The Return of the God of War [The Protector]

Chapter 3557 - 3558

Case solved!

Everyone is guessing, who has the ability to steal Levi Garrison's ancient sword!

It turned out to be Gong Qianqiu!

Xu Qingya was wronged.

It was her!

"Gong Qianqiu, you are so bold, you dare to steal Levi Garrison's sword? If you are discovered by him, you will die without a place to be buried!"

Bai Xinghe said.

As soon as these words came out, Gong Qianqiu was frightened and trembled.

In the past, she would not be afraid of Levi Garrison at all.

But after the battle just now, she was deeply afraid of Levi Garrison.

As long as she heard Levi Garrison's name, she trembled in fear.

For example, it is mentioned now that her face is blue and her lips are white.

The picture of Levi Garrison coming to take revenge on her already appeared in his mind.

"But...but so what? According to the current situation, he can't find me at all!"

Gong Qianqiu began to pretend to be calm.

“Gong Qianqiu, you will be exposed sooner or later!”

Xu Qingya’s voice came from not far away.

“Huh? Isn’t this Xu Qingya from Beige?”

Bai Xinghe once again saw the three Xu Qingya not far away, all covered in injuries.

“Understood! I understand! These people disappeared because of Gong Qianqiu!”

“They took the blame for Gong Qianqiu! And the Xuanming alien race was also calculated by her! Levi Garrison’s base camp was definitely revealed by her!”

...

Soon, everyone understood everything.

All of this was calculated by Gong Qianqiu.

It’s everything she leads.

I also knew the horror of this woman.

He even dealt with Levi Garrison and Xuanming alien race.

has not been discovered.

This is something they are far from being able to do.

In particular, Zhong Haiqiu and Shangguan Tianfeng from the West Pavilion were even more unbelievable.

How could they never have imagined that this woman had so much energy.

After all, in the West Pavilion, she was ignored.

They never looked at them.

Now she has unparalleled strategies, and even her strength is on the same level as them.

This woman is horrible.

Zhong Haiqiu still couldn't hold back and asked: "You...how did you become so strong in a short period of time? I saw you make a move a month ago, and it wasn't very strong! How come you are stronger than me in a month... .."

Gong Qianqiu smiled: "I still want to thank Levi Garrison! I learned the exercises created by his daughter! The strength has improved by leaps and bounds! It is hundreds of times faster than me!"

"hiss!!!"

Everyone started to gasp for breath.

This is too scary.

"So don't think how powerful and talented you are! Compared with Levi Garrison's daughter, you are worthless! Her self-created exercises have given me the strength to rival you in a short period of time! What do you compare to her? "

Gong Qianqiu is going to hit this group of arrogance severely.

Make their faces swept up.

The top ten geniuses are silent now.

In fact, after fighting with Levi Garrison, they already knew that there is a reason beyond the sky.

monkeys outside?

Do not!

Now they don't dare to mention the word monkey.

They have been beaten to the core.

They understand that they are just sitting there watching the sky.

Therefore, now that Gong Qianqiu said this, they all bowed their heads in shame.

“Even I will surpass you soon! The top ten talents were trampled under my feet! Haha...”

Miya Chiaki’s nature was exposed, and he laughed wildly.

“Gong Qianqiu, you are not going to let us go! If our people know that we have disappeared, they will definitely look for it! You will not be able to eat and walk around!”

Xu Zhetian began to threaten.

“Yes, you also stole the artifacts of the four town halls. You don’t want to be the enemy of Wufang Pavilion, do you?”

“Once exposed, this is a heinous crime! You still let us be honest, and we may give you a way to live!”

“Now let us go quickly, we still have to discuss!”

The Return of the God of War [The Protector] Chapter 3558

These arrogant people are still used to being arrogant.

At this moment, I even set the scene for Gong Qianqiu.

But Gong Qianqiu is a ruthless person.

Especially when you were all locked up by Gong Qianqiu, and you even made a show for others.

Gong Qianqiu smiled coldly: "I'm not even afraid of Levi Garrison, I even dare to bring his sword! I'm still afraid of you?"

As soon as the words came out.

The top ten Tianjiao were silent.

yes.

Even Levi Garrison is not afraid, what else is there to be afraid of?

Gong Qianqiu sneered: "What's more, you know my secret now! I would rather kill you than let you go!"

"boom!"

The faces of the top ten Tianjiao changed greatly.

not good!

Something is going to happen!

Since they were caught by Gong Qianqiu, then they have no good end.

"you....."

Seeing Gong Qianqiu looking at him, the top ten arrogances took a deep breath.

going crazy.

Shouldn't she have the idea of hitting her own bones?

Gong Qianqiu smiled: "Now you all know, Levi Garrison is too strong! His daughter is also strong, I have no way to do it for the time being! So I don't want to get her roots, but you..."

Gong Qianqiu looked at the top ten talents, and his eyes showed a fiery look.

“Your root bones are the best in Town Demon Division! Now I can transplant anyone’s root bones!”

Gong Qianqiu smiled.

Zhong Haiqiu was already scared: “Don’t joke! This kind of joke is not funny at all! Qianqiu, listen to what Junior Sister said, don’t push yourself to a dead end!”

Others immediately persuaded: “Yes, don’t go to a dead end! Besides, if you want to transplant a root bone, there are only so many bone masters. If you do it, you will be found immediately!”

“Yeah, now the bone masters are those people. After Levi Garrison looked for them last time, they were all exposed.”

What they meant was that Gong Qianqiu could not find a bone master to transplant the root bone.

Gong Qianqiu suddenly smiled: “You don’t have to worry about this matter! I have a bone master specially trained!”

“What? Impossible!”

Everyone exclaimed that it was impossible.

Bone masters are to be condemned.

How can it be said that nurture means nurture.

Otherwise, there would not be only so many bone masters in the entire town magic division.

Now I hear that Gong Qianqiu has his own bone master.

Of course everyone doesn’t believe it.

“No! She has!”

Xu Qingya shouted.

“There are countless people who are obsessed with her by the entire town magic department! Many of them are fascinated by her! Even if they die for her, it is estimated that most people will not hesitate!”

Hearing Xu Qingya say, Gong Qianqiu smiled: “It’s still this sister who knows me!”

“That’s right! There are so many men who are crazy about me! As long as I speak! I guess I can become a bone master willingly for me!”

“As long as I want, there are as many as I want, and it’s not a problem to cultivate a few!”

Not wrong.

With Gong Qianqiu’s methods, these are all small things.

Take Xiao Feng, for example.

As long as Gong Qianqiu needs it, he can immediately become a bone master.

Don’t ask why.

As long as Gong Qianqiu speaks, he will do it immediately.

There are not a few people who are deeper than Xiao Feng.

There is no need for Gong Qianqiu to say, it is only beneficial to Gong Qianqiu, they will do it themselves.

fear!

Even the concept of everything they thought was controlled by strength collapsed at this moment.

“You guys, you’re all rubbish! It was originally designed to use all your strength to kill Levi Garrison! In the end, none of you can do anything!”

“But fortunately, your roots are good, and it’s still useful!”

Gong Qianqiu looked at several people and sighed.

“What? You designed the assassination of Levi Garrison?”

Bai Xinghe seemed to have heard something incredible.

“That’s not the case! You all proposed it yourself at the beginning! It’s just that after I knew it, I specially designed it! The other masters were arranged by me! Even the eternal kingdom was arranged by me!”

Miya Chiaki said.
