Chapter 2501

Ling Ye stared at her for a while, and when she saw her persistence, she nodded.

"Okay, but I hope you can contact me if there is anything. You are the president of the company, so you can't have an accident."

"Well."

After signing, Song Junyue asked the secretary to leave with Ling Ye with the documents.

She really needs a good rest.

...

Lin Group.

Lin Fansen stood in front of the floor-to-ceiling window, his eyes fixedly looking down at the continuous flow of traffic downstairs.

In his mind, the messy picture from last night was repeated over and over again. When he recalled it, it was painful and overwhelmed.

He had never been able to believe that he, who had always been calm and self-controlled, would be so extreme and crazy last night that he would even make her bleed like a lunatic.

But is it his fault?

If she didn't deceive herself, if she kept her distance from other people of the opposite sex, if she didn't force her to marry, maybe he wouldn't be like this.

It's just why he didn't sleep all night after she left last night.

The secretary came in again and saw that Lin Fansen had always maintained that attitude, and he didn't know what was so beautiful about the scenery downstairs, so that Mr. Lin remained motionless after watching it for so long, and didn't even care about his work.

I don't know what happened to Boss Lin. When he came here this morning, he felt something was wrong. The always meticulous Boss Lin came today wearing a wrinkled suit, no tie, no shaven beard, and bloodshot eyes.

Could it be related to the traffic accident last night?

He remembered that last night, Mr. Lin asked him to find someone to delete the video about the female Bentley driver's car accident.

"Mr. Lin, lawyer Zhang is here." The secretary reminded.

Lin Fansen moved, turned around, and Zhang Chengyu, who was standing behind the secretary, flashed surprise in his eyes, "That's it, Fansen, I got a call this morning..."

"You go out first." Lin Fansen said to the secretary.

After the secretary left, Zhang Chengyu closed the door, "What's the matter with you, you didn't sleep last night?"

"What did you just say?" Lin Fansen asked.

"The driver who caused the accident contacted me. There was a woman driving a Bentley who had a car accident last night. The other party said that you left a business card and handed it over to

me.” Zhang Chengyu said playfully, “I’ve known you for so long, how can you make it work? It’s Lin Fanyue who handles the traffic accident, but I remember she doesn’t drive a Bentley.”

“...How did you handle it?” Lin Fansen didn’t answer the question.

“I don’t know anything about the owner of the car, and I don’t know if they have reported insurance.” Zhang Chengyu shrugged, “Look at how much Bentley needs to be repaired, and what insurance company is reported.”

Chapter 2502

Lin Fansen pursed his thin lips, and said for a long time, “It’s Song Junyue’s car.”

“It’s her, when will you...” Zhang Chengyu was surprised.

He and Lin Fansen met when they were studying abroad. Although they were not majors, the two participated in the school’s rugby program, and since they were both Chinese, they became good friends. He was given the responsibility. He was one of the witnesses to the relationship between Lin Fansen and Song Junyue.

He always remembered that on the day Song Junyue got married, he accompanied Lin Fansen to drink all night.

Lin Fansen was drunk and confused, but he clearly saw the appearance of a big man in Lin Fansen crying.

Later, Lin Fansen never mentioned that woman again, but Zhang Chengyu knew that Lin Fansen’s heart was really broken. He hated Song Junyue, and he didn’t believe in the so-called true love and women at all, which was why Lin Fansen was single all the time.

"We got married." Lin Fansen added after seeing Zhang Chengyu's shocked eyes, "She forced it."

"Ah"?

Zhang Chengyu was stunned, and after a while, he said, "It seems that she has never forgotten about you."

Lin Fansen sneered, "A woman like her just finds it funny, or maybe she has everything now, and occasionally reminisce about her first love, she I don't know the word loyalty at all."

"No way."

Zhang Chengyu felt that his good friend was a bit over the top, "As you said, Song Junyue has everything she wants, and she can't get anything she wants, if not she still loves you. , Is it necessary to marry you, please, get married, you are a rich person yourself, you should know that a rich person is very cautious in marriage, if she just wants to remember her first love, sleep is enough for you, can she still get married? , she is much richer than you, and she really won't be able to survive in the future, so it's her loss."

