### Chapter 2569

"You really... hate Ji Ziyuan that much?"

Jiang Qingxin put down the teacup and was seriously curious. After all, Ji Ziyuan is indeed not a good person, even fussy and indifferent, but he is rich and handsome. Such an appearance is top-notch in the entire China.

Even her former friend Ning Xiaoxiao once loved her deeply.

She had also heard of Ji Ziyuan's romantic past, and those women were all crazy for Ji Ziyuan.

Others say that the worse a man is, the more a woman loves this sentence, there is no certain reason for not sleeping.

Ruan Yan held up a mocking smile, "He looks good, but don't you think it's dirty."

"..."

Jiang Qingxin was a little speechless.

"Besides, can someone like Ji Ziyuan have a woman to win his heart?" Ruan Yan said lightly, "He is fundamentally different from Huo Xu, and women are just playthings to him."

No one knew, ten At the age of eight, when she held her sincerity towards him, how did he abuse himself.

"Ning Xiaoxiao, I didn't expect you to be so stupid. After coaxing you twice, you gave me the first time."

"Hey, you said that you are so frivolous, is it really the first time? It's not a film, right?"

"To be honest, I fucking regret going to bed with you, it's like a dead fish, boring."

" ..."

Those words, even if she was reborn once, she remembered clearly.

Ruan Yan closed her eyes, covering the pain and hatred in her eyes.

Jiang Qingxin felt the desperation that she wanted to break free but was helpless, and felt a little uncomfortable. If it was someone else, she could put pressure on her, but Ji Ziyuan was hiding too deep, and he would never be threatened by anyone, "Actually, ...there is a way..."

Ruan Yan was slightly startled, "You say it."

"I heard Huo Xu say that Ji Ziyuan used to get rid of those women because those women were insatiable. Men have a perverted mentality. The more you resist and struggle, the more he wants it. Once a woman falls in love with him, Clinging to him, or wanting more, he gets bored, even boring."

Jiang Qingxin smiled and said, "You can show that you are suddenly very pleasing to him, and then try to make money from him, get resources, or even... marry him, so that he will naturally stay away from you and get bored of you, probably I think you are no different from those ordinary female stars."

Ruan Yan was stunned.

She remembered what Ji Ziyuan said in the crew today.

He said he wasn't tired of playing with her, and the more she was like a dead fish, the more he had to conquer her.

In fact, she had thought about simply obeying Ji Ziyuan and letting him get tired of herself earlier, but she hated Ji Ziyuan very much, and subconsciously resisted that kind of thing.

Especially letting her please Ji Ziyuan is as disgusting as eating flies.

"I know your personality." Jiang Qingxin took a piece of beef and put it in the hot pot, "But if you keep doing this, Ji Ziyuan might spend a few years with you. Men don't care, but women are different, and in case it takes time Too long to be pregnant is bad."

Huo Xu also said that Ji Ziyuan's character would not necessarily marry Ruan Yan.

The Ji family will not agree.

"I think about it."

Ruan Yan was slightly confused.

If she tries to please Ji Ziyuan in that way, she must be able to accept it first.

Every time her body was touched by Ji Ziyuan, it was painful and uncomfortable.

Even she herself felt like a dead fish.

She sat in the car thinking for a long time, and finally made a phone call.

The man in that paragraph roared angrily, "Ruan Yan, are you sick, do you think eating that kind of food is good for your health?"

"I can't help it." Ruan Yan clenched her phone tightly, "If I Don't let Ji Ziyuan hate me, he won't let me go."

"I said I can find a way to send you and your mother away, don't worry about the lives of those people."

"I beg you." Ruan Yan whispered.

"...Okay."

After a long silence, the man over there finally answered.

After the phone hung up, the man standing on the balcony slammed a punch against the wall.

The moonlight outlines the man's grim face.

He swore that sooner or later, Ji Ziyuan would have nothing.

...

An hour later, a small bottle of medicine was delivered to Ruan Yan.

She took the medicine and went to Lanting Mansion.

This is one of the most expensive neighborhoods in the entire capital.

The Daping floor where Ji Ziyuan lives is located on the best floor of the whole building, overlooking the most prosperous part of the capital.

When Ruan Yan opened the door and went in, she happened to see Ji Ziyuan sitting on the edge of the bar calling, "Help me find this person as soon as possible, I want all his news... Hang up."

Ji Ziyuan put down the phone, Chao Ruan Yan hooked his finger.

Ruan Yan long-legged paused for two seconds, then took off her bag and walked over.

"Come back so late?" Ji Ziyuan took her into his arms and bit her ear lobe lightly, "Where are you going? The director said you left early today."

"He Qingxin eats hot pot. Go." She subconsciously wanted to turn her face away, but she tried her best to endure it today.

"Oh." Ji Ziyuan sniffed the tip of her straight nose on her hair, "it does smell like hot pot ingredients."

"...I'll go take a shower," Ruan Yan tried to break his hand. .

"What's the hurry, I didn't say it smelled bad." Ji Ziyuan raised his eyebrows, his nice voice full of magnetism, "I didn't wash it either, I'll wait a while."

"..."

Ruan Yan's pretty face stiffened slightly.

Every time I take a bath with him, it's a simple bath, and after the wash, she is tossed to death.

"What's the expression?" Ji Ziyuan played her face, and touched her face with sharply articulated fingers. The skin was soft and smooth, full of collagen, "Don't want to wash with me?"

"... Are you taking a normal shower?" Ruan Yan glanced at him.

But I don't know, the person is beautiful, even staring is looking forward to the appearance, and the cold eyebrows are vividly seductive.

Ji Ziyuan seldom saw her like this, and immediately became interested, his handsome lips were stained with teasing, "Then tell me, why am I taking a bath abnormally."

"I'm too lazy to care about you."

Ruan Yan broke free from his arm , turn around and leave.

"You ignore me, I'll take care of you."

Ji Ziyuan grabbed her waist, put his other hand over her face, and kissed from cheek to lips.

The familiar temperature slipped into her mouth, and Ruan Yan only felt nauseated, but this time she held it back until the man carried her to the bar.

"Wait, it's not about taking a bath." Ruan Yan really felt that Ji Ziyuan was a wolf who couldn't get enough to feed. He was still so energetic after being tossed by him in the crew for so long in the afternoon.

"You can now, you can also take a shower." Ji Ziyuan replied vaguely while kissing.

"I don't like this." Ruan Yan hurriedly pushed, she hadn't taken her medicine yet.
