fresh and refined. Does your daughter know that she just has a broken leg and will have some scars on her legs, but now that medical beauty is developed, it can cost more than 100,000 yuan, and the scars can be removed. It's clean, but Lin Fansen not only lost you 100 million worth of appearance, but you are also greedy and want more, what did Ling Ye tell you."

The blood on President Qiu's face faded immediately, "I don't know what you're talking about."

"It's not Ling Ye, that's Dong Ling. Anyway, it's someone from the Ling family."

Song Junyue said casually, "Let me guess, the Ling family should also need benefits, let you spread the news that your daughter and Lin Fansen almost got engaged, and create a Lin Fansen for the outside world to climb on my high branch without hesitation. To kick your daughter's scumbag image, Lin Fansen will not only have a bad reputation, but I will also lose face, and the Song family will try their best to prevent him from being with me."

"Miss Song, I really don't understand." President Qiu pulled his lips reluctantly.

"It's you who changed your mind temporarily." Song Junyue said suddenly, "You have received such a big news, the Ling family may promise you the benefits, not the benefits you get from threatening me, so you approached Lin Fansen to threaten me, if It's Ling Ye, I won't let you do this, because I know the relationship between me and Lin Fansen, just him and a few people in my family. When you get the news, isn't it obvious that the Ling family told you?"

President Qiu broke into a cold sweat . They all say that Song Junyue is extremely smart. He didn't believe it before, but now he believes it, and he is a little scared to believe it.

"Miss Song, you are too smart." President Qiu said embarrassingly, "Look, if I did what the Ling family said, there would be a lot of buzz all over the capital, Miss Song, you really might not be able to find out where the rumors came from. It came out."

"So I have to thank you?" Song Junyue raised her eyebrows playfully.

"Can we... cooperate with each other?" President Qiu flattered, "I can also testify against the Ling family for you."

"You may still not know me well."

Song Junyue's eyes turned cold, "You I don't care if you want to say whatever you want, but you should consider your own company first. Can you survive this month? Oh, you Qiu family don't even think about taking money and fleeing the country. I have already said hello. It's possible."

President Qiu's brain exploded, and his body trembled, "Miss Song, what do you mean?"

"The last person who threatened me has no money, understand." There was no trace of warmth in Song Junyue's eyes. "I hate when someone threatens me, and I'm not afraid of threats. It's a good thing for your daughter to save people, but your family is endless with that kind of kindness. This time it's a project, what's next time? The most neat thing, if you regret it, remember to return the facade, since you are not satisfied, then don't ask for anything."

### Chapter 2545

After speaking, the window glass slowly rose.

The car quickly left.

President Qiu couldn't calm down at all. He didn't believe it, and Song Junyue was no longer the president of the Song family, so he could easily hold him.

I don't believe that the Qiu family will be defeated so easily. Anyway, the Qiu family has been established in the capital for hundreds of years.

However, the next moment, his cell phone rang, and it was the secretary who called, "Mr. Qiu, it's not good, the news of the accident in the project we invested in last time has been broken by the news, and many investors have come to the door of the company. They are clamoring for us to repay the money, and there are also a lot of redemptions on the online platform."

President Qiu's legs were weak.

It took a lot of effort for him to be suppressed last time when the project happened. Many people didn't even know about it. He didn't expect to be revealed by Song Junyue quietly. , the consequences are simply.....

And what's even more terrifying is that Song Junyue has spoken, and their Qiu family can't escape.

He couldn't imagine the consequences.

...

Lin Fansen didn't know about the Ling family until lunch with Lin Zhen.

"Fortunately, we didn't marry the Qiu family at the beginning." Lin Zhen sighed, "But then again, the Qiu family's matter is really too bad. There is a problem with the investment project, and it is hyped up. Isn't that deliberately cheating people and maliciously collecting money? "

Lin Fansen was startled, he didn't expect that Father Qiu threatened him yesterday, but today something happened to the Qiu family.

so coincidental?

He thought of Song Junyue's reaction last night.

There is so little powerlessness, his woman is too powerful, and he is still thinking about how to trouble the Qiu family, Song Junyue has already taken action.

But...cough cough, the feeling of being protected by my wife is not bad, after all, the Qiu family's behavior is too disgusting.