Lin Fansen was stunned, and pursed his thin lips complicatedly.

Song Junyue also said these words last night, but they were quarreling at that time, and he didn't believe anything at all.

Zhang Chengyu said: "Actually, I know that you hate her for so many years, but if you don't love her, where will the hatred come from? To be honest, she was the one who apologized first, and clearly promised to go back to China to meet her parents and get married, but in the end, she came back. In less than a month, I will marry another man, and I am determined to break up with you, but from her point of view, there are also difficulties for others."

"Difficulty?" Lin Fansen looked at him grimly, "Then who thought about my pain."

"Fansen, do you think that even if Song Junyue took you back, the Song family would agree to the two of you together?" Zhang Chengyu asked, "Back then Compared with the Song family, the Lin family is too small. The Song family would never agree to the marriage of the two of you. They would even think that you are a dragon and a phoenix. Don't look at the fact that the Song family agreed to marry your sister when Song Rong was married. Let's go to Ning Lexia, and now the Song family doesn't need to rely on any marriage at all."

Lin Fansen was stunned and silent.

Probably because he and Song Junyue never made it that far, so all he saw was that she kicked him without hesitation in order to go higher.

"I'll tell the truth, even if Song Junyue didn't break up with you back then, your status was very different, and there was no result at all. Love abroad is abroad, mutual freedom, young and ignorant, and thinking is very beautiful. Now we are all mature, look back and think about it. , At that time, you were too young and immature. Even if you persisted at that time, you were ridiculed and suppressed by the Song family. Your arrogance could not stand it, and your parents couldn't afford to lose face.

" And then you will go back to inherit the Lin family after graduation. You are in Tongcheng, Song Junyue is in the capital, will you come to the capital for her, no, the Lin family does not have the qualifications, so will Song Junyue go to Tongcheng for you? Very likely, she is the favored son of heaven, and her parents can't accept her marrying from the capital to a small place like Tongcheng, she went there by herself, but also cut off her wings, Tongcheng is too small, it is not enough for her to take off."

"You guys in your twenties are destined to have only one way to break up."

Lin Fansen stayed for a long time, obviously only ten seconds, but after the words in his mind, it seemed as long as a century, "These words, why did you never talk to me? I said it."

"I thought it was impossible for you, so I didn't say it."

Chapter 2503 Zhang

Chengyu said, "And last year, when I went abroad to participate in school celebration activities, I happened to meet Song Junyue's college friend Yu Man. Yu Man said that it was a pity for you to separate, but Song Junyue also had her difficulties. She is the eldest miss of the Song family. She was born with her own destiny. The Song family gave birth to her, raised her, and gave her the best resources. Can she not care about anything after graduation? This is unrealistic. The world of rich people is like that, the more you have. The more you have, the heavier the burden on your body, just like you, don't you also carry the Lin family."

Lin Fansen's thin, angular lips trembled slightly.

After graduation, he never went to the reunion again.

Because I am afraid of walking to a familiar place and touching the scene.

Because I was afraid that those who knew each other would mention Song Junyue.

In particular, this world is actually quite small, because he and Song Junyue used to date, so many of his friends also knew Song Junyue's college friends.

"You didn't tell me when you met Yu Man." After a long time, he whispered, "How is Yu Man now?"

"I got married and had children early."

Zhang Chengyu patted his shoulder lightly, "Brother, don't If you hate her so much, don't always hate her. You gave her love, but you didn't give birth to her, nor did you raise her. If you want to give up your family for her, are you willing or willing? Now you both After a successful career, we finally came together again, cherished each other, and while we were still young, it took so long to have a child and a half-daughter, don't waste any more time."

Lin Fansen lowered his eyes and didn't speak for a long time.

When Zhang Chengyu was about to leave and let him digest it by himself, Lin Fansen suddenly said, "You can deal with the matter of Bentley. The other party's attitude was not good yesterday, but since there is no money, the Bentley repair money will not be compensated by the other party. But if the other party wants us to lose money to repair his car, that's impossible."

"I think so too."

Zhang Chengyu quickly left.

Lin Fansen hesitated for a while, then took out his mobile phone and called Song Junyue, but no one answered.

