Chapter 2563

The next day, I broke up with her unbearably.

Because he thought she was disgusting and dirty.

On the day of the breakup, what did he say: "Ning Xiaoxiao, you don't really think I like you, do you? There are a lot of people in the capital like you. At first, I just wanted to try something new. That smell is boring."

"Don't bother me anymore, your mother is a mistress, I can't find a mistress' daughter, and I don't even want to find a wife, it's okay to be a lover."

"Seriously, I he Mom regrets going to bed with you, it's like a dead fish, it's boring."

"Are you out of your mind, if a man coaxes a woman into bed, you can believe it, don't tell me it's the first time, you don't love yourself so much, who is it? I know if the film was repaired later."

" ... "

He remembered all those bad words, which were unprecedented.

Ji Ziyuan suddenly wanted to smoke.

He took out a cigarette case from his pocket, put the cigarette in his mouth, lit it, and asked, "That time when she was hugged into the hotel by that guy named Zhang Li was also related to you."

"Yes, you thought she cheated on her. Second, I deliberately found someone to do a game for her, that diary just makes you think she has a crush on a man named Zhang Li, Zhang Li is poor, I deliberately gave her a sum of money to let him design Ning Xiaoxiao, and Ning Xiaoxiao really followed her. Zhang Li has a good relationship, but he just feels that Zhang Li's family is not good and he is studying hard, so he sympathizes with him, and usually helps him occasionally. Xiaoxiao didn't know when she woke up, but she also thanked Zhang Li for taking her to the hotel, haha."

Ning Lexia suddenly laughed, her skinny appearance looked particularly hideous, "Ning Xiaoxiao probably didn't understand why you were on the day she died. Suddenly I hate her so much, I even want to break up with her, and I don't know that the kind and good classmate she thought betrayed her early for money."

Ji Ziyuan took a slow puff of cigarette.

Some things, really do not ask do not know.

It turned out that he and Ning Xiaoxiao were living in other people's lies one after another.

In fact, before he dated Ning Xiaoxiao, although he was not in a relationship for the first time, he was not a person who would treat feelings as a joke.

He also hadn't made a promise to Ning Xiaoxiao, because they were too young at that time. Whether they were in love, they were all about being happy and happy.

However, Ning Lexia ruined everything.

What did he leave to Ning Xiaoxiao, vicious abuse and trampling.

Even later, she said that he was innocent, that she did not kill anyone, she begged him so much, hoping that he would look at his past relationship.

He chose to ignore it, chose to help Ning Lexia find the best lawyer, and sent her to prison until she died.

Until Ning Xiaoxiao was wronged at the beginning, Ji Ziyuan's heart was not as he is now.

He felt that it was one thing for her to be wronged, and it was another thing for her to be sloppy.

I just found out now that it was all fucking wrong.

Ning Lexia kept looking at him, saw that he had finished smoking the whole cigarette, and laughed like a madman, "Ji Ziyuan, actually, when Ning Xiaoxiao was sent to prison, I already knew that she was not the one who killed it. People, people like Ning Xiaoxiao can't kill at all, but I said that on purpose, I want the person she loves the most in her life to personally send her to prison, why is she liked by my dad so much, why should I Dad wants to give her everything, and I want her to live rather than die."

Ji Ziyuan stood up, his handsome outline was coated with ice, and his eyes behind the lens were like two dark holes.

He stared at Ning Lexia so negatively.

"Are you very angry?" Ning Lexia went crazy, "Haha, what's the use of being angry, Ning Xiaoxiao is dead anyway, she doesn't know anymore, don't worry, I will explain it to her when I get to the underworld. , but I don't know if she will forgive you."

"Ji Ziyuan, I'm going to die, but even if I die, I won't make you happy."

"I didn't know before, but now you come here. Asking about Ning Xiaoxiao shows that Ning must care about her a little bit."

"It's a pity, a pity, a pity."

"Thinking about how I can play the three of you in my life, my life is worth dying."

Chapter 2564

Maybe, he shouldn't come today.

Don't ask, don't investigate too much, some answers will always be buried in the years.

However, after a few months of hesitation, he still came.

The cold-blooded and cold-hearted Ji Shao sat in the car smoking one cigarette after another, and then smiled, his handsome smile was enveloped by layers of cold air.

He slammed his fist hard on the steering wheel.

In the end, even the cigarette was smashed, and the glasses were also smashed.

After sitting in the car for two full hours with such a blank face.

He drove to the cemetery.

Not Qingming Festival, nor anyone's death day.

He took the flowers to Ning Xiaoxiao's cemetery.

It is said that it is a cemetery, but there are not even ashes in it, but Jiang Qingxin, Lin Fanyue and the others gave Ning Xiaoxiao a tomb.

Looking at the photo posted on the tombstone, the woman inside was like a waterfall of blue silk, her beautiful and cold face seemed to be looking at him, and the corners of her lips were slightly curved.

Just as when they first met, the girl's eyes were as pure as glass.

She said shallowly: "Ji Shao, thank you for saving me."

Ji Ziyuan put the flower in front of the tombstone, squatted down, and looked at her quietly until his eyes were red.

"Xiaoxiao, I'm sorry."

I'm sorry, if there is an afterlife, don't meet him or Ning Lexia again.

In this life, he has been cold-hearted and cold-hearted, but he knows that he owes Ning Xiaoxiao, which will never be repaid in this life.

...

He leaned against the bar, unbuttoned several buttons on his chest, and held a wine bottle in his left hand, a rare trace of dejection appeared on his handsome face.

But it also attracted the attention of women even more.

This gesture, in the eyes of a woman, is generally suffocating and charming at a glance.

It was only the bar owner who said hello, and no one dared to approach casually.

"I heard that you went to see Ning Lexia today?" Huo Xu was quite surprised. He didn't expect Ji Ziyuan to go to Ning Lexia. He had an intuition that Ji Ziyuan's strangeness today was related to Ning Lexia.

"Yeah." Ji Ziyuan opened the can and threw a bottle of wine to him.

"What did you say?"

"...Nothing." Ji Ziyuan paused and denied it.

There are some things that Lao Huo and the others didn't know at first, and there is no need to say it.

"I guess it has something to do with Ning Xiaoxiao." Huo Xu said suddenly.

Ji Ziyuan glanced at him and took a sip from the bottle.

"If you really feel guilty about Ning Xiaoxiao, let Ruan Yan go." Huo Xu said, "My wife has nagged me many times. Although Ruan Yan is in the entertainment industry, she doesn't want to rely on the sponsor. woman, besides, you've been playing for a while, isn't it enough?"
