Chapter 2595

Lin Fanyue immediately covered his lips, "Don't make trouble, there's really something wrong, the impact of Zeng Hengshu is very bad, no one will investigate it.

"It's really bad, but Zeng Hengshu has already stood up and apologized and resigned. No matter if there is any other inside story, he will take it all down. Besides, those women, even if some of them are involuntary, but who dares to stand up and admit it, let alone stand Come out, those women are even desperately denying."

Lin Fanyue snorted coldly, "Even if you apologize and admit your mistakes, you can't continue to be the boss secretly."

Song Qingrui sighed softly, but also very helpless.

"Qing Rui, didn't you see the voices of netizens? This incident has really caused a lot of adverse effects. I think it is one thing whether the department can find out, but it still has to be checked, otherwise this kind of thing will happen in the future. There will be more things to do. In addition, let some mainstream media criticize this matter, you think, don't you think Ji's ambition is too big in recent years, first in the field of medicine, and now he wants to seize the entertainment industry, according to him If things continue like this, in the future..."

Lin Fanyue glanced at him hesitantly, "Although you may have been closer to Huo Xu and Ji Ziyuan recently because of my relationship with Qingqing, But let the Ji family develop like this, no one in China may be able to hold back."

Song Qingrui looked at her deeply, "Who told you these words."

"What do you mean, can't I think of it?" Lin Fanyue stomped her feet.

"You don't usually think about these things." Song Qingrui pinched her face, "Tell me the truth." "Well, Ruan Yan told me." Lin Fanyue said angrily, "Ji Ziyuan That person is very despicable, Ruan Yan doesn't like her, and he threatens Ruan Yan to stay with him, the

problem is a threat, he doesn't respect Ruan Yan at all, he just treats her like a toy, this kind of person is too crazy."

Song Qingrui Frowning, he was also disgusted with this kind of thing.

Emotional matters are consensual, some are for love, some are for money, and threats are boring.

"But Ruan Yan is also a fan of Fanyu. It's not good for her if the trouble gets bigger."

Lin Fanyue said: "Ruan Yan doesn't care. Besides, she is a friend of me and Qingqing, even if she can't get along in the entertainment industry in the future. If you go down, you can also follow us to open a company."

Song Qingrui poked her head gently, "You." "Can you

help?" Lin Fanyue pouted and looked at him, "I'm telling the truth."

"Help, You said so, then you must help."

Song Qingrui smiled, a dark light flashed in his eyes.

In fact, even if Lin Fanyue didn't say anything about this matter, the Song family might start to exert pressure.

Even though his relationship with the Ji family is usually good, there are too many things that Ji Ziyuan can't control.

I haven't done this before, just haven't had a legitimate opportunity.

It's different now.

...

The next day, Du Xuan called all the artists to the company for a morning meeting.

Ruan Yan also went.

It was only halfway through the meeting when Du Xuan's secretary hurried in. After saying a few words in Du Xuan's ear, Du Xuan's expression changed slightly and he left in a hurry.

Everyone in the conference room began to discuss in a low voice, "Mr. Du left suddenly, is there something important happened?"

"Maybe."

Ruan Yan got up, took her bag, and was about to leave, she was wearing a new long dress. Tang Qin came over domineeringly.

"Ruan Yan, did you find the sailor on the Internet and take the opportunity to smear me?" Tang Qin stared at Ruan Yan, her plan to come back was almost a success, but in the past two days, many people on the Internet are talking about her and Zeng Hengshu Having one leg made her reputation bad again.

Even the director of the previously signed period drama deliberately wanted to replace her.

"Do you think I need to hire a sailor?" Ruan Yan's lips curled up slightly, "You have such big eyes that even a blind person can notice it."

"Aren't you just jealous and jealous of me?" Tang Qin clenched his fists, approached her and suddenly smiled in a low voice, "Do you think you can beat me by sleeping with Ji Ziyuan, stop dreaming, you are just a vent to Ji Ziyuan, you see, I think If I want to make a comeback, he will help me come back, and he will give me your resources. Ruan Yan, you are not as good as me in your life, but if you want Ziyuan to sleep, I will follow you. After all, he needs so much, I am alone I may not be able to hold it, in the future I will be my sister, and you will be my sister, so take good care of you."

Ruan Yan raised her hand and threw it on Tang Qin's face unceremoniously.

If it is said that this face-flashing kung fu, she has really practiced it, Tang Qin was thrown to the ground by her, and her face immediately swelled up.

There was an uproar in the conference room.

I knew that the two were at odds, but I didn't expect Ruan Yan to dare to do it.

"Ruan Yan, you dare to hit me." Tang Qin stood up trembling, her eyes were red, "Apologize to me immediately, otherwise I won't forget about this matter."

Zhao Hong was frightened and hurriedly pulled With Ruan Yan, "Apologize quickly."

Today's Tang Qin is really not something she can provoke.

"I'm sorry, I didn't mean to." Ruan Yan said very simply.

I didn't expect Ruan Yan to apologize so happily, not to mention Zhao Hong, even Tang Qin was stunned.

They all thought that Ruan Yan's character would definitely die.

"Look, I made a mistake." Ruan Yan smiled, "That's it, goodbye."

She is not a fool, slap and apologize, it is more cost-effective.

She didn't mind another apology and another slap.

"Stop." Tang Qin's eyes were red with anger, "You made me so, do you think that an apology would

be enough?" "But didn't you just mean that I only need to apologize, and this matter is over?" Ruan Yan's cold eyes blinked slightly, "You're...you want to talk without a word?"

Cai Manlin stood up and said coldly, "You swelled Tang Qin's face, and an apology is really nothing. Hasn't it happened, then I slap you, can I apologize."

"Yes, I can do it if you want." Tang Qin immediately agreed.

"That's not good, I'm not that stupid." Ruan Yan shook her head, "It seems that I misunderstood, but I can't blame it. Who made Miss Tang unable to express a word clearly, as expected from the pheasant school.

" Let me clean up when you speak, I graduated from a serious famous university." Tang Qin fanned towards her angrily.

Ruan Yan intercepted her hand and slapped her to the other side, her face immediately swelled up.

The other artists next to him sighed in relief.

It's too painful to see.

But Ruan Yan said like no one else: "Look at the symmetry on both sides, how good it is, the swelling appears to have more collagen, and the whole person is not so old, so don't thank me too much."

"Pfft"

People watching the fun Some people couldn't help but laughed softly.

Some people really can't stand Tang Qin's arrogant appearance in private.