He lost the phone in annoyance, and after a while, picked it up again and sent a message:
[Return my call.]

As a result, I didn't return a single one after work.

After he hurried back to the apartment, it was still about the same as the one she left in the morning.

Thinking of what she said last night about leaving, Lin Fansen's whole heart was tightened, and he was not even in the mood to cook.

Until Mother Lin called, "You won't come back to eat and sleep tonight? Lin Fansen, you haven't been home to sleep for a few days. Tell me frankly, are you afraid that I will force you to get married, even the family I don't want to go back."

"...I'm coming back now."

"Yes, why are you asking him, then you won't just because Qingrui is in our house? Why don't you come back for dinner?" Mother Lin said in surprise, "Did you see that they are full of dog food, making you a single dog so excited that you don't want to go home?"

"No, you think too much, and I'll be back. ."

Lin Fansen hung up the phone speechlessly.

At half past six, he stepped into the Lin family villa.

Since Song Qingrui and Lin Fanyue dated, Song Qingrui almost didn't live here. Usually, if Lin Fanyue didn't go to his place, Song Qingrui would definitely drive over when it was time for dinner.

In this regard, Lin Mu is very welcome.

"I have something to talk to you alone."

After entering, Lin Fansen walked directly to Song Qingrui.

Song Qingrui, who was holding the baby, was stunned for a while, then smiled gently, "Okay."

Lin Fanyue immediately became angry, "Brother, what you say is really annoying, no wonder you've been single and no woman wants you."

Lin Fansen's handsome face darkened, Song Qingrui quickly stood between the two of them, persuading him to make peace, "Okay, eldest brother, Let's go outside and talk."

After walking to the garden, Song Qingrui smiled and said, "Brother, sometimes you are too rude when you talk, some girls can't stand it."

"..."

Lin Fansen Silence, he said so many rude words last night, so Song Junyue was angry and wanted to move out.

"Brother, what's the matter with you?" Song Qingrui asked.

"Do you know where Song Junyue lives?" Lin Fansen asked suddenly.

"Huh?" Song Qingrui's eyes widened in surprise, "Are you looking for her?"

"Yes, I have something to look for." Lin Fansen said upset.

Song Qingrui raised her eyebrows and pondered for a while, "Although you are Fan Yue's eldest brother, Sister Junyue is also my sister, I will tell you her address casually, in case you meet her like before and say something very strange every time you meet her. If it's bad, it will cause the two of you to quarrel, then I will be embarrassed."

"I won't."

"Then you can't be too harsh . Now, although Sister Junyue is often scolded by people, she is someone she doesn't care about, and if someone who cares scolds her, she will still be hurt." Song Qingrui hinted.

Lin Fansen was stunned. What did he mean by this was that Song Junyue cared about him?

"Thank you." After a moment, he bite the bullet.

"You're welcome, I also hope that Sister Junyue can be with her first love as soon as possible." Song Qingrui smiled, "If she hadn't been for you, she would never have fought with Song Rong for the Song family. I persuaded her, only She stands at the top of the Song family, and no one will stop her if she wants to be with her in the future."

Lin Fansen's body was shocked, his eyes were complicated, "Impossible."

"It's true." Song Qingrui was serious, " In fact, Song Tang was secretly grasped by Sister Junyue a long time ago, but she did it just for self-protection and had no plans to fight with Song Rongshi at all. It was at that time that I had to encourage Junyue for my own selfishness. Sister, if the Song Group leaves someone who is against me, it will be too restrictive for me, I know that you are Sister Junyue's weakness, but you have always hated her."

Song Qingrui's words were in Lin Fansen's heart . A huge wave rolled up.

He said that Song Junyue was fighting for the Song Group for herself?

"Big brother, don't hate Sister Junyue. Back then, my grandfather put a lot of effort into pushing my dad to the throne. At that time, it was my grandfather's decision to marry the Song and Zhao families, and no one could stop it, because The situation of our Song family was not good at that time, and we needed the help of the Zhao family. If Sister Junyue resisted for you at that time, the Song family would find you sooner or later. Do you think they will let you go?"

this day, Lin Fansen accepted too many shocks in his mind.

Zhang Chengyu said that Song Junyue and himself would have no results if they persisted at the beginning.