"After Qiu Yuxin's injury is healed, if she wants to come back to the company, don't let her come." Lin Zhen reminded, "Even if she is a good person, Mr. Qiu has no bottom line, and he still wants to drag investors' money. If you don't pay it back, why is it, it's your own money in the first place."

"If the money is in the pocket, who wants to take it out, there will be so much interest in the bank every year."

Lin Fansen responded lightly, "By the way, Dad, tonight I will When I go home for dinner, I have something important to talk about at the dinner table."

Lin Zhen glanced at him strangely, then laughed, "It's about my girlfriend, okay, do you want to call my girlfriend over?"

"... ..let's call tomorrow, she

's been busy lately." Lin Fansen replied sternly.

...

After eating, Lin Fansen returned to the office, but the woman sitting inside made him feel bad.

"Mr. Lin." Qiu Yuxin stood up eagerly, leaning on crutches, "I'm here to beg you to help Qiu's company, my dad is confused, they shouldn't threaten you..."

"Wrong person." Lin Fansen said lightly, "Your father and the company's top management are inseparable from the accident in your investment company."

## Chapter 2546

"No." Qiu Yuxin explained with red eyes, "Song Junyue did it, she found my dad this morning, Mr. Lin, my dad is really confused, if I knew about this, I would definitely try my best to discourage it. His, but he can't do anything about it, the company's situation is not good recently, and there are so many employees waiting to eat, he wants to take a gamble..."

Before, Lin Fansen had a bad impression of Qiu Yuxin . It's not bad, maybe her parents have problems, but she herself can't do anything about them.

But now hearing her words, Lin Fansen threw the information in his hand on the table heavily, and sternly accused, "Your father took other people's sky-high rebates, and took investors' money as money. Investors lost again and again, you yourself However, he made a lot of money, and now the thunder has exploded, but he has put the blame on Song Junyue, you Qiu family, are you so shameless?" The

man's sharp eyes made Qiu Yuxin's eyes tremble, and he wanted to drill a hole in the ground. "Mr. Lin, most of the investment companies are not stepping on the pure white boundary, even the Lin family..."

"Don't compare your Qiu family with our Lin family." Lin Fansen was impatient. He said, "What we are doing is business, and every penny we earn is due to the company, unlike your investment company, which has no bottom line. It treats investors as fools, and Song Junyue and me as fools. Don't come here either. Please, Qiu Yuxin, be content with being a human being, how precious is your identity, a broken leg is not enough for 100 million yuan, you are insatiable."

Qiu Yuxin was completely scolded and cried, "But it's a fact that I like you. My parents, even if there is an accident in the Lin family, I will marry you. What I didn't expect is that Mr. Lin has found someone with a higher status. Naturally, he doesn't like a little girl like me. Now I just ask you to let our family go. , let me save you as if it never happened, and our Qiu family will never look for you again."

Lin Fansen's eyes narrowed, and the disgust inside was undisguised, "Qiu Yuxin, I don't owe you for a long time. Also, when I promised to marry you, your parents forced me to marry you. I don't like you at all. Seriously, saving people is a good thing, but what I see from your family is only profit. It was my unlucky thing to let you save me in the first place."

After he finished speaking, he called the security directly and asked Qiu Yuxin to be sent out.

"In the future, don't let this person come to my office again." He ordered decisively.

Qiu Yuxin cried out in disbelief.

If it were another man, he might have pity on Xiangxiyu.

But Lin Fansen was bored from the bottom of his heart.

He picked up the phone and called Song Junyue, "You did the Qiu family's affairs?"

"Well," the woman's lazy voice came over, Song Junyue laughed, "Isn't it because you want to intercede for your savior? "

"Am I too busy?" Lin Fansen said coldly, "Qiu Yuxin came to me just now, but luckily I didn't marry her at that time."

"Since she came to intercede, did she say that she would pay you back the face." Song Junyue asked.

"No." Lin Fansen frowned, "The two facades have been delivered. I don't want her to talk about saving me."

"You don't want to, but I want to." Song Junyue snorted, "Don't forget, I Now it's your wife, your property is mine, and I'm qualified to recover it. Since they are insatiable, don't want anything. If she

saves you, it will be treated as a work-related injury, and a compensation of several hundred thousand is enough. In the beginning, you guys were too complicated.”

” ... ”

Being reprimanded by his wife, what else could Lin Fansen do? He could only honestly admit his mistake, “Listen to you.”

