Let me go mr hill chapter 2585 - 2586

Chapter 2585

"It's not casual."

Ji Ziyuan pulled his lips, suddenly remembering Ruan Yan from a few days ago, his enthusiasm in bed made him inexplicably itchy, and it happened that he had not been close to women recently.

Thinking about that day in the hospital, his attitude was a bit bad.

But who let her know what's wrong, and it's been so long, it's time for her temperament to dissipate.

After returning to his seat, Ji Ziyuan sent Ruan Yan a WeChat message: [Go back to my side, wash up and wait for me.]

Ruan Yan, who was preparing to take a bath in the apartment, scolded an idiot in her heart.

If it wasn't for threatening her with someone, who would wash his face and wait for him.

She really didn't want to go.

It's just that the show has reached this point, and it's not okay not to go.

Ruan Yan deliberately took a shower, and then sprayed some particularly vulgar perfume on her body.

After waiting, Ji Ziyuan hadn't come back, she took a pill and lay down and went to sleep.

At twelve o'clock, Ji Ziyuan came back from the outside with a little drunkenness, and when he saw the figure of the woman lying on the bed, his heart flashed coldly.

Look at how arrogant the mouth said, let her come before she comes.

Ji Ziyuan, who was still very interested, now has only five points left. When he took off his clothes and approached, and smelled the vulgar fragrance on her body, Ji Ziyuan suddenly only had two points left.

"You're back." Ruan Yan pretended to be just waking up.

"Ruan Yan, did you do it on purpose? I smelled something messy and I felt sick." Ji Ziyuan pinched her chin impatiently.

Ruan Yan looked surprised, "Perfume, the fragrance on my body is the same one that Tang Qin usually wears."

"Who asked you to wear the same perfume as her." Ji Ziyuan didn't pay attention. However, the fragrance on Tang Qin's body really made him very unhappy.

"You like her, and I thought you would like the smell on her too." Ruan Yan pursed her lips, as though she didn't understand his mind.

Like a fart!

Ji Ziyuan swears in his heart and walks directly to the bathroom with her in his arms.

"I'll take you to take a bath."

He carried her in, and when the shower fell on the two of them, Ji Ziyuan put all the shampoo and shower gel on her regardless.

The two stayed inside for about forty or fifty minutes before coming out.

Ji Ziyuan hugged her and lay on the bed, touching her face and teasing, "You know, someone told me today that you are a pure and beautiful girl. You were not pure like that just now."

"I don't want to, who told you to... So powerful." After Ruan Yan bit her lip, she shyly hid under the quilt.

"Ruan Yan, what are you pretending to be?" Ji Ziyuan pulled her out, "I treated you like that last time, you're not angry anymore?"

"I'm angry, but...isn't it impossible." Ruan Yan

said helplessly, "Ziyuan, you see I'm with you. I know I may not be as important as Tang Qin, but do you need to hit me for those documents? My face still hurts." Eye circles are red.

Ji Ziyuan didn't have so much pity for Xiangxiang and Yuyu. On the contrary, seeing Ruan Yan's appearance, he felt more and more boring. Such Ruan Yan was no different from other women, and he almost forgot what Ruan Yan looked like before.

"Next time you have a long memory, don't touch my things casually." He said coldly, "Don't come to the hospital to find me.

"

Ruan Yan cheekily drilled into his arms.

Ji Ziyuan pushed her away, and she drilled again. In the end, Ji Ziyuan couldn't be bothered, so he kicked her out of bed, "Go to sleep next door, don't bother me."

"Ji Ziyuan, you are too much."

Ruan Yan seemed to have a hard time accepting it. The same, rushed over to pull his quilt, and deliberately grabbed a hand on his chest.

Ji Ziyuan drank wine, and had been doing it for a long time just now, and was very sleepy. She had no patience for her arguing, so she grabbed her wrist and pushed out of the bedroom, "Stop arguing with me, or I will throw you out the door like this. "

After speaking, the door slammed shut.

Ruan Yan smiled coldly and turned to go next door.

When I really want to sleep beside him, I don't bother him, and I sleep more soundly.

The next day, when Ji Ziyuan woke up, men had stronger demands in certain aspects in the morning.

If it was in the past, it would be okay to endure it.

But thinking of a woman next door, he went straight over, lifted the quilt, and pressed Ruan Yan.

As if she wanted to vent.

It's over, don't care about her, just leave.

After returning to the room, he took another shower and saw Ruan Yan who was having breakfast in the dining room.

He strode over, only to see Ruan Yan looking haggard, with a sallow complexion and dark circles under his eyelids.

Ji Ziyuan frowned, a little disgusted.

He remembered how much Ruan Yan's skin was in the past. It was rosy and silky like milk.

"Ziyuan..." Ruan Yan put down her knife and fork, "I heard that FD's endorsement is about to expire. Now many female stars in China are fighting for FD's endorsement. Can you help me?"

"Okay."

Ji Ziyuan agreed, considering that she worked very hard last night and at night.

But in my heart I despised Ruan Yan more and more. Look, just like those women, I didn't just want to make a profit.

Ji Ziyuan ate something casually, changed his shoes and went to work.

After Ruan Yan saw the door closed, she went upstairs to remove the powder from her face.

She deliberately painted herself to be very tired and haggard. It was obvious that Ji Ziyuan had a look of disgust in her eyes just now.

She smiled sadly for the former Ning Xiaoxiao.

For women, aging is always inevitable.

What is there to dislike about Ji Ziyuan? Can he live without aging?

He really didn't know how disgusting he was.

Fortunately, her plan was more than half successful.

Just want him to completely hate himself, but also need a fire.

After getting into the nanny car, she looked at her schedule.

There will be a star charity event next Wednesday. Basically, most of the stars in the entertainment industry will attend this time, and Tang Qin is no exception.

Very good, Ji Ziyuan hated herself enough, and now she has found the fire she wanted.

An hour later, the car entered the crew.

It was still early, and several actors were chatting and waiting for the filming.

The male No. 1 Zhou Junyu and the female No. 2 Chen Qianhe are also there, and there are also several old actors.

When Ruan Yan came over from the corridor, the small tree on the side blocked her figure, and those few people did not find it. When she approached, Ruan Yan heard Chen Qianhe's voice.

"That's why I said that actors still need to be down-to-earth in filming. It is unreliable to find those sponsors. Everyone in our company knows that Mr. Ji only has Tang Qin in his heart. In the future, when you meet Tang Qin in activities, you should pay attention. Don't be offended."

"Qianhe, thank you for telling us this, we thought Tang Qin was disgusted by Mr. Ji."

"No, the other woman, Mr. Ji was just playing around. He had a little conflict with Tang Qin before. Now that we are reconciled, Tang Qin is very popular with Mrs. Ji."

"So Tang Qin is likely to become Mrs. Ji Shao."