Thinking of treating her like that last night.

Lin Fansen suddenly felt that he was going too far.

"Okay." Song Qingrui looked at his appearance, and his goal should have been achieved.

It's like that between lovers. When some words come out of Song Junyue's mouth, Lin Fansen may not believe them, but will feel that the other party is very tongue-in-cheek.

If an outsider like him told the truth, Lin Fansen would have believed it.

Of course, he could have said these words before, but it was obviously not the best time.

"By the way, do you know Ling Ye?"

Seeing that he was leaving, Lin Fansen remembered another thing.

"Ling Ye?" Song Qingrui raised his eyebrows slightly in astonishment, "I know."

"..."

Lin Fansen opened his mouth to ask what was going on between Ling Ye and Song Junyue, but he didn't know how to tell them.

Song Qingrui smiled and said, "Did you want to ask him what his relationship with Sister Junyue is?"

"..."

Lin Fansen looked away annoyed.

Song Qingrui looked at him with everything in his mouth, and the corners of his mouth twitched helplessly. It turned out that his sister liked this style, "I only know that Ling Ye should be interested in Sister Junyue."

Lin Fansen frowned tightly.

Song Qingrui sighed inwardly, "The Ling family is one of the shareholders of the Song Group. When Sister Junyue was in power, the Ling family was the first to stand up, but if I say Dong Ling is not easy, it is nothing more than Thinking that the situation is over, it would be better to be the first to surrender. Sister Junyue will be able to sell her a bit of face, not to mention that Ling Ye is indeed quite capable."

"..."

The one who answered him was still Lin Fansen's silence, but that appearance had been replaced by a frown.

Song Qingrui had a headache, so she could only continue to say to herself, "But no matter how much she likes it, Sister Junyue will never fall in love with him, let alone be with him."

Hearing this, Lin Fansen's dark eyes finally moved slightly, "Why?"

"Ling Ye may like Sister Junyue, but he knows how much benefit is mixed with that love," Song Qingrui smiled, "A person is capable and smart. They are all very good, the most fearful thing is that they have both of these, and have ambitions, if he marries Sister Junyue, the Song family may have to be changed to the Ling family in the future, and Sister Junyue will not be so stupid."

Lin Fansen understood "Then she won't be afraid of me..."

After speaking, he hesitated. He and Song Junyue's marriage should not be said for the time being.

"Because she fully believes in your character." Song Qingrui patted him on the shoulder, "I'll go in and send you the address via WeChat."

This time, he really left.

"First love is the regret of each other in their hearts. They have always been in love, but there is a misunderstanding between the two." He said speciously.

"Then do you have any regrets about your first love?" Lin Fanyue suddenly stared into his eyes.

Song Qingrui's whole person is not well, "I'm not okay, I have confessed to you a long time ago, but your first love is more unforgettable than mine, and it's someone who actively pursues..."

Lin Fansen put down his bowls and chopsticks after eating a meal for less than ten minutes, "Mom and Dad, I have something to do, so I'll go out first.

"You run outside at night, you won't hide from me and find a girlfriend outside."

Originally, Father Lin wanted to ask him what job he had, but after listening to Mother Lin's words, he immediately stopped talking and just waited quietly. Answered by his son.

"Yes, brother, do you have a girlfriend?" Lin Fanyue asked with a look of schadenfreude.

"...Well, I'm in contact."

Unexpectedly, Lin Fansen said coldly.

He didn't know, Song Junyue had heard it long ago, she was standing behind the door, just looking at Lin Fansen's figure on the screen behind the door.

She wondered how he could come.

Could it be that he didn't scold enough last night, and he came here?

She really didn't want to quarrel with him, and was scolded by him. She lay down all day today, and she was still very uncomfortable.

But the man at the door was unrelenting, and if he kicked it like this, he would probably disturb the neighbors.

She is dressed in off-white home clothes, and her beautiful face is pure and plain, which makes her pale and slightly haggard. She probably just woke up, and her hair is lazily draped over her shoulders, slightly messy.

In this way, she doesn't look like a strong woman in the mall at all.

His heart suddenly tightened.

He was quite irritable before, but now he is suddenly full of tension.

