Let me go mr hill chapter 2601 - 2602

Chapter 2601

She is Ning Xiaoxiao now, but she is using Ruan Yan's body now, even if her heart changes, some things that have happened cannot be erased.

She just didn't quite understand it. It was clear that when she woke up, people completely deleted all these things. People outside almost didn't know about it, how....

In the blink of an eye, after Ruan Yan saw that her own affairs on the hotly discussed list had exploded, Fan Yu was fined yesterday and Tang Qin's black material had disappeared from the list without a sound, Ruan Yan suddenly seemed to be Everything is understood.

Oh, it turns out that she has become a victim of the company.

A bottomless chill came from the bottom of my heart.

It was very much like the feeling of being caught when she was framed and murdered.

"Ruan Ruan, what should I do?" Zhao Xin was at a loss. "Sister Hong has already gone to the company to find President Du. I hope the company can suppress the hot search as soon as possible."

"Looking for President Du?"

Ruan Yan seemed to hear Just like a joke, she looked at her assistant, so simple, "Does Sister Hong really know nothing at all?"

"Do you know what?" Zhao Xin looked blank.

"This play was arranged by Fanyu, use me as a shield." Ruan Yan chuckled coldly, "Look, the scandals of first-tier actresses are so hot, and Fanyu's affairs were immediately transferred."

Zhao Xin was stunned . , and then she couldn't believe it, "The company is crazy, you are the first sister of the company, you earn the most money every year."

"No one is irreplaceable." Ruan Yan put down the phone, "I'll change clothes and have a meal. Go to the company for breakfast."

"You... are you still in the mood for breakfast?" Zhao Xin was about to go crazy.

"Otherwise, my career will be gone, and I'm going to starve myself to death."

Ruan Yan turned around coldly. If this happened to her before, she might get out of control and even do some irrational things.

But she has even experienced death, so what is there to be afraid of.

She just felt bad for the real Ruan Yan.

The real Ruan Yan did something wrong, she just fell in love with the wrong person, and killed herself for a relationship.

In the end, everyone defines this relationship as being nurtured.

Ah.

So unfair.

And these injustices were brought to Ruan Yan by someone.

In the locker room, Ruan Yan put on casual clothes, fried an egg and cooked a bowl of noodles.

While eating breakfast, Jiang Qingxin called, "Ruan Ruan, are you alright."

With just a few words of concern, Ruan Yan's icy heart seemed to seep into a trace of warmth.

"You don't doubt me at all?" Ruan Yan was a little surprised.

Jiang Qingxin said with a bit of displeasure: "You don't trust me as a friend, didn't you tell me before, I don't believe my friend's words, do you still believe what those people say on the Internet, I ask you what? It's okay, the main thing is that your company hurts you like that, whether you are hurt in your heart."

"You know it too." The corners of Ruan Yan's mouth were slightly raised.

"Obviously, this kind of thing is nothing more than diverting attention." Jiang Qingxin was also very angry, "This Ji Ziyuan I thought he was just being indifferent, but now I find that he is shameless and has no lower limit."

"One is not shameless . , Those who have a lower limit will have today's status?" Ruan Yan laughed mockingly.

Jiang Qing's heart became more and more distressed, "Don't worry, I will find a way to help you search for hot spots, and at the Pei family's side, I will help you get in touch, so that no one will trouble you, as for Ji Ziyuan, although he can't pull Throw him down, but I can also block him a bit."

"No." Ruan Yan refused, "His relationship with Huo Xu is extraordinary, don't make Huo Xu embarrassed."

"I'll be good at people like Ji Ziyuan. Let Huo Xushao get in touch with him." Jiang Qing said angrily, "So as not to spoil my husband."

"Huo Xu has known Ji Ziyuan for decades, and he wants to spoil him again, Qingqing, listen to me, before Huo Xu At the most difficult time, Ji Ziyuan didn't give up this brother. You made Huo Xu distance himself from Ji Ziyuan for me. That is ruthless to Huo Xu. This is between me, Ji Ziyuan and Fanyu. I don't want you to get involved."

"But..."

"Trust me, I will solve it." Ruan Yan said seriously, "Don't go to the hot search to find the navy, this matter. It has already exploded, and it will be offensive to be discovered at this time, so it is better to be generous."

"Okay," Jiang Qingxin is helpless, she is not very clear about the entertainment industry, but Ruan Yan Now that she said that, she should have an idea, "If you have anything to help, you can contact me at any time."

After hanging up the phone, Jiang Qingxin gave Huo Xu a hard look at Huo Xu who had just finished grooming.

Huo Xuying's pretty face showed a bit of flattery and a guilty conscience, "Wife, I really don't know about this, and I never thought that Ji Ziyuan would do such a thing. I'll talk to him about it."

"What are you talking about?" Jiang Qingxin became angry when she saw him, "everyone knows what happened to you, everyone is scolding Ruan Yan, have you seen those words on the Internet? Ruan Yan's reputation in the entertainment industry is completely ruined, not only that, because she is a public figure, and she has to bear the reputation of being nurtured in her life, how can you ask her to find a partner in the future."

"Ji Ziyuan has no lower limit. Even if he doesn't love Ruan Yan, at least Ruan Yan is his woman."

"Those friends of yours, don't tell me, Ji Ziyuan and Song Rongshi are all rubbish. There is no lower limit to one's character than the other."

Jiang Qingxin said more and more angry, "What does it mean to gather people and divide people into groups, I can see it now, no wonder you were so ruthless and unjust to me before.

"The wife's anger was like a cannonball, Huo Xuzhen wished that the washboard knelt down on the spot, "Wife, I'm different from them, He Chi among my friends is actually very good, you see that your relationship with He Chi has not always been very good. Okay."

Jiang Qingxin snorted, "I can't do anything about Ji Ziyuan, but don't even think about getting into my bed this month."

After she said that, she left angrily.

Xiaoxi walked over to his father as if watching the excitement, "Baba, why are you making Mommy angry again."

"I accidentally made friends." Coldly dropped four words and walked by.

The corners of Huo Xu's mouth twitched, and she couldn't help calling Ji Ziyuan, "You really hurt me this time, Ziyuan, did you do what happened to Ruan Yan?"

"Don't quarrel with me, I haven't woken up yet." Ji Ziyuan's voice was hoarse and sleepy.

Huo Xu almost died of anger, "Are you still in the mood to sleep?"

"A Ruan Yan is not worth me not sleeping." Ji Ziyuan's voice was particularly cold.

Huo Xu was speechless, he was not sure at first, but now he is sure, "Ziyuan, are you going too far? We can do things by any means, but there is no limit. Besides, Ruan Yan is your woman after all."

"She is also my employee . , not to mention... that's what she did in the first place, wasn't it?" Ji Ziyuan said lightly, "You also tell Jiang Qingxin that an actor, don't be too sincere, it's not worth it."
