

Chapter 1896

At that moment, Shen Xue's distress couldn't be further increased.

She hadn't worn new shoes for several years, and the pair of shoes on her feet was that her brother stared at the family for a long time. The family threw garbage out, so the brother picked out a slightly better shoe from the garbage and put them on for her. .

She had been wearing this pair of shoes for two years.

Dad gave her 1,000 yuan every month, but 1,000 yuan required food and drink for the family of three, her brother went to school, and her mother was incapable of working, so there was no extra money to buy her shoes at all. .

Finally, for the first time, Dad opened her mouth to bring her extra shoes and clothes.

As a result, she was actually trampled dirty by her sister.

Shen Xue's distressed tears streamed down her cheeks.

Shen Zishan also scolded Shen Yuexi: "Xixi, you are going too far!"

Shen Yuexi glared at her father angrily: "Humph! I hate you, you are towards an outsider! I treat her so well! You are still towards her!"

With that said, Shen Yuexi ran away.

Feng Yue, who was behind him, glared at Shen Zishan angrily, and immediately followed out: "Xixi, Xixi!"

Shen Zishan glanced at the salesman behind him, and then at Shen Xue, then waved his hand and said, "It's all here, don't take the rest, I don't have time today!"

He said that, Shen Zishan paid the money and hurriedly walked out with Shen Xue.

He bought Shen Xue two clothes and a pair of shoes.

The clothes on Shen Xue had already been thrown away.

She was like picking it up and washing it at home as a change of clothes, but her father dragged her away very fast, even if she walked so fast, Shen Zishan did not catch up with Feng Yue and Shen Yuexi.

Mother and daughter got off the elevator early in the morning.

Shen Zishan and Shen Xue had to wait for the next elevator.

While waiting for the elevator, Shen Zishan looked down at Shen Xue, with tears still in Shen Xue's eyes.

The little girl looked especially fond of her when she cried, Shen Zishan's heart tightened, and he raised his big hand to wipe her daughter's tears.

This action immediately warmed Shen Xue's heart.

She asked timidly, "Dad, why didn't you tell your sister that you are also my father?"

Shen Zishan: "..."

He couldn't answer the question.

After he and Feng Yue got married, the two worked together to fight for the world. Feng Yue had nothing to say about him, and Feng Yue had no other requirements. Even if he pays Shen Xue money every month, Feng Yue reminds him.

However, Feng Yue has only one request for her, that is, don't tell Shen Yuexi that her father has an ex-wife and children.

Feng Yue only hoped that her little family would be happy and that her children would not be affected by the previous family. After all, the children were innocent.

This requirement was originally nothing to Shen Zishan.

After all, there are very few opportunities for the two children to meet, almost none.

Shen Yuexi was six years old, and this was the first time she saw her sister, so Shen Zishan never thought it was a big deal before.

Today, Shen Yuexi occasionally saw Shen Xue calling her father, and Shen Zishan was also embarrassed.

At that moment, he was really afraid of hurting Shen Yuexi.

My daughter is a little angel. She loves to laugh since she was a child. The six-year-old child is already a leader in all aspects. She also loves helping people and caring for small animals.

Not to mention how much Shen Zishan loves his little daughter.

Therefore, when Shen Yuexi called Shen Xue a little beggar, Shen Zishan did not object.

He just wanted to hide from Shen Yuexi.

At this moment, when Shen Xue asked Shen Zishan, Shen Zishan thought for a long time before squatting down and slowly explaining to Shen Xue: "Xuexue, Dad told you, you are two years older than Xixi, you are a sister, understand?"

Shen Xue nodded: "I understand Dad, my sister just wants to let my sister."

Chapter 1897

Shen Zishan laughed suddenly: "It's really my father's good daughter, you are the best when you are sensible, when my father married your aunt Feng Yue, your sister hadn't made a sound, she was innocent, in her concept, her father was the only one. And her mother, she is not very accepting of others, so father hides the fact of your existence."

"It's like... Xixi, she doesn't know that you are also my father's daughter. If she finds out, she will be sad."

"She's not like you because you knew she existed when she was born."

"But Xixi came later. She didn't know your existence. Xixi... is also very innocent, can you understand?"

Shen Xue nodded: "Yes, Dad."

"Well, what a good daughter of my father."

"Dad." Shen Xue shouted.

"Well, what's the matter, what else is there to ask for? Dad said, Dad will try his best to satisfy you." Shen Zishan was also very guilty of this daughter.

Shen Xue bit her lip: "Dad, do you admit that I am your daughter?"

Shen Zishan put Shen Xue in his arms: "Silly girl! If you don't admit that you are your father's daughter, how could your father give you 1,000 yuan a month! How could it be possible to take you out to buy clothes, you are your father's Daughter, this is a fact that cannot be changed, you are not stupid!"

Shen Xue laughed immediately.

She felt so warm.

Dad had never been so nice to her.

Dad bought her clothes, bought her new shoes, and put her in his arms.

"Dad, can you...give me another thousand yuan?" Shen Xue asked again.

"Of course there is no problem!" Shen Zishan felt guilty for Shen Xue, and immediately took out a thousand yuan, rolled it into a small roll and put it in Shen Xue's pocket.

In the past, Shen Zishan would control Shen Xue's living expenses very harshly.

The reason was because Shen Xue lived with her mother and Ying Ming, and Shen Zishan was obliged to support his daughter, but not his ex-wife and sons born to his ex-wife and others.

No matter how much money he has, of course he can't spend it on outsiders.

But today was different, Shen Zishan was afraid that Shen Xue's heart would also be hurt, so he went out of his way to comfort Shen Xue.

"Forgive my sister, okay?" Shen Zishan asked.

Shen Xue nodded: "Don't worry, Dad, I'm my elder sister, and I will let my younger sister."

"It's daddy's good boy, let's go, daddy will take you downstairs and drive you to the door, okay?"

Shen Xue nodded again: "Thank you Dad."

She felt that she was very happy to receive such care from her father, and she felt very happy today.

Following her father downstairs, Shen Xue took the initiative to come to Shen Yuexi: "Sister, thank you for being so kind to me today, I don't mind if you step on my shoes dirty, I'll wipe it when I get home."

"Humph!" Shen Yuexi was still puzzled.

"You're dirty even when you're wearing new clothes! Your hair is dirty and smells sour, and when you shake it off, it's full of lice! It's dirty! Don't come near me!" Shen Yuexi made a face at Shen Xue.

Just at this time, Shen Zishan drove the car over, he stopped and opened the door, and then shouted, "Xuexue, come up and sit in the back..."

Shen Yuexi was immediately annoyed when she heard it: "Dad, don't let her be our car! She's dirty! A louse! What if the louse on her head falls into our car!"

"Let her go!"

"Shen Yuexi! You are going too far!" Feng Yue scolded abruptly.

"Mom, you're bad! Woohoo..." Shen Yuexi cried aggrieved.

Feng Yue immediately squatted down and patiently coaxed Shen Yuexi: "Baby don't cry, baby, don't cry, mom told you, people don't have a mansion like you, they have their own small rooms, and there is a bathtub in their small rooms, and their conditions are very good. The difference is very poor, so I can't take a bath every day, so there are lice on my head, you need to get rid of it immediately."

There was an endless sense of superiority in those words.

The originally warm heart of Shen Xue suddenly became extremely inferior.

At this time, Shen Zishan also came to Shen Yuexi to coax her: "Okay, daddy won't send her away."

Shen Xue: "..."