Lin Fansen's heart filled with sadness and irritability, "As long as you don't deceive me, don't get entangled with other men, it's enough to be alert to your married status."

The disappointment in Song Junyue's eyes gradually spread, "You don't understand at all, I don't I have cheated on you, and I have never been entangled with other men. Don't say that I am alert to myself after getting married. Even before marriage, I am not a person with a chaotic private life. You don't believe me at all. Even if I promise you, it is useless. ."

After speaking, she felt that her head was sinking more and more, and she didn't want to entangle with him at all.

"Go back, I'm going to rest."

She pushed away his hand blocking the door.

Instead of going out, Lin Fansen took a step forward and walked in, "Since you won't go back, then I'll stay here and sleep."

A deep sense of powerlessness flooded Song Junyue's heart, she pursed her thin lips and did not look at it looking at him.

"Why, can't I come, don't forget, you are the wife on my marriage certificate, I stay here, justifiably." Lin Fansen went straight in.

"Is this your dinner?" Lin Fansen asked in a low tone.

Since he was about to come in, she couldn't stop her, but she could hide from him.

So after entering the door, she hit the lock directly.

Hearing the sound of the lock inside, Lin Fansen's face turned black, "Song Junyue, is it necessary for you to do this?"

"I said, I don't have the strength to serve you, and I don't want any accidents to happen," Song Junyue's defensive voice came out.

Lin Fansen kicked the door angrily, "I won't touch you."

"I don't believe you."

Lin Fansen lowered his head weakly.

After turning around and returning to the living room, he brought up the bag that contained a lot of medicine. There was a medical record book in it. After seeing the doctor's conclusion, he was stunned. He knew that she was too rough and injured last night. But I didn't expect to use catgut suture to stop the bleeding, and even the book said that she had a high fever of 38.5 last night, which means that the hospital she went to with a fever last night had a suturing operation, and the infusion was late.

Lin Fansen's whole body's icy blood flowed back to the top of his head.

He squeezed the medical record book tightly, deeply realizing how much he had done last night.

He clearly saw that she was bleeding, why didn't he follow her.

Why did he become so cold-blooded.

So she must now regret marrying herself.

It seems that, as a man, he has always been quite selfish.

Thinking that if she filed for divorce, Lin Fansen suddenly found that he couldn't accept it at all.

He returned to the door of the bedroom and knocked on the door, "Song Junyue, open the door, let's talk, I promise not to touch you, not rough with you, what do you want to eat, I'll get it for you."

"..." The

answer to him was always silence.

Lin Fansen returned to the living room weakly, sat on the sofa, and hugged his head in frustration.

After a while, he took out his mobile phone and searched online: [My wife is angry, how can I coax her.]

I don't know which senior asked the question, and netizens gave a lot of answers.

For example, an apology, whether it's your fault or your wife's fault, you have to apologize anyway.

For example, sending necklaces and flowers.

For example, let her beat her.

For example, take her to eat delicious food.

Such as kissing her, what bedside fights and bedside fights.

When he was at a loss, Song Qingrui sent a WeChat message: [Brother, have you found the address of Sister Junyue? Is she at home? I heard Xingchen say that she seems to have a fever and didn't go to the company today.]

Lin Fansen: [Found it]

Song Qingrui: [That's good.]

Lin Fansen: "..."

It's not good at all.

He gritted his teeth and started typing again, but when he was done, he deleted it again, and it didn't feel good.

Song Qingrui, who was walking with Lin Fanyue in the park with her baby, saw that "inputting" was constantly displayed on the opposite side.

As a result, five minutes passed, and the other party was still typing, he said he was speechless.

"Song Qingrui, you said you wanted to come here to play, but you ended up playing with your phone all the time." Lin Fanyue came over and pinched his waist.

" Hey."

Song Qingrui felt a piece of green on his waist, "It hurts."

"Who told you to always hold your phone." Lin Fanyue frowned, "Are you saying that you are with me and Yueyue? Now, if you don't like to come, you can say it directly. Next time, it doesn't matter if I bring Yueyue to the park with my mother."

"No way, I like to accompany you and Yueyue the most." Song Qingrui said quickly, "I'm following Your brother sent a message, your brother has been inputting to me, but he has never sent a message, you think it is strange or not."