”Don’t worry about this matter . , she wants to return the facade directly to me, it’s too early, maybe I can save them a few bites to eat.”

Song Junyue snorted coldly.

”Okay,” Lin Fansen’s eyes were gentle, “I’ll go back to Lin’s house for dinner in the evening, tell my parents about me and you, and bring you to my house tomorrow.”

”So soon...” Song Junyue was startled, clearly She was not afraid of anything and suddenly became a little nervous, “Your parents probably won’t accept me.”

”I will solve it.”

Lin Fansen comforted that he already had an idea in his mind.

evening.

As soon as Lin Fanyue entered the house tired after get off work, she saw that her mother was cooking in the kitchen herself.

According to her understanding, if Song Qingrui hadn't come to her house, Mother Lin would never have gone to the kitchen, and the family's meals were usually done by the nanny.

"Yo, isn't this my brother's favorite dish?" Lin Fanyue glanced at it, "It's strange, you don't usually kill your son."

"Your brother said that he would go home for dinner tonight, yes Important things."

Mother Lin happily chose the dishes, "I suspect it has something to do with his new girlfriend, I guess he wants to discuss bringing someone to the door for us to see, you see, your brother has never been in love at night. If you don't go home, it shouldn't take long for you to get married."

Lin Fanyue's mood suddenly became complicated, "Then cook slowly." I

'll let you enjoy this short-lived wonderful mood, and if my brother really comes back later Let's be honest, you may not be able to eat for days.

Half an hour later, Lin Fansen and Lin Zhen and their son returned from get off work together.

Lin Fansen's thin lips moved, and Lin Fanyue said first, "Why don't you finish your meal first, wow, this carrot looks good, I'll give Yueyue something to eat."

Yueyue has already washed her hands and can't wait to grab it The carrots licked happily.

Although she only has one tooth, it doesn't prevent her from tasting other than delicious food.

Mother Lin reminded, "Be careful, don't let her choke." After a

pause, she looked at her son again.

Lin Fansen thought for a while, and finally said: "Eat first, then eat it."

He also understood his sister's concerns. After speaking, I'm afraid his parents were not in the mood to eat.

"You child..." Mother Lin was very disappointed. In order to get news of her daughter-in-law earlier, it was rare for her to eat quickly, so even Lin Zhen accelerated her speed.

Ten minutes later, Mother Lin said, "Let's talk."

Lin Fansen, who had not finished eating, had to put down his chopsticks, "Mom, I want to take my wife home for a meal tomorrow."

"Wife?" Lin Zhen and Lin Fan Yue Qiqi was stunned.

Mother Lin was stunned for a while, then glanced at her husband, "Young people are not married yet, they like to call their girlfriends wife, you forgot your nephew, you are still in high school, talk to a girlfriend, and change your phone name to wife. That's it."

Lin Fanyue, who was about to serve vegetables, was shaken and did not hold her chopsticks firmly. off the table.

She looked at her brother in disbelief.

Don't talk about her, Father Lin clapped the table and stood up on the spot, "What did you say?"

Mother Lin patted her chest, "Lin Fansen, you're probably crazy, and you're going to talk about it without saying a word, you ask We haven't, and we agreed, yes, I hope you get married and start a business soon, but you can't say hello without saying a word to your family, you're disrespecting us too much."

"Your mother is right." Lin The father said angrily, "We are not the kind of unreasonable parents, as long as you like it, we don't ask you to find someone of the right kind, it doesn't matter if the conditions are almost right, your current behavior... is too embarrassing. I'm disappointed."

"Tell me, what kind of woman are you looking for." Mother Lin was in a terrible mood, and she was definitely not a good woman who could let her son secretly tell the truth from the family, maybe she was hooking a man Special line, "Don't tell us she's not a serious woman."

"It's the girlfriend I met when I was studying abroad, and it's my first love."

Lin Fansen explained, "I originally planned to get married after returning to China, but she The family conditions are too good, far from being a match for our Lin family. She was afraid that her family would know that my affair with her would hurt me, so she reluctantly broke up with me. Later, for the benefit of the family, she was forced to marry a man. A man who was seriously ill, but that man died within two years. She has been alone for all these years. After coming to Beijing, we met again. This time, I don't want to miss her again."

"So, she is it a second marriage?" Mother Lin suddenly grasped the point, and the whole person was not well.

