In some recordings, Ji Ziyuan threatened, and in others, Ji Ziyuan scolded her as a dead fish and as cheap. Although the magnetic voice was faint, it was as unpleasant as it sounded.

After the video and recording are made public.

The whole country was shaken.

[Grab the grass, is Ji Ziyuan still a human? He persecutes people and scolds them for being cheap. Why don't people like this die?]

[The last one who was such a scumbag was Song Rongshi, and Song Rongshi was brainwashed by Ning Lexia. It's like this, but I really feel that Ji Ziyuan is used to being superior and looks down on women. ]

[Yes, I think so too, he really doesn't see women as human beings, nor does he look down on us ordinary people. ]

【Uuuu, my goddess Ruan Yan was trampled on by her so much, I feel so distressed, I'm going to report it. 】

【I also want to report, this kind of person still controls the medical resources of Huaguo, I would rather not go to Ji's hospital without treatment in my life. 】

[I can't believe how miserable Ruan Yan had been a few days ago. After the affair between her and Pei Mochen broke out, I even scolded her. I'm not a human being. ]

[Don't say anything, let's go to the police, we can't let Ji Ziyuan go. ]

" ... "

After Tang Kai heard it, there were only two words in his mind: it was over.

No matter what Ji Ziyuan did in the future, his image this time completely collapsed.

Moreover, the words Ji Ziyuan said were so harsh that passers-by would find it unpleasant, even he thought it was too arrogant.

The headquarters of Ji's Group.

An emergency meeting is underway.

Ji Ziyuan sat on the leather seat and heard the public relations department arguing for a long time. He couldn't bear to slap his palm on the table, "What I want is a plan that can minimize losses after taking responsibility. Until now, all of you are still shirking responsibility for that petty profit, am I spending so much money to support a bunch of trash?"

The people in the public relations department were all terrified.

After a long time, it was the department manager who spoke first: "We will write a public apology first. As long as we have a good attitude, everyone will forgive us. After all, our Ji's medical resources are the leading in the country, unless everyone doesn't want to treat the disease.

" Excuse me."

Suddenly, the door of the conference room was pushed open, and several policemen walked in, "Ji Ziyuan, someone reported that you were suspected of a case of forcing women, please come to the police station with us."

"I am now I'm in a meeting, if you have anything to do, you can go to my lawyer." Ji Ziyuan thought that Ruan Yan was doing something else, and said impatiently.

The leader was a policewoman, who had listened to many recordings of Ji Ziyuan on the Internet, and was very disgusted with this person at this moment.

The policewoman handcuffed him without saying a word, "Don't talk nonsense with us, the person who reported you has already submitted a lot of recordings, and there are even hundreds of millions of people on the Internet who are following this case, you must follow us."

Said . After that, he pulled Ji Ziyuan and left his seat.

Ji Ziyuan's handsome face instantly turned as black as the night.

After he was taken away, there was an uproar in the conference room.

at the police station.

When Ji Ziyuan saw the evidence presented by the police, he was always calm and self-sufficient, but now he was also shocked.

That crazy woman Ruan Yan secretly recorded so many words during her time with him.

Not only that, she also posted a lot of recordings on the Internet. She didn't disclose some of the privacy in bed, but just handed it over to the police.

"I didn't force her, we did it voluntarily." Ji Ziyuan was familiar with the law after all, and quickly denied it all, "She asked me for money several times, and I also gave her bags and jewelry, and we were engaged in money transactions. "

Are you talking about these bags?" The policewoman took out a few photos. "These bags have been sold long ago, and all the money sold was donated to charities in your name. As for the money you said, Ruan Yan has never used yours."

"Ji Ziyuan, we checked the women you were with before, and you have given them real estate, luxury cars, money, and luxury jewelry. Only Ruan Yan has nothing and she doesn't exist. I like you, why should a first-line actress be with you?" The

policewoman sneered sharply, "You have good skills, but your recordings show that she is uncomfortable in bed, stop trying to argue, your bad behavior will give you The society has had a great impact." After the

policewoman finished speaking, she stood up, "We will submit the information to the Public Procuratorate later, and your case will be filed soon."

After the policewoman left, Ji Ziyuan's hands were embarrassed. Clenching his fists on the table, the veins on the back of the fist burst out.

Damn Ruan Yan, he was able to push him to this point.

What does she want to do.

An hour later, lawyer Long came over and said, "Mr. Ji, I'm sorry, this case is too noisy and the impact is too bad. I tried a lot of methods, but I couldn't release you on bail."