Lin Fanyue leaned over to take a look, then quickly touched his waist, "I'm sorry, I misunderstood you."

"I will forgive you if you yell husband." Song Qingrui said with a smile.

"If you want to hear it, then I won't call." Lin Fanyue pursed her pink lips arrogantly.

Song Qingrui's eyes deepened, and she leaned in and kissed, "Dear, you accompany Yueyue to play the project, I'll chat with your brother for a while, even if your brother's EQ is low, he still needs face and worry about death. Now, if I don't help, your mother probably won't want to hug her grandson for the rest of her life."

"Are you sure my mother won't be mad when she finds out." Lin Fanyue asked quietly.

"Emotional matters can't be slapped, your brother has to let go, so that he won't be single for so many years."

Song Qingrui smiled, "One is your brother, the other is my cousin, if you want to replace it with someone else, I really I won't help with this."

"Yes, yes, you have a high EQ, so just change your career and open a marriage agency."

Lin Fanyue walked away after joking, anyway, she was too lazy to enlighten her brother, for fear of being pissed off.

Song Qingrui took the initiative to attack: [Brother, you can always ask me for help with anything.]

Lin Fansen, who was racking his brains on the opposite side, was silent when he saw this sentence. After a while, he deleted the words that he had worked hard to organize, and said directly: [Your sister is angry.]

Song Qingrui: [Apologize, coax her, care about her, take the initiative, men don't take face too seriously, of course, if you don't like her, don't say anything.]

Lin Fansen looked at the text message and was silent.

Song Junyue stayed in the bedroom all night and didn't come out. He couldn't get in, so he had to find a quilt in the second bedroom and lie on the sofa outside.

The next day, after he woke up early, he rolled up his sleeves and started to prepare breakfast.

When it was almost done, Song Junyue finally came out with a water glass, put on a chic French niche shirt, and matched it with a burgundy long skirt, showing the capable and elegant temperament in the workplace.

It's just that Lin Fansen frowned tightly after seeing her dress, "Are you going to work today?"

"Well."

Song Junyue put the cup on the water dispenser and poured a glass of 40 degrees warm water.

"You...you got stitches yesterday, and you can go to work today?" Lin Fansen's dark and gloomy pupils flashed disapproval.

Song Junyue, who drank several sips of warm water, glanced at him with slightly surprised eyes, "Are you talking to me?"

"It's just me and you here, I won't talk to you, can I talk to the air." The sarcastic eyes stimulated.

"Oh, I didn't expect you to care about my body, the sun came out from the west." Song Junyue deliberately glanced out of the window and said lightly, "Don't let me remind you how I got this injury, you alone It's too strange for the perpetrator to say such things."

"Yes, yes, it's all my fault."

Lin Fansen's run-on face was tensed, and with that paralyzed face, it was really hard to apologize. How sincere you are, it's like dealing with it.

Song Junyue glanced at him in disappointment. After drinking the water, she turned back to the room and left with her bag.

Lin Fansen, who was holding a bowl in the kitchen, was stunned, and quickly stretched out his long legs to catch up, grabbing her wrist and pulling it to his side.

Song Junyue suddenly felt a pain somewhere, plus he had a fever yesterday, and his body was very weak. Being dragged like this, his body suddenly stumbled into his chest, and the bag in his hand fell to the ground in pain.

"You eat breakfast before you leave." After Lin Fansen finished speaking, he suddenly noticed that her brows were tightly wrinkled together, and her upper lip was biting her lower lip as if she was in pain.

He panicked and suddenly understood, "You... are you okay, I..."

"Fansen, do you want me to die?" Song Junyue endured the pain and pushed him away, stood up strong, "Don't let me hurt, don't torture me, you won't feel well."

Lin Fansen's body froze, a big man, actually a little at a loss, "I just want you to eat breakfast before leaving.

" But I don't want to eat what you made." Song Junyue looked up at him, he didn't understand how much she looked forward to her married life before, but she is really scared now, she needs to sort out those thoughts.

Lin Fansen frowned and looked at her, and finally carried her to the chair without doing anything, "You have to give it to me if you don't eat it."