Lin Fansen frowned, "What about the second marriage, I like her, she doesn't have any children, in fact, you have been urging me to get married all these years, asking me to find a girlfriend, I also tried to get in touch, but I can't accept other women at all, I can't deceive myself any more, except for her, maybe I will never fall in love with any other woman in my life."

Lin's mother was so angry that her liver hurt, no wonder her son would tell them again.

If she knew, she would never agree.

"Mom, what happened to the second marriage," Lin Fanyue said suddenly with a hurt face, "your daughter is also married for the second time, so am I not qualified to marry Song Qingrui?"

"..."

Uh....

Seeing her daughter's disappointing eyes, Mother Lin tensed in her heart, and then realized that her thoughts seemed too selfish, "Fan Yue, that's not what Mom meant, second marriage... It's nothing, right, she's not. I want to get married a second time."

She said dryly, yes, the president's wife doesn't dislike her daughter, and she doesn't have to dislike other people's second marriage.

Thinking of this, I felt a little more at ease.

Forget it, his daughter from the second marriage found Song Qingrui from the first marriage.

The son of the first marriage finds a woman of the second marriage, and it will be equalized by God.

"Fan Yue, did you already know that?" Father Lin suddenly asked sharply.

"I know, I've seen him before, but I don't know that he's married." Lin Fanyue glanced at her brother strangely, "You've done a good job of keeping secrets."

"Then what is the character of this girl?" Mother Lin I asked, "Is it easy to get along? By the way, your brother means that the girl's family is better than our Lin family. Could it be that it is also a wealthy family in the capital? I have often attended dinner parties recently. Maybe I have seen it."

"Character Ah, it's pretty good." Lin Fanyue smiled, "If my brother finds someone, he won't have to fight in his life to win."

Lin Fansen: "..."

"The conditions are so good." Father Lin pondered, "Fansen just said that his husband died after two years of marriage. Why is it so familiar? I seem to have heard of it

somewhere." She was also married to a man who was seriously ill."

Father Lin: "..."

### Chapter 2549

"Well, it's her." Facing his parents' eyes that were about to get out of control, Lin Fansen didn't change his expression much from beginning to end, "We've already broken the evidence."

"Lin Fansen, if you want to be mad, I'll just say it." Lin Fansen Mother grabbed the chopsticks on the table and threw them at Lin Fansen.

Yueyue, who was eating shredded carrots with relish, suddenly saw that Mother Lin became like this, and she burst into tears in fright.

"Mom, what are you doing, don't scare Yueyue." Lin Fanyue immediately hugged Yueyue and coaxed softly.

In order to avoid scaring the little granddaughter, Father Lin took a deep breath desperately, "Lin Fansen, is there no woman in the world? You are looking for someone from the Song family. Wasn't it enough that your sister was harmed by Song Rong's family? , I now see Song Ji and his family, and I feel like vomiting."

"That's right." Mother Lin said angrily, "I see Song Ji's family now, and I hate it more than the Qiu family. If it wasn't for the kind of scum when the couple let your sister marry Song Rong, how could your sister become a second marriage? If you don't talk about it, just talk about it. How did Song Rongshi slander your sister on the Internet, saying she Cheating in marriage and putting a cuckold on him, my God, I have never seen such a scumbag."

"I tell you, in this life, it is absolutely impossible for me to be in-law with the Song family."

Seeing his parents excited It seemed, Lin Fanyue had to speak out: "Mom and Dad, when Song Rong was Song Rong, in fact, I was able to get a divorce before, in addition to Qing Rui's credit, but also thanks to Sister Junyue's help, he slandered it on the Internet before, and it was also Junyue. The elder sister took him away to solve the problem. The nine sons of Longsheng are all different. There is no need to knock over a boat of people with one shot."

"You," Mother Lin looked at her with hatred for iron. You hurt so badly, and you still tell others."

"I really think so, and as long as my brother likes it." Lin Fanyue reminded, "You don't want him to be a bachelor all his life."

"I'd rather he be a bachelor for the rest of his life." Lin Zhen said angrily, "Fan Yue, don't look at the appearance of Song Ji picking up his granddaughter outside the old house, we all agree, but you should be able to see that since After Song Rongshi became a fool, Song Ji sent a driver every time. He never came in person. They didn't say anything on the surface, and they definitely didn't like our Lin family. Maybe they regretted not letting Song go. Rong Shi will marry you."

"That's right, when you marry Song Rong as a girl, they don't care, but that doesn't mean they can accept Song Junyue marrying your brother, maybe they secretly suspect that your brother has ideas about the Song Group."

"So Junyue has already done it for me . Stop being the president of the Song Group." Lin Fansen suddenly said.

Everyone quieted down, and Mother Lin couldn't believe it, "You said she was for you..."

"Mom, she and I are already quite old, we don't want to waste any more time, I'm with her, originally It was me who bullied her while she was drunk and forced her to marry me. Maybe she has children in her womb now." Lin Fansen said in a cold voice, "The Song family disagrees, the two of us can live alone. However, as long as we like each other, the rest doesn't matter, you understand my character, and I didn't really care what others thought of me."

Mother Lin widened her eyes.

The son said that he bullied other girls, what else could she say.

Father Lin's face was ashen, there was a fire in his chest, and he was very helpless. He knew better than anyone what his son's character was.

Lin Fansen stood up, "If you are not welcome, then I don't have to bring Junyue here. I close the door with her and live our own little days. When I have time, I will often go home to accompany you.

"As the son walked upstairs, Mother Lin was extremely powerless and helpless, "Wait..."

Lin Fansen turned back and looked at his parents expressionlessly.

After a long confrontation, Mother Lin sighed, "Bring it back and bring it back."

"Then you can't show her face tomorrow." Lin Fansen bargained coldly, "Treat her the same as you would to Song Qingrui."

Mother Lin said, ". . . . ." The

son really is a debt collector, and he can kill his popularity.

"Lin Fansen, don't go too far." Father Lin said angrily, "It's good that your mother agreed, but you still have so many demands."

"I can't let my woman be wronged." Lin Fansen retorted quietly, "By the way, I have planned to hold a wedding in two months, if you have any good venues you can provide me."

"Go away."

Mother Lin couldn't bear it any longer, she was so sad to see. This is simply a woman forgetting her mother.

"Alright." Lin Fansen thought for two seconds, then went downstairs and walked towards the gate.

"Stop, where are you going?" Father Lin called to her angrily.

"Look for my wife."

"Will you die if you don't look for one night?" Father Lin almost vomited blood.

"Aren't you inseparable from my mother at night?" Lin Fansen left after leaving a sentence.

Mother Lin shook her head in despair, "Is this still my cold and ruthless son?"

"Yes, it is him." Lin Fanyue reminded very seriously.

Mother Lin glared at her, "If you didn't tell me earlier, if I knew, I would definitely pay close attention to the household registration book..."

"Mom, you don't really dislike Sister Junyue's second marriage. Right." Lin Fanyue interrupted and asked with a worried look.

"Of course not." Mother Lin denied immediately.

"That's good." Lin Fanyue nodded, "Don't dislike it. Qingrui and Song Junyue have a very good relationship. Although they are not kisses, they are almost like kisses. If you dislike second marriages, maybe Qing Rui would think that their family didn't dislike my second marriage, so why should our family dislike the second marriage of other people's sisters, then my marriage might be..."

Next, she didn't say anything, just looked at Mother Lin and Father Lin aggrievedly.

Mother Lin shuddered, "Don't worry, Mom won't. Mom just doesn't like Song Ji and his wife, and thinks they won't teach her son."

"Mom, Mom, I knew you were very open-minded." Lin Fanyue hugged her with a smile. Holding on to Mother Lin's arm, "Don't think too much, Sister Junyue is pretty good, but she doesn't speak much and doesn't know how to express herself. In fact, Qingrui also told me a lot of things about her, and it's not easy for her. , born in a family like the Song family, you don't even have the qualifications to pursue happiness, you can only marry someone who is seriously ill."

"Oh, I know, your mother is not so unkind."

Lin Mu sighed, She had met Song Junyue several times before. Although the girl was cold, she was also polite.

Don't look at the rich and powerful scenery, in fact, women living in rich and powerful families are destined to be unable to make decisions for themselves in terms of marriage.

Father Lin was speechless, his wife was too soft-hearted too fast, you can talk about it after a night.

...

Lin Fansen returned to his residence.

As soon as I opened the door, the first thing I smelled was the smell of instant noodles.

"Why did you come back..." Song Junyue raised her head, before he finished speaking, the instant noodles in front of him were taken away by him and thrown into the trash can.
